

Soul Bared

Jeffery Farnol

Soul Bared:

Soul Bared David L. Oakford, 2004 David Oakford's experience on The Other Side of death's curtain is real, valid and profound. Although drugs were the initial trigger for what he went through and clearly the evidence for drug effects color the first part of his episode and the beginnings of the second part, what happened next was a full-blown ascended state that had a significant impact on him. Near-death experiences are not magic nor do they produce saints. And we can thank David for revealing this for baring his soul. From the struggles and depression that followed, there emerged a truly changed man who knew positively that there is more to life than we are taught and more to God's Greater Plan for us than we might imagine.

More Musings William Russell Hardick II, 2013-04-26 More Musings is William Russell Hardick's second book, but the content is the same as Musings of an Old Warrior, though many of the poems are derived from personal experiences, many are from other people's experiences, and his visions of what the future holds and has already begun to occur in this world. Russell writes about love, loss, and the significance of war. What Russell tells us is not just a depiction of the outlook but warnings to the younger generation to take caution and to realize for themselves that these occurrences are happening in real time, basically detailing reality. Russell also represents each individual's sojourn.

Comparative Criticism: Volume 12, Representations of the Self E. S. Shaffer, 1990-09-27 This volume explores a theme that has become central in our time as the death of God is widely seen to be succeeded by the death of Man. Our contributors set forth its urgency in a variety of contexts. Among these, Peter Stern gives the paradigmatic history of the bereft, damaged, and repudiated self in German philosophy and literature from Kleist to Ernst Jünger. In "Not I," Michael Edwards pursues the theological and psychological consequences of a self without substance. Peter France supplies a witty account of the marriage of self and commerce more at home in the eighteenth-century tradition of British empiricism and the challenge of Rousseau's refusal of the terms of commerce. Raman Selden explores views of the self from the Romantics to the poststructuralists. Roger Cardinal probes the secret diary as the genre of a contradiction in terms. Stephen Bann explores the representations of Narcissus in recent psychoanalytic theory. Other contributors include Pierre Dupuy, David James, Julie Scott, Meisami, Gregory Blue, Mark Ogden, and A. D. Nuttall.

Sir John Dering Jeffery Farnol, 2022-08-21 In Sir John Dering, Jeffery Farnol crafts a captivating tale set in the Elizabethan era, weaving together themes of honor, adventure, and romance with his signature lyrical prose. The narrative follows the bold and chivalrous Sir John Dering, who is portrayed as a quintessential hero navigating a world rife with political intrigue and personal trials. Farnol's evocative descriptions not only bring the historical setting to life but also imbue the text with a sense of nostalgia for a bygone age filled with gallant knights and noble pursuits. The book reflects Farnol's deep appreciation for medieval chivalric ideals, which resonate through its exciting plot twists and richly drawn characters. Jeffery Farnol, a renowned British author, is celebrated for his mastery of historical fiction and adventure narratives. His experiences as a stage designer and his profound interest in history significantly influenced his

writing style often characterized by vivid imagery and intricate plotting Farnol's passion for the romanticized past is evident in Sir John Dering where he infuses his storytelling with an appreciation for the heroic virtues and moral complexities of his characters Sir John Dering is a must read for enthusiasts of historical fiction and adventure as it encapsulates the essence of heroism in a turbulent world Farnol's ability to blend historical accuracy with imaginative storytelling invites readers to lose themselves in a richly crafted narrative making it an enduring addition to the canon of literature worthy of exploration

Black Fire—This Time, Volume 2 Derrick Harriell, Kofi Antwi, 2024-06-17 In this follow up volume in the Black Fire This Time series over seventy five poets and writers come together on the ongoing theme of Black is Beautiful Black is Powerful Black is Home Works ranging from poetry fiction essays and drama cover a wide range of Black literature This continuum of writing as coined by Volume 1 editor Kim McMillon brings together legends of the Black Arts era with contemporary writers in the tradition This edition includes a hallmark work from the Black Arts era We Own the Night by playwright and one of the last living legends Jimmy Garrett Volume 2 of Black Fire This Time will educate and inspire the next generation

The Heart and the Fountain Joseph Dan,2002-04-18

Joseph Dan is one of the world s leading authorities on Jewish mysticism In this superb anthology Dan not only presents illuminating excerpts from the most important mystical texts but also delves into the very meaning of mysticism itself Dan takes readers through the historical development of Jewish mysticism from late antiquity to the modern period He explores the Kabbalah the esoteric tradition that delves into the secrets delivered by God to Moses on Mount Sinai the emergence of Hasidism and much more He presents the great texts from Hekhalot Rabbati The Greater Book of Divine Palaces set in the temple in Jerusalem to the apocalyptic vision of Abraham Abulafia in the thirteenth century to the Zohar perhaps the best known volume of all For each piece he offers an extended introduction that deftly places the work in the context of its time and its antecedents

Mysticism is that which cannot be expressed in words period Dan writes In this remarkable volume he guides us through that seemingly impenetrable barrier to show how the inexpressible has been expressed in some of the most profound and challenging writing in existence

The Rosary Magazine ,1912

The Poems of Paul Valéry Jan Schreiber,2021-03-19

One of the most important French poets of the twentieth century Paul Val ry 1871 1945 influenced generations of poets who came after him Major poets in England and America including T S Eliot Wallace Stevens and W H Auden agreed that he should be better known in the English speaking world However his complex and graceful writing presents daunting obstacles for the translator who must capture the motions of a subtle intellect while recreating the rhythms and rhymes that entranced the poet s French contemporaries This volume is the culmination of 50 years devoted to bringing Val ry s poems into fluent English It shows the writer to be both the supreme poet of the mind and a consummate linguistic musician Readers curious to encounter The Graveyard by the Sea will find it brilliantly rendered here along with other masterpieces in both long and short forms This is a book for every lover of language and ideas

Redmarsh rectory, a tale Nona Maria S. Bellairs,1859

Dawn's Awakening Lora Leigh, 2008-02-05 New in the sexy paranormal series that put Lora Leigh on the bestseller lists Leigh draws readers into her stories and takes them on a sensual roller coaster An erotic thrill ride about genetically altered Breeds with feline DNA and the humans who arouse their lust The runt of the lab she was created in Dawn Daniels endured years of torture by her pride brother and the council soldiers Finally freed from her torment she s now a Breed Enforcer in control of her own life Until she s assigned to protect the one man destined to be her mate and realizes it s far too easy to lose total control

John O' Dreams L. J. Dickinson, 1915 Six Lectures on Great Men Frederic Myers, 1848 **America in Vietnam** Guenter Lewy, 1978 Based on a variety of classified military records Lewy provides the first systematic analysis of the course of the Vietnam War the reasons for the failure of American strategy and tactics and the causes of the final collapse of South Vietnam

Wallowing in Sex Elana Levine, 2007-01-09 A cultural history of sexual content in television shows and TV advertising during the 1970s
