The work of one of the first European cosmopolitans these poems demonstrate that Cam es would deserve his place among the great poets even if he had never written his epic *Enough to Say It's Far* Chaesam Pak,2006-07-23 This is the first English translation of selected poems by one of the most important and unusual modern poets of South Korea In contrast to the strident political protests found in the poetry of many of his contemporaries Pak Chaesam s work is characterized by intimate portraits of place nature childhood and human relationships and by indirection nostalgia and reflectiveness Often focused upon the border of this world and some other Pak writes with a spareness of presentation but a cornucopia of imagery meticulously exploring objective and subjective realms of existence and memory Encouraging the reader to see and listen and to allow the sensory to reshape the analytical Pak s poetry opens up new realms of experience A fellow Korean poet described Pak s poetry as being the most exquisite expression of the Korean sense of han or melancholy *In Hora Mortis / Under the Iron of the Moon* Thomas Bernhard,2024-05-14 Haunting and darkly humorous poems by the internationally acclaimed Austrian novelist playwright and memoirist Thomas Bernhard 1931 1989 has been compared to Kafka and Beckett and critics have ranked his novels among the masterpieces of the twentieth century But in fact he began his career in the 1950s as a poet publishing three books of well received verse before turning to fiction In Hora Mortis Under the Iron of the Moon is the first book of his expressionist like poetry to be published in English Bringing together Bernhard s second and third books of poetry the collection s short untitled lyrics reveal his early explorations of themes that would continue to preoccupy him in his novels plays and other writings especially his intense ambivalence toward the land and people of Austria and their then recent Nazi past As the translator James Reidel writes in his preface Bernhard found Austrian soil to be like a hair shirt and a blanket It is a killing ground but with a postcard setting In poems that both subvert and pay homage to such influences as Georg Trakl Bernhard begins to develop his characteristic dark humor while exploring themes of nature death meaninglessness and faith *The Greener Meadow* Luciano Erba,2007 Publisher description

Final Matters Szilárd Borbély,2019-02-05 acclaimed translator Otilie Mulzet reveals the full range and force of Borb ly s verse by bringing together generous selections from his last two books Final Matters and To the body Borb ly weaves into his work an unlikely mix of Hungarian folk songs Christian and Jewish hymns classical myths police reports and unsettling accounts of abortions back cover *Brief Homage to Pluto and Other Poems* Fabio Pusterla,2023-04-11 Pusterla is a contemporary Swiss poet who writes in Italian This volume is a selection from Pusterla s six most recent books of poetry published in Italian The poems create a solid sense of place mountains lakes streams villages occasionally a city They move from precise and delicate observations of creatures plants and atmosphere to harshly historical and sociological pieces wounded by Italy s past and present They find striking and unpredictable ways into their subjects often ending on a surprising crystallized image And in the series editors words the translations compel throughout through their cadence pacing assonance and tactful alliteration their texture and their touch The effect of the whole of the supple verse renderings

the psyche and to the heart of the poem itself *Night Journey* is the English language debut of the work that won Mar a Negroni an Argentine National Book Award It is a book of dreams dreams she renders with surreal beauty that recalls the work of her compatriot Alejandra Pizarnik with the penetrating subtlety of Borges and Calvino In sixty two tightly woven prose poems Negroni deftly infuses haunting imagery with an ironic personal spirituality Effortlessly she navigates the nameless subject to the slopes of the Himalayas to a bar in Buenos Aires through war from icy Scandinavian landscapes to the tropics across seas toward a cemetery in the wake of Napoleon s hearse by train by taxis headed in unrequested directions past mirrors and birds between life and death *Night Journey* reflects a mastery of a traditional form while brilliantly expressing a modern condition the multicultural multifaceted individual ever in motion Displacement abounds a medieval tabard where a pelvis should be a lipless grin a beach severed from the ocean In one poem nomadic cities whisk past In another smiling cockroaches loom in a visiting mother s eyes Anne Twitty whose elegant translations are accompanied by the Spanish originals remarks in her preface that the book s indomitable literary intelligence subdues an unspoken terror helplessness Yet as observed by the angel Gabriel the consoling voice of wisdom only by accepting the journey for what it is can one discover its hidden splendor the invisible center of the poem As readers of this magnificent work will discover this is a journey that because its every fleeting image conjures a thousand words of fertile silence can be savored again and again

