C.J. Ellicott Charles John Ellicott (bp. of Gloucester),1884 *Probing Our Judeo-Christian Inheritance (For Freethinkers)*
Max Burnett,2016-04-12 We are living in the end age of Christianity as we have known it Our culture needs to be revamped and we need to question our routine yearly celebrations of Jewish recordings that are unrelated to the mythos we espouse In other words we need to change our way of thinking Author Max Burnetts Probing Our Judeo Christian Inheritance for Freethinkers is a fresh look at the core building block of Western civilization Burnett goes well beyond modern day writers who want to change and save Christianity as we have known it He clarifies what Christianity could have been and challenges recent books on zealotry Burnett calls for a revival of the effort to discover the esoteric significance of our Jewish inheritance and to appreciate the allegorical method of Bible interpretation Youll discover a completely new interpretation of the Testaments from alpha to omega Probing Our Judeo Christian Inheritance for Freethinkers is a controversial work that challenges all traditional and orthodox interpretations It will be appreciated by the genuine freethinker and any person craving a greater understanding of the ancients original message *Tenacious Solidarity* Walter Brueggemann,2018-11-01
Tenacious Solidarity features essays and new writings from 2014 to 2018 As all of Walter Brueggemann s writing is the chapters are deeply biblical while also concerned with the identities practices and obligations of religious communities in contemporary contexts within the United States Brueggemann consistently attempts to weave the biblical texts vested as they are with the authority of a storyteller into the deep contours of his readers experiences in order to foster a tenacious solidarity that might overcome both the psychic numbness cultivated by a 24 hour news cycle as well as the anxious possessiveness nurtured by so many privatized spiritualities Brueggemann brings the transformative potential of the biblical texts to bear on critical contemporary contexts including but not limited to economic disparities racial injustice and white supremacy climate and care for creation and the power of memory and mentoring He delves deeply in the Psalms which he says provides a foundational script for living into the fullest and deepest realities of human existence And he draws from the Prophets his foundational concept of totalism which he defines as automated fragmentation of social life such that we habitually and callously disregard our relations with others **The Holy Bible ... with Notes ... All the Marginal Readings ... Summaries ... and the Date of Every Transaction ... By the Rev. Joseph Benson. Second Edition ,1818**
Thoughts, Critical and Practical, on the Book of Revelation Uriah Smith,1881 *The Unsealed Bible* George Chainey,1902 *The Unsealed Bible; Or, Revelation Revealed Disclosing the Mysteries of Life and Death* George Chainey,1902 *Lying, Truthtelling, and Storytelling in Children's and Young Adult Literature* Anita Tarr,2023-12-20 Even though we instruct our children not to lie the truth is that lying is a fundamental part of children s development socially cognitively emotionally morally Lying can sometimes be more compassionate than telling the truth even more ethical Reading specific children s books can instruct child readers how to be guided by an etiquette of lying to know when to tell the truth and when to lie Equally important these stories can help prevent them from being prey to those liars who are intent on taking

advantage of them. Becoming a critical reader requires that one learn how to lie judiciously as well as to see through others' lies. When humans first began to speak we began to lie. When we began to lie we started telling stories. This is the paradox that in order to tell truthful stories we must be good liars. Novels about child artists showcased here illustrate how the protagonist embraces this paradox, accepting the stigma that a writer is a liar who tells the truth. Emily Dickinson's phrase "tell it slant" best expresses the vision of how writers for children and young adults negotiate the conundrum of both protecting child readers and teaching them to protect themselves. This volume explores the pervasiveness of lying as well as the necessity for lying in our society, the origins of lying as connected to language acquisition, the realization that storytelling is both lying and truth-telling, and the negotiations child artists must process in order to grasp the paradox that to become storytellers they must become expert liars and lie detectors.
