Tim O'Connell, 2021-04-19 In our journey as believers there will be times when we will be confronted with life altering decisions When we stand at that crossroad what choice will we make Will it be man's way or God's Way That is the essence of the message of Two Paths The Lord is pleading with His church to hear what the Spirit is saying in this hour are we hearing are we discerning and are we responding May the Lord help us to be among those who are not only Called but also Chosen and found Faithful as we navigate through God's Pathways of Life      *The Gaithers and Southern Gospel* Ryan P. Harper, 2017-04-26 In *The Gaithers and Southern Gospel* Ryan P Harper examines songwriters Bill and Gloria Gaither's Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed all Christian and much secular popular music on the American music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity      **Pillar of Fire**, 1924      **Providence** Scotty Strickland, 2018-06-13 *Providence* is a story about two families brought together by the marriage of their son and daughter A bond so strong that the families almost come together as one just like the couple In the face of the very best of times and the very worst of times in the darkest and in the brightest of times you will be amazed by the constant presence of God It is the writer's hope that this book will stir all your human emotions That it will make you cry tears of sorrow and tears of joy That it will make you mad and glad but mostly it will leave you saying Wow      **The Ten-Foot Chain** Max Brand, Achmed Abdullah, E.K.
