Michaels,Christina Twomey,2021-04-08 Is Trauma a transhistorical transnational phenomenon Gender and Trauma challenges the standard history that has led to our contemporary understanding of psychological trauma to answer this question and to explore the impact of gender in the experience and understanding of emotional distress Bringing together eleven case studies from all over the world it draws on methods from history gender and communication studies to consider how trauma has been understood over the 20th and 21st centuries Encompassing histories from Australia Britain Indonesia Italy the Soviet Union Timor Leste the United States and Vietnam these examples demonstrate how gender and trauma are inextricably linked and how the term trauma has evolved over time With chapters on war political repression displacement rape and childbirth the cases showcased in this volume highlight two pivotal transformations across the 20th century First the transformation of the trauma sufferer from perpetrator to victim and second the increased understanding of psychological consequences of sexual assault and domestic

violence Together these diverse stories yield a more nuanced picture of what trauma is how we have understood it alongside gender in the past and how this affects our understanding of it in the present

Coleman,2025-05-01 Suddenly popular music resembles an alien landscape The great common ground of 45s LPs and even compact discs is rapidly falling by the wayside to be replaced by binary bits of sound In the 21st century radical advances in music technology threaten to overshadow the music itself Indeed today the generations divide over how they listen to the music not what kinds of music they enjoy Playback is the first book to place the staggering history of sound reproduction within its larger social and cultural context Concisely told via a narrative arc that begins with Edison s cylinder and ends with digital music this is a history that we have all directly experienced in one way or another From the Victrola to the 78 to the 45 to the 33 1 3 to the 8track to the cassette to the compact disc to MP3 and beyond not to mention everyone from Thomas Edison to Enrico Caruso to Dick Clark to Grandmaster Flash to Napster CEO Shawn Fanning the story of Playback is also the story of music and the music business in the 20th century **The Radio Format Conundrum** Edd Routt,James B.

Knowing God's Will: Don't "Just Do Something" Roger Ball, 2024-09-30 What does it mean to be Spirit led Does God speak to people as many evangelicals claim Can His will for our lives be discerned through subjective promptings leadings or signs Many Christians profess that God communicates or speaks to them and reveals His will for their choices and actions But is this experience genuine Is it biblically sound to pursue this so called dynamic personal relationship with God or to expect such individualized guidance This book exposes the half truths of those who believe God has no intention of revealing His hidden will to anyone instead they recommend we just do something Find out what it really means to live within the spiritual reality hear God's voice and heed His direction in all areas of life Of Sin and Suffering Roger Ball, 2023-08-30 Over 500 inspiring quotes from Christians and non Christians alike There is no easier way to gain exposure knowledge and wisdom more quickly than by reading the quotes of some of the best writers of yesterday and today Focusing on the themes of sin and suffering from a Christian perspective employ your time in improving yourself by other men's writings so that you shall gain easily what others have labored hard for Socrates **God's Existence Proven in 15 Minutes** Roger Ball, 2023-08-30 Who made who Did we create God or did He create us Can God's existence really be proven Could other explanations be equally plausible In the New Testament we find the claim that God has clearly made Himself known to mankind through the created order and that all are without excuse Romans 1 19 20 But how far can we take this Has God really proven His own existence Can we know that He exists with absolute certainty Does this also mean that no other explanations are possible In easy to understand language this brief eye opening essay demonstrates that the existence of God the Christian God can be proven with certainty
