Swiss Army: la Place de la Concorde Suisse John McPhee,1984      **La Place de la Concorde Suisse** John

McPhee,2011-04-01 La Place de la Concorde Suisse is John McPhee s rich journalistic study of the Swiss Army s role in Swiss society The Swiss Army is so quietly efficient at the art of war that the Israelis carefully patterned their own military on the Swiss model      **The Politics of Multinational States** Don MacIver,2016-07-27 The events of recent years have

demonstrated beyond doubt not only that ethnic pluralism presents major problems for the management of political systems but that it is also a major cause of their failure and disintegration This timely and topical book discusses the general issue of ethnic pluralism and considers a range of types of multi ethnic society within a common analytical framework It then examines the responses of governments to the problems of ethnic diversity and assesses the effects of ethnic conflict on the development and viability of states      Foreign Missions of an American Prosecutor John Hailman,2019-08-02 In his fifth

book John Hailman recounts the adventures and misadventures he experienced during a lifetime of international travel From Oman to Indonesia from sandstorms and food poisoning to gangsters and at least one jealous husband Hailman explores the cultures and court systems of faraway countries The international story begins in Paris as a young Hailman a student at La Sorbonne experiences the romance and excitement one expects from the City of Lights Years later Hailman returns to France to Interpol Headquarters in Lyon where he received his international law certificate from the National School for Magistrates Traveling the world as a representative for the US Justice Department Hailman encountered criminals and conspiracies including a plot in Ossetia Georgia to hijack his helicopter and kidnap him From his time as a prosecutor are tales of three very different Islamic cultures in the colorful societies and legal systems of Tunisia Algeria and Morocco Hailman also travels to the chaotic world of the former Soviet Union where at the time of his visit a new world of old countries was trying to rediscover independent pasts He explores the tiny country of Moldova and the beautiful and picturesque Republic of Georgia and visits Russia during the brief period democracy was flowering and the nation was experimenting with a new jury trial system Viewing his adventures through the lens of laws and customs Hailman is able to give unique insight to the countries he visits With each new adventure in Foreign Missions of an American Prosecutor John Hailman shares his passion for travel and his fascination with other cultures      **The Defense of Western Europe** L.H. Gann,2021-01-26 This book first

published in 1987 examines the defence forces of Western Europe and assesses Europe s capacity to defend itself as the 1980s saw the Cold War balance of power shift towards the Soviet Union Soviet forces were greatly superior to NATO s in terms of tanks artillery and combat divisions and this book analyses the NATO response and capabilities      Going Places

**The Routledge Companion to Military Research Methods** Alison J. Williams, Neil Jenkins, Rachel Woodward, Matthew F. Rech, 2016-04-28 This new handbook is about the practices of conducting research on military issues As an edited collection it brings together an extensive group of authors from a range of disciplinary perspectives whose chapters engage with the conceptual practical and political questions raised when doing military research The book considers a wide range of questions around research about on and with military organisations personnel and activities from diverse starting points across the social sciences arts and humanities Each chapter in this volume Describes the nature of the military research topic under scrutiny and explains what research practices were undertaken and why Discusses the author's

research activities addressing the nature of their engagement with their subjects and explaining how the method or approach under scrutiny was distinctive because of the military context or subject of the research. Reflects on the author's research experiences and the specific often unique negotiations with the politics and practices of military institutions and military personnel before, during, and after their research fieldwork. The book provides a focussed overview of methodological approaches to critical studies of military personnel and institutions and processes and practices of militarisation and militarism. In particular, it engages with the growth in qualitative approaches to military research, particularly research carried out on military topics outside military research institutions. The handbook provides the reader with a comprehensive guide to how critical military research is being undertaken by social scientists and humanities scholars today and sets out suggestions for future approaches to military research. This book will be of much interest to students of military studies, war and conflict studies, and research methods in general.

**Looking for a Story** Noel Rubinton, 2025-05-13 An annotated guide to the work of the Pulitzer Prize winning writer, teacher, and pioneer of creative nonfiction, John McPhee, has been a staff writer for *The New Yorker* since 1965 and has written more than thirty acclaimed books that began on the magazine's pages. But few readers know or fully appreciate the true breadth of his writing. *Looking for a Story* is a complete reader's guide to McPhee's vast published work, documenting much rarely seen or connected with McPhee, including remarkable early writing for *Time* magazine published without his name. In chronicling McPhee's career, where he broke ground applying devices long associated with fiction to the literature of fact, Noel Rubinton gives insights into McPhee's techniques, choice of subjects, and research methods, shedding light on how McPhee turns complicated subjects like geology into compelling stories. Beyond detailing more than seventy years of McPhee's writing, Rubinton recounts McPhee's half-century as a Princeton University writing professor, a little-known part of his legacy. McPhee inspired generations of students who wrote hundreds of books of their own, also catalogued here. With an incisive foreword by *New Yorker* staff writer and former McPhee student Peter Hessler, *Looking for a Story* also includes extensive annotated listings of articles about McPhee, reviews of his books, and interviews, readings, and speeches. Whether you are already an admirer of McPhee or new to his writings, this book provides an invaluable road map to his rich body of work.

