VAGARIES OF SWING (Footprints on the Margate Sands of Time) Mac Carty,2013-05-01 The BBC TV series True Love was
the catalyst for this tale portraying various romantic encounters all set by the Margate seaside True love has many forms A
passion for cricket can also be a manifestation of love Yet it is impossible to discuss cricket with its broad themes without
reflecting on life itself I have set my story broadly in 1965 when a girl lost her life At the time her death meant little to us but
such are the vagaries of writing that the more I researched the subject the greater I became drawn in Any discussion on the
circumstances surrounding her murder led inevitably to the inclusion of another theme which I have encountered in life
violence towards women I still return to Margate regularly and regard it with deep affection It was in danger of becoming a
wasteland There are those now some famous some often unsung trying to fashion a resurgence Another form of true love
