play will be repetitious If change is what we want then we must rewrite the script The Bible states it is done unto us as we believe How complicated is that Take inventory check out what the mind is inwardly telling you and without doubt you will know precisely what you believe It requires us to be fully present with ourselves like the good shepherd watching and taking care of his flock Remember it serves no one to be beaten up or put down Each day has a lifetime within itself Endless possibilities This book is designed to encourage all the readers to be their authentic self and to know that being in Love with Gods creation is not sinful

*Christliche Ethik bei Schleiermacher - Christian Ethics according to Schleiermacher* Hermann Peiter, 2010-04-09 No one is so intimately acquainted with Schleiermacher s Christian Ethics material or with the 1821 1822 first edition of his companion volume Christian Faith than Hermann Peiter The present volume is a collection of Peiter s nineteen essays and thirty reviews Extensive English summaries are offered for all this material and an English version for four of the essays Professor Peiter s summary of this volume reads as follows This book treats of praxis in the Christian life and of Christian responsibility for the world we have in common The following however forms a background for these considerations Schleiermacher reminds his Christian brethren who often deck themselves out with alien borrowed plumes from morals and metaphysics of their actual theme that of religion which he also designates as a kind or mode of faith Like Luther he also turns against both the practical misconception that considers faith itself to be a good work and the theoretical misconception that faith is a product of thinking a theory Whether a practitioner thinks to give thanks for one s own work or whether a theoretician hopes to find final fulfillment and justification in one s range of metaphysical ideas amounts to the same thing Faith is the courage to be Paul Tillich For Schleiermacher to want to have speculation thus metaphysics and praxis without religion is the nonsalutary intention of Prometheus who faintheartedly stole what he could have expected to possess in restful security If taken seriously the gods to use that pagan expression for once are that nature to which a human being belongs Each human being is their possession When one steals what the gods have one steals oneself can thank oneself for a robbery For a gift that is stolen one cannot possibly be thankful Only a pure gift awakens true joy A human being has the chance to receive the gift that one is or is not in case it is stolen not from a thief but from religion Thanks to one s birth both physical and spiritual one gains oneself and has oneself To steal means to take away to depreciate In contrast whoever has oneself from elsewhere is no longer extracted from oneself or from the one to whom one belongs
