Sorting Out Billy:

Sorting Out Billy Jo Brand, 2010-03-04 Billy is a lad He s a laugh he s loud he behaves badly and Sarah is besotted with him But after another accident involving Billy s temper Sarah s face and a night in the A and hippie Flower s career as a stand up comic is more sit down after some nasty encounters with south London s finest hecklers Will Martha survive single motherhood on a council estate in need of a peace keeping force Will Flower find the perfect put down And will they sort out Billy before he gets to them first Jo Brand tells it like it is in her darkly comic and sharply observed debut novel Paul Sheckler, 2011-04 Adventures of an Artisan Hunter David Brian Plummer, 2000-10 Account of Plummer s development as a hunter from boyhood exploits with lurcher and terrier to adulthood with many interesting digressions Includes chapters on cock fighting and bird catching cooking and eating badgers foxes and rats hawks and hawking Although Plummer often comes across as bonkers many of his apparently eccentric actions such as badger eating or covering himself with a concoction of badger grease and herbs were experiments to establish the plausibility of claims made by other writers Being perpetually surrounded by people incapable of sharing this pioneering spirit of enquiry seems the source of his restlessness and the driving force behind the hundreds of books he wrote in his lifetime This is not to say that Plummer did not have deep problems as he himself describes in Hancock s My Life with Lurchers Billy's Log Dougie Brimson, 2011-05-01 Bridget Jones s Diary for lads For Billy Ellis life is one series of disasters after another His haemorrhoids have just cost him promotion his new boss is threatening to move in next door and on the very occasions he need a condom he can t even buy a packet without almost getting arrested As if that wasn t bad enough he s suddenly woken up to the fact that he s almost thirty still single and has the looks that give a new meaning to the word average But at the end of last year as always Billy read his Log of Life and vowed to make things better And this year he succeeded Eventually Billy s Log reveals the frustrations of life for a single male and the never ending battle to understand the workings of the female mind Billy's Brainwave Ian Buttle, 2023-11-10 Eleven year old Billy Barnes lives with his parents and elder sister Julia He is usually a happy boy and spends most of his time with one of his best friends Ali Patel However Billy has a problem A big problem He was stopped by some older boys as he was on his way home from school One of them demanded protection money from Billy and made it quite clear that it was pay up or suffer the consequences Just how are Billy and Ali going to solve this problem without involving Billy s parents If he does that he runs a considerable risk of becoming a laughingstock in his class He can almost hear some of the other boys shouting Billy Barnes has to ask his mum and dad for help just like in reception class The solution is as clever as it is simple and is the start of a number of exciting adventures for Billy and Ali Susan Lena Kennedy, 2013-04-25 She thought she d escaped her past Susan is a London slum child Constricted by the rigid rules of the East End orphanage she is brought up in she escapes to dazzling streets of Soho where she is adopted by a group of prostitutes Soon enough she too is earning her living on the game When Billy Apples Rafferty a Cockney villain with a heart

of gold becomes her protector Sue swears to give up her racy life But when Billy is sent to prison she soon breaks her promise and her earthy beauty makes her one of Soho s most popular hostesses When a lucky encounter secures Susan a respectable job as a manageress of a small hotel in Devon things finally seem to be going her way But then her past catches up with her What readers are saying about SUSAN This book has everything Thank you Lena Kennedy for a great read 5 STARS I could not put it down it was such a good read 5 STARS Great as always 5 STARS Lena Kennedy at her best 5 STARS Loved it from start to finish 5 STARS

The Ordinance Phillip Gaustad,2006-05 A boy and girl struggle to escape the moral squalor of their surroundings The challenge could they find authentic goodness in themselves and each other The Ordinance was the name of one of the first post World War II housing projects established for returning veterans and their families For some it was a lifestyle as short and transitory as a refugee camp Others however were mired for years in apartments with paper thin walls and communal baths True privacy didn t exist Young girls spied on and lusted after by grown men learned about sex long before they became teenagers In this squalid environment Jesse and Retta were drawn to each other the moment they met The question was whether they would have enough moral spiritual and sheer physical stamina to withstand such horrors as rape
