Sorry I Havent A Clue Vol 3:

The Fully Authorised History of I'm Sorry I Haven't A Clue Jem Roberts, 2010-09-02 It s a great missing piece of the jigsaw people go on endlessly about Python and Peter Cook which is all well and good but there s basically this great corpus of work stretching for decades and consistently good A major piece of work and universally loved So says John Lloyd brains behind Blackadder QI Spitting Image and so much besides all shows with a massive debt to I m Sorry I ll Read That Again and I m Sorry I Haven t A Clue Together they form a body of work stretching across five decades from Cambridge in 1960 to today s world beating Antidote to Panel Games a laughter bringer which has inspired unparalleled adoration in millions over fifty series This book tells the whole story from Footlights to Broadway to the ferret filled madness of Radio Prune comedy s answer to the rock roll revolution of the sixties Offering an exhaustive guide to the comedy world that brought us Mornington Crescent besides episode guides glossaries and rare facsimiles Jem Roberts will take the story right up to the present day celebrating the lives of Willie Rushton Sir David Hatch and of course the irreplaceable Humphrey Lyttelton With exclusive input from the Teams plus Bill Oddie Stephen Fry Bill Bailey Neil Innes and many more this is the long overdue authoritative entertaining and above all very silly lasting celebration of an unsung comic legacy that both shows so richly deserve ABC Music Shows Volume One 1956 to 1959: Featuring Marty Wilde, Billy Fury, Cliff Richard and other artists on Jack Good's Oh Boy! Kevin Mulrennan, Following the success of my previous book which dealt with the pop show Thank Your Lucky Stars I have now decided to look at the music shows that appeared on A B C Weekend Television A B C Weekend Television catered for viewers in the Midland and the North for thirteen glorious years from 1956 to 1968 The format will be similar to my previous work I shall take a chronological view with mini biographies where appropriate trivia interesting facts pictures and opinions both my own and from the contemporary public I shall not be looking at the previous company that was called A B C that morphed into A T V Television Nor will I be looking at music shows shown on A B C but not directly produced by them Therefore shows such as Sunday Night At The London Palladium and The Jack Jackson Show will not be featured as they merit a book in their own right If a weekend is absent from the diary it probably means A B C was concentrating on sports that particular weekend In the 60 s sports such as tennis rugby league and motor racing had a high profile Sadly most of the shows mentioned here are not preserved in the archives Television was considered an ephemeral pleasure back then Preserving a show was in many cases impossible or too expensive The powerful music unions discouraged repeat showings and many shows went out live and there was no need to record them Tapes were reused on a regular basis with shows being wiped forever within a few weeks of transmission Mercifully a handful of Oh Boys survive along with a snippet of Cliff in the anniversary show The ABC of ABC A George Formby section from a 1957 Top Of The Bill has popped up on YouTube A Chas McDevitt clip featuring a very young Jean Marsh opening a door may very well come from the same show British Pathe News have lovely features on Ship Canal Showboat showing the likes of Thora Hird rehearsing in Manchester in 1956 as well as a

feature on Holiday Town Parade A few Sunday Breaks exist Sadly I could find nothing from programmes such as Bid For Fame Top Numbers After Hours and many more great shows Writing this book really struck me how viewing habits have changed over the decades Television was on just two channels Daytime shows were rare and television ended before midnight Televisions were expensive Shows tended to be on at exactly the same time each week to build up audience figures But some things never change Even back then some people moaned at the quality of the shows and were fed up of seeing the same stars week in week out Hopefully you will gain more pleasure reading the book than those killjoys **UniVerse**
