Sweet On My Lips The Love Poems Of Mir:

Poems Christopher Morley,1929 **Felâtun Bey and Râkim Efendi** Ahmet Mithat Efendi,2016-03-14 Ahmet Midhat Efendi's famous 1875 novel *Fel tun Bey and R kim Efendi* takes place in late nineteenth century Istanbul and follows the lives of two young men who come from radically different backgrounds R kim Efendi is an erudite self made man one who is ambitious and cultivated enough to mingle with a European crowd In contrast Fel tun Bey is a spendthrift who lacks intellectual curiosity and a strong work ethic Squandering his wealth and education he leads a life of decadence The novel traces R kim and Fel tun's relationships with multiple characters charting their romances and passions as well as their foibles and amusing mishaps as they struggle to find and follow their own path through the many temptations and traps of European culture The author creates a rich portrait of stratified Ottoman life through a diverse and colorful cast of characters from a French piano teacher and an Arab nanny to a Circassian slave girl each deftly navigating the shifting mores of their social class Written during the Ottoman Empire's uneasy transition to modernity the novel's protagonists embody both the best and worst elements of two worlds European and Ottoman The novel provides readers with an elegant yet powerful appeal for progressive reforms and individual freedoms Levi and Ringer's fluid translation of this Ottoman classic stands as a landmark in the history of Turkish literature in translation

A Concordance to the Poems of Robert of Robert Herrick , A Concordance to the Poems of Robert Herrick , *Poems from the Divan of Hafiz, Firdawsî, and Omar Khayyam* Various Authors,1928-01-01 Shemsuddin Mahommed better known by his poetical surname of Hafiz was born in Shiraz in the early part of the fourteenth century His names being interpreted signify the Sun of the Faith the Praiseworthy and One who can recite the Koran he is further known to his compatriots under the titles of the Tongue of the Hidden and the Interpreter of Secrets The better part of his life was spent in Shiraz and he died in that city towards the close of the century The exact date either of his birth or of his death is unknown He fell upon turbulent times His delicate love songs were chanted to the rude accompaniment of the clash of arms and his dreams must have been interrupted often enough by the nip of famine in a beleaguered town the inrush of conquerors and the flight of the defeated The history of Persia in the fourteenth century is exceedingly confused Beyond a succession of wars and turmoils there is little to be learnt concerning the political conditions under which Hafiz lived Fifty years before the birth of the poet Hulagu a grandson of the great Tartar invader Chinghis Khan had conquered Baghdad putting to death the last of the Abbaside Khalifs and extinguishing the direct line of the race that had ruled over Persia since 750 For the next 200 years there is indeed a branch of the family of Abbas living in Cairo members of which were set up as Khalifs by the Mamluk Sultans of Egypt but they were destitute of any real authority and their position was that of dependants in the Mamluk court The sons and grandsons of Hulagu succeeded him as lords of Persia and Mesopotamia paying a nominal allegiance to the Great Khan of the Mongols in Cambalec or Pekin but for all practical purposes independent and the different provinces of their empire were administered

by governors in their name About the time of the birth of Hafiz that is to say in the beginning of the fourteenth century a certain Mahmud Shah Inju was governing the province of Fars of which Shiraz is the capital in the name of Abu Said the last of the direct descendants of Hulagu On the death of Mahmud Shah Abu Said appointed Sheikh Hussein ibn Juban to the governorship of Fars a lucrative and much coveted post Sheikh Hussein took the precaution of ordering the three sons of Mahmud Shah to be seized and imprisoned but while they were passing through the streets of Shiraz in the hands of their captors their mother who accompanied them lifted her veil and made a touching appeal to the people calling upon them to remember the benefits they had received from their late ruler the father of the three boys Her words took instant effect the inhabitants rose released her and her sons and drove Sheikh Hussein into exile He however returned with an army supplied by Abu Said and induced Shiraz to submit again to his rule In 1335 a year or two after these events Abu Said died and the power of the house of Hulagu crumbled away There followed a long period of anarchy which was brought to an end when Oweis another descendant of Hulagu seized the throne He and his son Ahmed reigned in Baghdad until Ahmed was driven out by the invading army of Timur But during the years of anarchy the authority of the Sultan of Baghdad had been considerably curtailed On Abu Said's death Abu Ishac one of the three sons of Mahmud Shah Inju who had so narrowly escaped from the hands of Sheikh Hussein took possession of Shiraz and Isfahan finally ousting his old enemy while Mahommed ibn Muzaffar who had earned a name for valour in the service of Abu Said made himself master of Yezd From this time onward the governors of the Persian provinces seem to have given a nominal allegiance now to the Sultan of Baghdad now to the more distant Khalif The position of Shiraz between Baghdad and Cairo must have resembled that of Venice between Rome and Constantinople and like Venice she was obedient to neither lord Abu Ishac had not steered his bark into quiet waters In 1340 Shiraz was besieged and taken by a rival Atabeg and the son of Mahmud Shah was obliged to content himself with Isfahan But in the following year he returned captured Shiraz by a stratagem and again established himself as ruler over all Fars The remaining years of his reign are chiefly occupied with military expeditions against Yezd where Mahommed ibn Muzaffar and his sons were building up a formidable power In 1352 determined to put an end to these attacks Mahommed marched into Fars and laid siege to Shiraz Abu Ishac whose life was one of perpetual dissipation redoubled his orgies in the face of danger Uncertain of the fidelity of the people of Shiraz he put to death all the inhabitants of two quarters of the town and contemplated insuring himself of a third quarter in a similar manner But these measures did not lead to the desired results The chief of the threatened quarter got wind of the King's design and delivered up the keys of his gate to Shah Shudja son of Mahommed ibn Muzaffar and Abu Ishac was obliged to seek refuge a second time in Isfahan Four years later in 1357 he was given up to Mahommed who sent him to Shiraz and with a fine sense of dramatic fitness had him beheaded in an open space before the ruins of Persepolis

Shakspeare's Werke: Pericles ; Poems. Biographische nachrichten William Shakespeare, 1860 German Song Onstage Natasha Loges, Laura Tunbridge, 2020-05-05 A singer in an

evening dress a grand piano A modest sized audience mostly well dressed and silver haired equipped with translation booklets A program consisting entirely of songs by one or two composers This is the way of the Lieder recital these days While it might seem that this style of performance is a long standing tradition German Song Onstage demonstrates that it is not For much of the 19th century the songs of Beethoven Schubert Schumann and Brahms were heard in the home salon and no less significantly on the concert platform alongside orchestral and choral works A dedicated program was rare a dedicated audience even more so The Lied was a genre with both more private and more public associations than is commonly recalled The contributors to this volume explore a broad range of venues singers and audiences in distinct places and time periods including the United States the United Kingdom Russia and Germany from the mid 19th century through the early 20th century These historical case studies are set alongside reflections from a selection of today's leading musicians offering insights on current Lied practices that will inform future generations of performers scholars and connoisseurs Together these case studies unsettle narrow and elitist assumptions about what it meant and still means to present German song onstage by providing a transnational picture of historical Lieder performance and opening up discussions about the relationship between history and performance today
