Christian D. Kettler,2010-09-01 Why is theology often divorced from ministry Why is ministry left bereft of a robust theology Ray S Anderson a professor at Fuller Theological Seminary for over thirty years has left a legacy of provocative reflections on these questions In this book Christian Kettler provides a sure guide to major themes in the work of one of the most creative theological minds to have sought to integrate theology and ministry Early experience on a South Dakota farm and in a California parish helped form the theologian whose radical incarnational theology of the kenotic community provided a new basis for a broader risk taking ecclesiology Anderson also brought theological anthropology to the front of the agenda and therefore into ministry to actual hurting human persons His challenging theological reflections can provoke the mind stir the heart and guide compassionate and wise incarnational ministry Each chapter ends with a case study from an actual life situation to test out and work through the implications of Anderson s theology The God Who Believes Christian D.

Kettler,2005-09-01 How does one deal with doubt Are faith and doubt irreconcilable Does one s understanding of God affect the answers to these questions Christian Kettler investigates these questions from a christological perspective drawing implications from the Scottish theologian T F Torrance and his doctrine of the vicarious humanity of Christ If we take the humanity of Christ seriously should we not speak of the faith of Jesus as a vicarious faith believing for us and in our place when it is difficult if not impossible to believe How Christians know God Jesus Knows God for Us and in Our Place who God is Who is the God Whom Jesus Knows and how to believe in God in a world of suffering and evil Providence Evil Suffering and the God Who Believes receive new insight in light of this christological exploration Wendell Berry s poignant novel of a humble country barber Jayber Crow adds an incarnational context to a discussion with important pastoral and existential dimensions In the vicarious faith of Christ we are not left as James Torrance cautions us to be thrown back upon ourselves but called to participate by the Spirit in the faith of Jesus **Ecclesial Leadership as Friendship** Chloe Lynch,2019-03-01

When it comes to talking about the activity of directing the church the language of leadership and leaders is increasingly popular Yet what is leadership and how might theological narratives better resource the discourse and practice of leadership in ecclesial contexts In identifying and critiquing managerialism as a dominant narrative of leadership in the Western church this book calls for an alternative approach founded on the concept of friendship Engaging with the wider field of leadership studies the book establishes an understanding of leadership activity and brings it into conversation with an incarnational ecclesiology The result is a prophetic reimagining of ecclesial leadership in terms of a relational kenotic praxis This praxis of mutuality and love is framed here in the rich language of Christian friendship The book also wrestles deeply with the embodiment of such a praxis making explicit the power behaviours typical of friendship leadership and offering constructive guidance for practitioners in the task of implementation within a complex and fractured world This book offers a new vision

of the centrality of friendship to leadership of a healthy church community As such it will be of great use to scholars of practical theology ecclesiology and leadership as well as practitioners in church ministry **The God Who Rejoices** Christian D. Kettler, 2010-06-01 How does one deal with despair Are joy and despair irreconcilable How does the joy and despair of Jesus Christ relate to our joy and despair Continuing to explore the implications of the vicarious humanity of Christ as he did in *The God Who Believes* Christian Kettler investigates the christological implications of the all too human phenomenon of despair All people experience the pain of personal loss and lack of the meaningfulness of existence We also desire and covet joy as difficult as it is often to define or maintain Jesus was both the man of sorrows and one who for the joy set before him endured the cross Heb 12 2 Can we think of the despair of Christ and the joy of Christ as both being vicarious in our place and on our behalf and thus have a theological way to possess joy in the midst of despair as well as to have a more robust theology of the atonement Drawing on wide ranging resources from Augustine Calvin Karl Barth and T F Torrance to Bob Dylan the fantasy writer Ray Bradbury and Ed Wood the director of *Plan Nine from Outer Space* Kettler seeks to bring Trinitarian and incarnational theology deep into our flesh filled with real despair and joy and find that Jesus is there with his own despair there to lift us up with his own joy **The Shape of Practical Theology** Ray S. Anderson, 2025-08-14 Too often in the life of the church theological reflection and the practical matters of leading and serving have been considered independently The result has been the impoverishment of both Christian faith and Christian practice In this groundbreaking book Ray Anderson reflects theologically and practically on preaching worship ethics social justice therapy family homosexuality burnout in ministry reconciliation in relationships and theological education itself The result is *The Shape of Practical Theology* a new and renewing foundation for engaging in Christian ministry Anderson lays out his threefold goal as follows to define more clearly the shape of practical theology as truly a theological enterprise rather than mere mastery of skills and methods to demonstrate the praxis of practical theology as critical engagement with the interface between the word of God as revealed through Scripture and the work of God taking place in and through the church in the world to deal with practical pastoral theology from the perspective of those who are on the field of play of life and ministry where preaching counseling and teaching does affect for many persons the outcome of the game Illuminated by stimulating discussion and helpful case studies *The Shape of Practical Theology* is aimed at seminary students at Christian educators and at working pastors and counselors Anderson s work fascinating and fruitful brings together the Word of God with the Spirit of God in the ever changing context of real life ministry **On Being Christian and Human** Todd H. Speidell, 2002-04-17 In the tradition of Karl Barth T F and J B Torrance and Ray Anderson this collection of essays articulates a theology of ministry based on the humanity of Christ A Christian theology of ministry it insists can be nothing less than a theology for humanity *T&T Clark Handbook of Thomas F. Torrance* Paul D. Molnar, Myk Habets, 2020-02-20 This handbook explores Thomas F Torrance s importance in modern theology with each contribution bringing Torrance s deep and nuanced insights

to a broad range of contemporary theological concerns The contributors to this volume present cutting edge Torrance scholarship for a new generation which will enable readers to see the timely significance of Torrance for today Comprising both contexts and dogmatics these essays not only introduce key themes in Torrance s extensive published writings including his work on the Trinity ecumenism incarnation atonement and eschatology but also provide fresh interpretations fully conversant with theological problems facing the church in the world today Designed as both a guide for students and a reference point for scholars this handbook thoroughly explores the frameworks of key debates related to Torrance s theology while also suggesting fresh interpretative strategies concerning his thought **Soulprints** Ray S.
