Søren Kierkegaard's Journals and Papers V3:

Søren Kierkegaard's Journals and Papers Søren Kierkegaard, 1981 **Søren Kierkegaard's Journals and Papers. Volume 3, L-R**, **Søren Kierkegaard's Journals and Papers** Søren Kierkegaard, 1975-03-01 The incidental writings of Søren Kierkegaard published in the twenty volume Danish edition of the *Papirer* provide direct access to the thought of the many faceted nineteenth century philosopher who exerted so profound an influence on Protestant theology and modern existentialism. This important material which Danish scholars regard as the key to the scriptures of Kierkegaard's other work spans his entire productive life the last entry of the *Papirer* being dated only a few days before his death. These writings have been previously inaccessible in English except for a few fragmentary selections the most significant writings are now being made available in this definitive seven volume edition under the editorship of two expert scholars and translators. Kierkegaard's scattered writings fall into three main subject groupings: journal entries of varied content; notes and early versions of his published material; and personal reactions to his reading and study. In length and degree of polish they range from brief and cryptic notes to extensive lecture material, finished travel sketches and extended philosophical speculation. The translators provide annotations, copious notes and a collation of entries with the Danish *Papirer*. The editors group the selections in Volumes I through IV by theme with all entries on a given subject under the same heading. Within subject headings entries are arranged chronologically making it feasible to trace the evolution of Kierkegaard's thought on a specific topic. Volumes V and VI are devoted to autobiographical material. Volume VII contains an extensive index with topical cross references.

Søren Kierkegaard's Journals and Papers Søren Kierkegaard, 1967 Volume VII contains an extensive index with topical crossreferences.

Søren Kierkegaard's Journals and Papers Søren Kierkegaard, 1975-03-01 The incidental writings of Søren Kierkegaard published in the twenty volume Danish edition of the *Papirer* provide direct access to the thought of the many faceted nineteenth century philosopher who exerted so profound an influence on Protestant theology and modern existentialism. Kierkegaard's Journals and Notebooks Søren Kierkegaard, 2007 Produced by Copenhagen s Søren Kierkegaard Research Centre this volume the first of an eleven volume series offers an insight into Kierkegaard s inner life In addition to early drafts of his published works it also contains his thoughts on events and philosophical and theological matters and ideas for future literary projects

Kierkegaard's Journals and Notebooks, Volume 11, Part 1 Søren Kierkegaard, 2019-11-26 For over a century the Danish thinker S ren Kierkegaard 1813 55 has been at the center of a number of important discussions concerning not only philosophy and theology but also more recently fields such as social thought psychology and contemporary aesthetics especially literary theory Despite his relatively short life Kierkegaard was an extraordinarily prolific writer as attested to by the 26 volume Princeton University Press edition of all of his published writings But Kierkegaard left behind nearly as much unpublished writing most of which consists of what are called his journals and notebooks Kierkegaard has long been recognized as one of history s great journal keepers but only rather small portions of his journals and notebooks are what we usually understand by the term diaries By far the greater part of Kierkegaard s journals and notebooks consists of reflections on a myriad of subjects philosophical religious political personal Studying his journals and notebooks takes us into his workshop where we can see his entire universe of thought We can witness the genesis of his published works to be sure but we can also see whole galaxies of concepts new insights and fragments large and small of partially or almost entirely completed but unpublished works Kierkegaard s Journals and Notebooks enables us to see the thinker in dialogue with his times and with himself Kierkegaard wrote his journals in a two column format one for his initial entries and the second for the extensive marginal comments that he added later This edition of the journals reproduces this format includes several photographs of original manuscript pages and contains extensive scholarly commentary on the various entries and on the history of the manuscripts being reproduced Volume 11 Part 1 and Volume 11 Part 2 present an exciting enlightening and enormously varied treasure trove of papers that were found carefully sorted and stored by Kierkegaard himself in his apartment after his death These papers many of which have never before been published in English provide a window into many different aspects of Kierkegaard s life and creativity Volume 11 Part 1 includes items from his earliest formative years through his extensive studies at the university and up to the publication of *Either Or* These materials include Kierkegaard s studies in biblical exegesis his reading of theologians such as Schleiermacher and Baader his concern with aesthetic matters including a lengthy consideration of the Faust legend his first trial sermon delivered at the Pastoral Seminary his views on the burgeoning field of political journalism in the 1830s and a group of papers he titled *The First Rudiments of Either Or* *The Green Book* Some Particulars that were not Used

