

A dramatic landscape photograph featuring a narrow, sandy path that leads from the foreground through a dark, rocky archway. The path is illuminated by a warm, golden light, likely from a low sun, which creates a strong reflection on the wet sand. The archway is formed by two large, dark, craggy rock formations that frame the path. In the background, the path leads to a beach and the ocean, with the sun setting or rising over the horizon, casting a warm glow across the sky and water. The overall mood is contemplative and serene.

Life is made of ever so many
partings welded together...
Divisions among such must come,
and must be met as they come.
