Sound Of My Daughters Voice Parenting From Birth To The Empty Nest:

The Sound of My Daughter's Voice Wayne Hastings, 2000 As their children grow parents must adapt and change their role and relationship with their kids It s not easy but here s a practical tool to help Drawing from his own personal experiences Wayne Hastings shares the essential steps to developing children into the people God wants them to be from the day they arrive to the day they leave home Helps parents understand their changing roles with growing children Encourages parents to help their kids be their best Addresses birth infancy school stages engagement and more Written in a warm parent to parent tone **Baby's Guide** ,2000-06 A packet of resources for your nursery ministry to help you bring support to parents of newborns in your church **Advice from the Empty Nest** Will Kuchta Ed.D.,2024-07-18 Advice from the Empty Nest is meant to do just what it says provide advice The perspective is that of an older person admittedly traditional in nature speaking to people in their 30s who are about to embark on marriage or partnership possibly having children and raising them While traditional in setting the advice can serve well anyone who is coupling and moving forward in a familial environment The advice is not given in a parental fashion as that might be perceived as officious but more avuncular in nature The style of the book is conversational a little off hand and homespun somewhat in the style of Bill Bryson but nowhere near as detailed and occasionally humorous Chapter topics are purposely short and eclectic ranging from Buy a Good Can Opener to Disney World When to Go and Other Tips and How to Pick a Home a Neighborhood a Community to more thoughtful pieces as in I Love You I Gave Away My Train Set Today Love Never Dies Too Nice a Day to Die and Should I Go Back to Church Almost all chapters blend practical advice with a philosophical rationale setting a framework for decision making on the topic some even with questions to ask Rarely is advice given as to what specific decision is to be made rather the advice focuses on what the decision means to the reader and urges the reader to think carefully about the real impact of the decision Chapter topics are almost randomly positioned but purposely alternating between minor more casual topics and others that are more serious and thoughtful This is a non linear book that can be picked up and read in short intervals and in any order The reader might just need one particular chapter and once reading or at least scanning the book it can be used as a reference tool when needed The book is not meant to be read only one time just for enjoyment or to kill time in the airport In fact it is meant to be kept and used and passed along It is a book that Martha Stewart or the Today Show could recommend and would be a great gift This is an enjoyable book to read and one that will provide help and value for years to come **Pathway to Freedom** Gloria J. Kelsey,2022-11-30 Gloria Kelsey has experienced several traumatic events in her life including a near death experience at birth an abusive and toxic marriage and the death of her two children Walking through the chapters of her life you will discover how unresolved trauma built strongholds of insecurity fear and rejection within her soul Agreeing with an oath of secrecy and suppressing negative emotions caused physical and psychological distress blocking the healthy flow of energy within her body and creating an environment for disease to exist and develop As

Gloria travelled the healing path she learned that many diseases originate from traumatic situations and that emotional memories from painful events were stored in her brain and at the cellular level of her body along with the anger grief and stress associated with those events Living in a toxic marriage caused Gloria to come into agreement with a casualty covenant that brought reality into being negating God s Word and impeding her body s ability to heal As she allowed the Lord to navigate her through the healing process by dealing with the roots fruit and effects of emotional and psychological trauma the ticking bomb of unprocessed trauma was diffused The Lord brought healing to her spirit soul and body giving her the freedom to cross over Jordan and come into her divinely appointed destiny **The Empty Nest** Karen Stabiner,2016-02-02