Søren Kierkegaard's Journals and Papers Søren Kierkegaard, 1975

Søren Kierkegaard Daniel W. Conway, K. E. Gover, 2002

Volume 8, Tome III: Kierkegaard's International Reception - The Near East, Asia, Australia and the Americas

Jon Stewart, 2017-05-15 Although Kierkegaard's reception was initially more or less limited to Scandinavia it has for a long time now been a highly international affair. As his writings were translated into different languages his reputation spread and he became read more and more by people increasingly distant from his native Denmark. While in Scandinavia the attack on the Church in the last years of his life became something of a cause célèbre, later many different aspects of his work became the object of serious scholarly investigation well beyond the original northern borders. As his reputation grew he was co-opted by a number of different philosophical and religious movements in different contexts throughout the world. The three tomes of this volume attempt to record the history of this reception according to national and linguistic categories. Tome III is the most geographically diverse, covering the Near East, Asia, Australia and the Americas. The section on the Near East features pioneering articles on the Kierkegaard reception in Israel, Turkey, Iran and the Arab world. The next section, dubbed Asia and Australia, features articles on the long and rich traditions of Kierkegaard research in Japan and Korea, along with the more recent ones in China and Australia. A final section is dedicated to the Americas with articles on Canada, the United States, hispanophone South America, Mexico and Brazil. *A History of Hegelianism in Golden Age Denmark, Tome III* Jon Stewart, 2025-03-28

This is the third volume of a three-volume work dedicated to exploring the influence of G. W. F. Hegel's philosophical thinking in Golden Age Denmark. The work demonstrates that the largely overlooked tradition of Danish Hegelianism played a profound and indeed constitutive role in many spheres of the Golden Age culture. This third tome covers the most exciting and dynamic time in the Danish Hegel reception, from 1842 to 1855. This heterogeneous period saw the emergence of several new figures, many of whom were associated with the left Hegelian school. This period is best known for the publication of the pseudonymous works of Søren Kierkegaard. The present tome places these famous works in the context of other contemporary Danish discussions about Hegel's philosophy. It shows that many of Kierkegaard's criticisms had been raised by other Danish thinkers before him and that a large part of his polemical campaign was aimed at the leading figures of the previous periods of the Danish Hegel reception, namely Johan Ludvig Heiberg and Hans Martensen.

Anthropology and Authority Poul Houe, Gordon Daniel Marino, Sven Hakon Rossel, 2000 This volume on anthropology and authority in the writings of Søren Kierkegaard 1813-1855 offers its reader nineteen timely discussions of two fundamental categories pertaining to the literary, philosophical and theological production of this prominent 19th-century Danish thinker whose vast influence upon 20th-century intellectual life continues to grow as the new millennium approaches. The volume's nineteen contributors from Canada, Denmark, Great Britain, Holland, Hungary, Italy and the United States inquire into such complex problematics in Kierkegaard's oeuvre as the interrelationship between the human, the divine and the spiritual; between the secular and the Christian; between human and Christian love; between state and church institutions and the single individual of faith; and between this individual's concern for quality in civic and religious life and the quantitative forces of modern society's masses and crowds. Special attention is given to the indisputable authority of God, Christ and the

apostles as opposed to the debatable authority or non authority of the author Of particular interest is the nexus between Kierkegaard's existential and religious concerns on the one hand and his intricate textual conceptions multifarious poetic strategies and various means of pseudonymous and indirect communication on the other Between the covers of *Anthropology and Authority* some chapters seek to refine received knowledge of Kierkegaard in such disciplines as theology and moral philosophy Conversely other chapters submit rather postmodern critiques of the author's stylistic and rhetorical devices A summary assessment of the nineteen contributions would fail to recognize this considerable methodological and theoretical diversity Instead the reader's access to the smorgasbord of insights has been facilitated by an introduction in which one of the American editors briefly outline the individual contributions on a general historical and intellectual background Altogether the probing insights of *Anthropology and Authority* go to the core of Søren Kierkegaard's authorship Individual chapters either update previous responses to the many challenges presented by this work or the chapters face new challenges and or present critical challenges on their own