long been revered as the supreme lyric poet of the Augustan Age In his perceptive introduction to this translation of Horace's Odes and Satires Sidney Alexander engagingly spells out how the poet expresses values and traditions that remain unchanged in the deepest strata of Italian character two thousand years later Horace shares with Italians of today a distinctive delight in the senses a fundamental irony a passion for seizing the moment and a view of religion as aesthetic experience rather than mystical exaltation in many ways as Alexander puts it Horace is the quintessential Italian The voice we hear in this graceful and carefully annotated translation is thus one that emerges with clarity and dignity from the heart of an unchanging Latin culture Alexander is an accomplished poet novelist biographer and translator who has lived in Italy for more than thirty years Translating a poet of such variety and vitality as Horace calls on all his literary abilities Horace Quintus Horatius Flaccus 65 8 bce was born the son of a freed slave in southern rural Italy and rose to become one of the most celebrated poets in Rome and a confidante of the most powerful figures of the age including Augustus Caesar His poetry ranges over politics the arts religion nature philosophy and love reflecting both his intimacy with the high affairs of the Roman Empire and his love of a simple life in the Italian countryside Alexander translates the diverse poems of the youthful Satires and the more mature Odes with freshness accuracy and charm avoiding affectations of archaism or modernism He responds to the challenge of rendering the complexities of Latin verse in English with literary sensitivity and a fine ear for the subtleties of poetic rhythm in both languages This is a major translation of one of the greatest of classical poets by an acknowledged master of his craft      *Birds and Other Relations* Dezső Tandori, 2014-07-14 Born in Budapest in

1938 Dezs Tandori is a novelist playwright translator and graphic artist as well as one of Hungary's most celebrated poets. Here is a booklength selection of his work. Brilliantly eccentric and characterized by an astonishing formal dexterity, these poems address fundamental issues: the effort to establish personal identity in an impersonal world; the conflicting demands of private, social, and historical; that provide the texture of a lived moment and the necessity of affirmation that finds its locus in the act of writing. Originally published in 1987, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Dream of the Poem, 2009-01-10

Hebrew culture experienced a renewal in medieval Spain that produced what is arguably the most powerful body of Jewish poetry written since the Bible. Fusing elements of East and West Arabic and Hebrew and the particular and the universal, this verse embodies an extraordinary sensuality and intense faith that transcend the limits of language, place, and time. Peter Cole's translations reveal this remarkable poetic world to English readers in all of its richness, humor, grace, gravity, and wisdom. The Dream of the Poem traces the arc of the entire period, presenting some four hundred poems by fifty-four poets and including a panoramic historical introduction, short biographies of each poet, and extensive notes. The original Hebrew texts are available on the Princeton University Press Web site. By far the most potent and comprehensive gathering of medieval Hebrew poems ever assembled in English, Cole's anthology builds on what poet and translator Richard Howard has described as the finest labor of poetic translation that I have seen in many years and an entire revelation: a body of lyric and didactic verse so intense, so intelligent, and so vivid that it appears to identify a whole dimension of historical consciousness previously unavailable to us. The Dream of the Poem is, Howard says, a crowning achievement.

**The Late Poems of Meng Chiao**

Meng Chiao, 2020-09-01

Late in life, Meng Chiao (A.D. 751-814) developed an experimental poetry of virtuosic beauty, a poetry that anticipated landmark developments in the modern Western tradition by a millennium. With the Tang Dynasty crumbling, Meng's later work employed surrealist and symbolist techniques as it turned to a deep introspection. This is truly major work, work that may be the most radical in the Chinese tradition. And though written more than a thousand years ago, it is remarkably fresh and contemporary. But in spite of Meng's significance, this is the first volume of his poetry to appear in English. Until the age of forty, Meng Chiao lived as a poet-recluse associated with Chan Zen poet-monks in south China. He then embarked on a rather unsuccessful career as a government official. Throughout this time, his poetry was decidedly mediocre: conventional verse inevitably undone by his penchant for the strange and surprising. After his retirement, Meng developed the innovative poetry translated in this book. His late work is singular, not only for its bleak introspection and avant-garde methods but also for its dimensions in a tradition typified by the short lyric poem. This work is

made up entirely of large poetic sequences
