## **Song Without Words:**

Songs without Words (Complete) Felix Mendelssohn, Maurice Hinson, These 48 pieces were composed over a period of two decades beginning in 1832 and published in eight groups of six each Many of these songs were dedicated to the women in Mendelssohn's life and reflect the sunniest qualities of his melodiousness spontaneity and invention Maurice Hinson has skillfully researched and edited these works back to their original form and provides a very informative introduction which includes many detailed suggestions for a stylistic interpretation and performance as well as biographical information on the composer's life

**Songs Without Words** Sandra Mangsen, 2016 Keyboard arrangements of vocal music flourished in England between 1560 and 1760 Songs without Words by noted harpsichordist and early music authority Sandra Mangsen is the first in depth study of this topic uncovering a body of material that is remarkably varied musically interesting and indicative of major trends in musical and social life at the time Mangsen's Songs without Words argues that the pieces upon which these keyboard arrangements were based constituted a shared repertoire akin to the jazz standards of the twentieth century In Restoration England the ballad tradition saw tunes and texts move between oral manuscript and printed transmission and from street to playhouse and back again During the eighteenth century printed keyboard arrangements were aimed particularly at female amateur keyboardists and helped opera to become a widely popular genre Songs without Words considers a wide range of model pieces including songs of many kinds and arias and other numbers from operas and oratorios The resulting keyboard versions range from simple and pedagogically oriented to highly virtuosic Two central issues the relationship between an arrangement and its model and the reception and aesthetics of arrangements are explored in the framing chapters The result is a study that will be of great interest to scholars performers and anyone who loves the music of the late Renaissance Baroque and early Classic eras Sandra Mangsen is professor emerita of music at the University of Western Ontario

**Song Without Words** Gerald Shea, 2013-02-26 A fascinating memoir of living with partial deafness that offers new insight into the nature of language Booklist Much has been written about the profoundly deaf but the lives of the nearly thirty million partially deaf people in the United States today remain hidden Song without Words tells the astonishing story of a man who at the age of thirty four discovered that he had been unable to hear higher ranges of speech since a bout of scarlet fever childhood yet somehow managed to navigate his way through Andover Yale and Columbia Law School and to establish a prestigious international legal career Gerald Shea's witty and candid memoir tells how he compensated for his deafness through sheer determination and an amazing ability to translate the melody of vowels albeit with some mistakes along the way His experience gives fascinating new insight into the nature and significance of language the meaning of deafness the fierce controversy between advocates of signing and of oral education and the longing for full communication that unites us all With candor insight and considerable charm and wit Gerald Shea has explored the little known world of the partially deaf a world of confused language and identity Andrew Solomon New York Times bestselling