Ethics, Love, and Faith in Kierkegaard Edward F. Mooney, 2008-07-17 *Ethics Love and Faith in Kierkegaard* collects essays from 13 leading scholars that center on key themes that characterize Kierkegaard's philosophy of religion With their unique focus on notions of the self views on the command to love one's neighbor thoughts on melancholy and despair and the articulation of religious vision the essays in this volume cover the breadth and depth of Kierkegaard's philosophical and religious writings Poised at the intersection of Kierkegaard's moral psychology and its religious significance they offer vivid testimony to the ongoing power of his unique and fervent religious spirit Students and scholars alike will find new light shed on questions that define Kierkegaard's philosophy and religion today

[Søren Kierkegaard](#), 2018 The first volume of sources and commentary devoted exclusively to Kierkegaard's spirituality

Søren Kierkegaard and the Common Man Jorgen Bukdahl, 2009-03-10 Originally published in 1961 this study challenges the stereotype of Kierkegaard as being socially aloof and politically conservative Bukdahl does a thorough job of contextualizing Kierkegaard in nineteenth century Denmark shedding light on his relationships with his family various religious groups and the leading intellectual figures of his time At the same time Kierkegaard's fundamental interest in the plight of the common man is revealed both from his writings and his social encounters In addition to crafting a fine translation Bruce Kirmmse has expanded the usefulness of Bukdahl's work by including a significant biographical introduction informative notes identifying events and figures referenced in the text and a guide pointing readers to English translations of all of Kierkegaard's writings

Søren Kierkegaard's Journals and Papers Søren Kierkegaard, 1975

Kierkegaard's Journals and Notebooks, Volume 6 Søren Kierkegaard, 2013-01-06 For over a century the Danish thinker Søren Kierkegaard 1813-55 has been at the center of a number of important discussions concerning not only philosophy and theology but also more recently fields such as social thought psychology and contemporary aesthetics especially literary theory Despite his relatively short life Kierkegaard was an extraordinarily prolific writer as attested to by

the 26 volume Princeton University Press edition of all of his published writings But Kierkegaard left behind nearly as much unpublished writing most of which consists of what are called his journals and notebooks Kierkegaard has long been recognized as one of history's great journal keepers but only rather small portions of his journals and notebooks are what we usually understand by the term diaries By far the greater part of Kierkegaard's journals and notebooks consists of reflections on a myriad of subjects philosophical religious political personal Studying his journals and notebooks takes us into his workshop where we can see his entire universe of thought We can witness the genesis of his published works to be sure but we can also see whole galaxies of concepts new insights and fragments large and small of partially or almost entirely completed but unpublished works Kierkegaard's Journals and Notebooks enables us to see the thinker in dialogue with his times and with himself Volume 6 of this 11 volume series includes four of Kierkegaard's important NB journals Journals NB11 through NB14 covering the months from early May 1849 to the beginning of 1850 At this time Denmark was coming to terms with the 1848 revolution that had replaced absolutism with popular sovereignty while the war with the German states continued and the country pondered exactly what replacing the old State Church with the Danish People's Church would mean In these journals Kierkegaard reflects at length on political and especially on ecclesiastical developments His brooding over the ongoing effects of his fight with the satirical journal Corsair continues and he also examines and re-examines the broader personal and religious significance of his broken engagement with Regine Olsen These journals also contain reflections by Kierkegaard on a number of his most important works including the two works written under his new pseudonym Anti Climacus The Sickness unto Death and Practice in Christianity and his various attempts at autobiographical explanations of his work And all the while the drumbeat of his radical critique of Christendom continues and escalates Kierkegaard wrote his journals in a two column format one for his initial entries and the second for the extensive marginal comments that he added later This edition of the journals reproduces this format includes several photographs of original manuscript pages and contains extensive scholarly commentary on the various entries and on the history of the manuscripts being reproduced

