The Advanced Music Reader Frederic Herbert Ripley, Thomas Tapper, 1897      **Myers's School Music Reader** Shilo Shaffer Myers, 1915      **Reader's Guide to Music** Murray Steib, 2013-12-02 The Reader s Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 3 20 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology      Work in Progress Rieke Jordan, 2019-05-02 Work in Progress Curatorial Labor in Twenty First Century American Fiction interrogates contemporary texts that showcase forms of reading practices that feel anachronistic and laborious in times of instantaneity and short buffering times Objects of analysis include the graphic narrative Building Stories by Chris Ware the music album Song Reader by the indie rock artist Beck Hansen and the computer game Kentucky Route Zero by the programming team Cardboard Computer These texts stage their fragmentary nature and alleged unfinishedness as a quintessential part of both

their narrative and material *modus operandi* These works in and of progress feel both contemporary and retro in the 21st century They draw upon and work against our expectations of interactive art in the digital age incorporating and likewise rejecting digital forms and practices This underlines the material and narrative flexibilities of the objects for no outcome or reading experience is the same or can be replicated It becomes apparent that the texts presuppose a reader who invests her spare time in figuring these texts out diagnosing a contorted work leisure dichotomy working these stories out is a significant part of the reading experience for the reader curatorial labor This conjures up a reader who as the author argues is turned into a curator and creative entity of and in these texts for she implements and reassembles the options made available **A**