**A Fondness for Truth** Kim Hays, 2024-04-16 Honesty isn't always the best policy. In Kim Hays' third Linder and Donatelli Mystery novel, Andi Eberhart is riding her bicycle home on an icy winter night when she is killed in a hit and run. Her devastated partner, Nisha, is convinced the death was no accident. Andi had been receiving homophobic hate mail for several years, and the letters grew uglier after the couple's baby was born. Bern homicide Detective Giuliana Linder is assigned to investigate what happened to Andi. As she pieces together the details of Andi and Nisha's lives, her assistant, Renzo Donatelli, looks into Andi's job, advising young men drafted into Switzerland's civilian service. Working closely together, Giuliana and Renzo are again tempted to become more than just friendly colleagues. As both detectives dig into Andi's life, one thing becomes clear: Andi's friends and family may have loved her for her honesty.

but her outspokenness threatened others perhaps enough to get rid of her      **Alpine Apprentice** Sarah Gorham,2017 Sarah Gorham recounts her childhood education as a rebellious insecure angry girl shipped overseas to a tiny international school perched on a mountain shelf in Bernese Oberland Switzerland There boot camp style she experienced deprivation acute embarrassment and keen educational guidance all in the name of growing up The Swiss landscape influenced her with its paradoxes unforgiving slopes and peaks government controlled hills and valleys so too the languages she s obliged to learn one ruffian the other militaristic Though her stay lasted a mere two years her time there was so crucial in her transition to adulthood that she returns to those years decades later each and every night in memory and dream There are brief forays into the science of surviving an avalanche Sherlock Holmes s faked demise at the Reichenbach Falls the origins of meringue and the history of homesickness and its spiritual twin Sehnsucht In her travels Gorham tracks an adolescent experience both agonizingly familiar and curiously exotic      **Insight Guides Switzerland (Travel Guide eBook)** Insight

**The Art of Fact** Barbara Lounsberry, 1990-04-09 The artistry of nonfiction is the great unexplored territory of contemporary criticism Although the American book clubs now emphasize nonfiction and The New York Times Book Review publishes almost three times as many reviews of nonfiction as fiction critical appreciation of this work has lagged behind The Art of Fact is the first comprehensive examination of five of today's most popular and important nonfiction artists Gay Talese Tom Wolfe John McPhee Joan Didion and Norman Mailer By discussing contemporary literary nonfiction in relation to the early prose narrative forms and to the news novels of the seventeenth and eighteenth centuries the opening chapter defines the discourse known as literary or artistic nonfiction Dr Lounsberry then describes four characteristics of literary nonfiction and grounds these characteristics in contemporary works The five chapters which follow this introduction thoroughly examine the works of five prominent contemporary nonfiction artists While critics to date have tended to focus on only one or two of each writer's works these chapters trace themes across each writer's entire body of work and even project likely future directions given current artistic trajectories Also addressed is the role of literary nonfiction in the American literary tradition and how each of the five writers exemplifies a strand of nonfiction narrative The Art of Fact draws from personal interviews with Gay Talese and John McPhee and includes new interpretations of the works of Tom Wolfe Joan Didion and Norman Mailer as well as unpublished material from Gay Talese's current book in progress The Art of Fact is a timely call for critical appreciation of the artistry of nonfiction and offers valuable insights to both students and fans of contemporary nonfiction

The Concise Oxford Companion to American Literature James D. Hart, Wendy Martin, Danielle Hinrichs, 2021-01-21 For nearly half a century James D Hart's Oxford Companion to American Literature has offered a matchless guided tour through American literary culture both past and present with brief biographies of important authors descriptions of important literary movements and a wealth of information on other aspects of American literary life and history from the Colonial period to the present day In this second edition of the Concise version Wendy Martin and Danielle Hinrichs bring the work up to date to more fully reflect the

diversity of the subject Their priorities have been foremost to fully represent the impact of writers of color and women writers on the field of American literature and to increase the usefulness of the work to students of literary theory To this end over 230 new entries have been added including many that cover women authors Native American African American Asian American Latino a and other contemporary ethnic literatures LGBT trans and queer studies and recent literary movements and evolving areas of contemporary relevance such as eco criticism disability studies whiteness studies male masculinity studies and diaspora studies

Landmark Essays on Bakhtin, Rhetoric, and Writing Frank Farmer, 2020-11-25 The essays in this collection give voice to the plurality of approaches that scholars in the field of rhetoric and composition have when they set forth to assimilate Bakhtin for their varied purposes The collection is arranged in three major sections The first attempts to capture the most important theoretical extensions of Bakhtin s ideas and does so with an emphasis on what Bakhtin might contribute to the present understanding of language and rhetoric The next section explores the implications of Bakhtin s work for both disciplinary identity and writing pedagogy The final section looks at how Bakhtinian thought can be used to bring new light to concerns that his work either does not address or could not have imagined addressing concerns ranging from writing across the curriculum to feminism and from computer discourse to the writing of a corporation annual report Together these essays demonstrate how fruitfully and imaginatively Bakhtin s ideas can be appropriated for a context that he could not have anticipated They also serve as an invitation to sustain the dialogue with Bakhtin in the future so that researchers may yet come to realize the fortuitous ways that Bakhtin will continue to mean more than he said