Thinking the Faith with Passion Paul L Holmer, 2013-08-29 In his teaching and his writing Paul L Holmer 1916-2004 Professor of Philosophy at the University of Minnesota 1946-1960 and Noah Porter Professor of Philosophical Theology at Yale Divinity School 1960-1987 made many important contributions to recent American theology One of the most insightful American students of Kierkegaard of his generation Holmer perceived early on Wittgenstein's importance for theology and employed both thinkers to inspire his own fresh consideration of perennial issues in philosophical theology understanding belief faith the emotions and the importance of the virtues While best known for his essays in The Grammar of Faith 1978 Holmer penned numerous other interesting and original essays some published but many unpublished which circulated widely in typescript during his tenure at Yale Following his death the Holmer family in 2005 donated his papers to the Yale Divinity School Library in reviewing Holmer's papers the editors have chosen a selection

of his most seminal essays beyond those in *The Grammar of Faith* demonstrating the breadth and range of his contributions. In this the second volume of *The Paul L. Holmer Papers* the editors present pieces that illuminate four significant areas of Holmer's contributions: essays on Kierkegaard, essays on Wittgenstein, *Theology, Understanding and Faith*, and *Emotions, Passions and Virtues*. Taken together these essays invite in depth exploration of the thought of this important American philosophical theologian. This is the second volume of *The Paul L. Holmer Papers* which includes also volume 1 *On Kierkegaard and the Truth* and volume 3 *Communicating the Faith Indirectly: Selected Sermons, Addresses and Prayers*.

Cumulative Index to Kierkegaard's Writings, 2009-09-21. The final volume of Princeton's Kierkegaard's Writings series, the Cumulative Index provides wide ranging navigation to the preceding twenty five volumes. Composed of over 90,000 entries, the Cumulative Index offers access to Kierkegaard's complex authorship and the extraordinary range of subjects he addressed in his writing. Covering the series' historical introductions, primary works, supplementary material, journal entries, and footnotes, the Cumulative Index provides a comprehensive entryway to more than 11,000 pages of text. Readers are able to survey via extended entries Kierkegaard's dual authorship, pseudonymous and signed, his numerous biblical allusions, his references to Christianity, God, and love, and his frequent use of analogies. A cumulative collation of the extensive supplementary material is also included, giving researchers and avid readers the opportunity to cross reference Kierkegaard's Writings with his journals and papers published elsewhere in both English and Danish. *Feminist Interpretations of Søren Kierkegaard*, Céline Léon, Sylvia Walsh, 2010-11-01. Even though Kierkegaard insisted on the fundamental equality of the sexes before God, his entire production is highly problematic for feminism. To a great degree this is due to his tendency to write under a pseudonym. In this collection of 14 articles, contributors take varying stands on the question of whether Kierkegaard's work was indicative of misogyny or misogamy. Topics of discussion include Kierkegaard's notion of the double nature of woman and of the silent woman, his idea of masculine indifference, and his use of irony in his critique of the feminine. Paper edition, unseen 17 95. Annotation copyrighted by Book News, Inc., Portland, OR.

Adopting the Song of Expression: An Mental Symphony within **Soren Kierkegaards Journals Papers V3**

In some sort of consumed by displays and the ceaseless chatter of instantaneous communication, the melodic splendor and emotional symphony produced by the prepared term often diminish into the backdrop, eclipsed by the persistent sound and distractions that permeate our lives. But, located within the pages of **Soren Kierkegaards Journals Papers V3** a charming fictional prize overflowing with organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that captivating masterpiece conducts viewers on a psychological trip, skillfully unraveling the hidden songs and profound influence resonating within each cautiously crafted phrase. Within the depths of the emotional analysis, we shall explore the book is main harmonies, analyze its enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
