Freedom and Imagination S. D. Giere, 2023-05-16 We suffer today from a crisis not of confidence but of trust With the constant barrage of lies untruths and alternative facts all words are dubious all deeds are debatable and all motives are suspect To tell the truth in such a world requires fortitude To believe the truth demands even more In *Freedom and Imagination* S D Giere recovers the idea of faith as trust and of faith in Christ as trusting what God has done through him Tending to faith is like tending to the heart and thereby the health of the whole By trusting Christ one is free to live without the fear of sin and death free to live in love toward the friend the neighbor and even the enemy Faith reveals the cosmos as it is a world reconciled to the Triune God Yet that freedom frequently conflicts with experience Only faith can bend the imagination towards seeing the world in and through Christ *Freedom and Imagination* recovers faith as the theological heart of the human being s participation in the life of God and imagination as faith s interpretive lens Three areas of ministry and life are explored through the imagination of faith biblical interpretation proclamation and Christian freedom
