World War Events, Vol. II Allen L. Churchill,2016-10-29 The Battle of Verdun which continued through from February 21 1916 to the 16th of December ranks next to the Battle of the Marne as the greatest drama of the world war Like the Marne it represents the checkmate of a supreme effort on the part of the Germans to end the war swiftly by a thunderstroke It surpasses the Battle of the Marne by the length of the struggle the fury with which it was carried on the huge scale of the operations No complete analysis of it however has yet been published only fragmentary accounts dealing with the beginning or with mere episodes Neither in France nor in Germany up to the present moment has the whole story of the battle been told describing its vicissitudes and following step by step the development of the stirring drama That is the task I have set myself here

World's War Events, Vol. II Francis J. Reynolds,2016-09-18 World s War Events Vol II by Francis J Reynolds offers a captivating exploration of World War I through a series of meticulously curated stories that bring history to life The anthology s centerpiece The Story of the Great War Eye Witness Accounts of World War I published by P F Collier Son Company delivers an extraordinary perspective on the epic battles and significant events of the First World War This collection compiled by eminent historians and statesmen immerses readers in the raw intensity of the Great War Experience the harrowing Battle of Verdun and the strategic naval confrontation at Jutland Bank through vivid narratives that highlight pivotal moments in history President Woodrow Wilson s impactful war speeches are included offering context to America s strategic entry into the conflict while personal narratives from soldiers and civilians alike provide a poignant look at the human cost of war As the world marks the centennial anniversaries of these historic battles this anthology remains a crucial resource for understanding the complexities and lasting impact of World War I By offering an unparalleled

Berquist,2010-09-20 Home educator Laura Berquist presents a modern curriculum based on the time tested philosophy of the classical Trivium grammar logic and rhetoric She has given homeschoolers a valuable tool for putting together a liberal arts curriculum that feeds the soul as well as the intellect Her approach covering grades K 12 is detailed and practical and it is adaptable by parents and teachers to any situation This third revised edition includes a much expanded section for a high school curriculum and an updated list of resources for all grades *Tango And The Political Economy Of Passion*

Marta Savigliano,2018-02-06 What is tango Dance music and lyrics of course but also a philosophy a strategy a commodity even a disease This book explores the politics of tango tracing tango s travels from the brothels of Buenos Aires to the cabarets of Paris and the shako dansu clubs of Tokyo The author is an Argentinean political theorist and a dance professor at the University of California at Riverside She uses her tango tongue to tell interwoven tales of sexuality gender race class and national identity Along the way she unravels relations between machismo and colonialism postmodernism and patriarchy exoticism and commodification In the end she arrives at a discourse on decolonization as intellectual unlearning Marta Savigliano s voice is highly personal and political Her account is at once about the exoticization of tango and about her own fate as a Third World woman intellectual A few sentences from the preface are indicative Tango is my womb and my tongue a trench where I can shelter and resist the colonial invitations to universalism a stubborn fatalist mood when technocrats and theorists offer optimistic and seriously revised versions of alternatives for the Third World an opportunistic metaphor to talk about myself and my stories as a success of the civilization development colonization of Am ca Latina and a strategy to figure out through the history of the tango a hooked up story of people like myself Tango is my changing resourceful source of identity And because I am where I am outside tango hurts and comforts me Tango is a sad thought that can be danced Savigliano employs the tools of ethnography history body movement analysis and political economy Well illustrated with drawings and photos dating back to the 1880s this book is highly readable entertaining and provocative It is sure to be recognized as an important contribution in the fields of cultural studies performance studies decolonization and women of color feminism The Origins of the Arts Council Movement

managers arts advocates cultural policymakers and anyone interested in the history and current moment of public arts funding in the West **Spaces of Heart** Durlabh Singh, **The United States and the Origins of the Cuban Revolution** Jules R. Benjamin, 1990 Jules Benjamin argues convincingly that modern conflicts between Cuba and the United States stem from a long history of U S hegemony and Cuban resistance He shows what difficulties the smaller country encountered because of U S efforts first to make it part of an empire of liberty and later to dominate it by economic methods and he analyzes the kind of misreading of ardent nationalism that continues to plague U S policymaking
