Sword of Shamballa Barbara Domalske,2006-02 Susie Jackson Batty found herself keeping a daily diary when she had to deal with breast cancer and reconstruction Once she had started she found it very therapeutic to offload her thoughts and feelings and hopes and fears into The Diary As time went on and she recorded all the changes that were taking place in her life she wondered if The Diary could be of help and a comfort to others touched by the illness and so she continued to keep it until the right time came for her to stop It is a very uplifting story told with great honesty many tears and lots of humour and will fascinate anyone who reads it Quest for the Kingdom John M. Newman,2011 A fascinating analysis that blends world history Western religion and Eastern mysticism Quest for the Kingdom by Dr John M Newman examines the kingdom of God as the historical Jesus describes it The book s premise holds that Jesus teachings include specific instructions for the quest to find and live in God s kingdom before death This powerful work favors fact and readers can revel in Jesus authentic teachings that describe the quest both as internal spiritual cultivation and the way to live in the world It is rare for a book on Christian theology to break new ground but Newman does this on two fronts the striking parallel of Jesus teachings with the ancient mysticism of yoga and the equally fascinating parallel between Jesus healing techniques and the practices of modern psychotherapists like Freud Newman is meticulous in drawing these original and unique parallels and they lift this work s premise to a non generic level that speaks to several audiences an accomplishment that sets the work apart from the pack In twenty accessible and engaging chapters like The Kingdom of God The War of the Houses The Kingdom Is Like a Woman Spiritual Cultivation and The Exorcisms and Healings of Jesus the reader watches Jesus at work healing and offering his parables at a communal meal In addition to elucidating the path to the kingdom that Jesus shared with his followers Newman explains and illustrates the voice print of Jesus his sage rhetorical strategies and distinctive discourse Newman brings Jesus parables to life with a penetrating analysis that enables the reader to experience Jesus mastery of metaphor and management of the unconscious trajectory of thought in the minds of his listeners A commanding new breakthrough in the understanding of the teachings and works of Jesus this book is a must read for academics and laypersons alike *Messiahs* John Hogue,1999 *Maitreya on the Image of God* Elizabeth Clare Prophet,1990 **Prophecy A-Z: The Complete Eschatological Dictionary** Bernie L. EARTH'S ORIGINAL MOUNTAINS SUDDENLY REAPPEARED ON THE PLANET AS 85 000 DOMED CANOPIES OF LIGHT FROM THE STARS The story of this return is told by Blaise a well informed but mysterious figure who claims to be an engineer 134 years old and part of an ancient team that first designed the planet It's a chronicle of his last field assignment a unique career retrospective and a firsthand account of the momentous return of the domes These are giant half spheres of Light that originally helped create the biosphere and were the Earth's first mountains They generated the Earth's sacred sites and the mythic homes of the gods and linked them all in a global pattern of Light The domes arrived all at once and started to reorganize the global landscape It was their fourth visit and it would be several perilous years as the planet adjusts to it Blaise and his team of geomancers travel across the Earth and time to deal with the unprecedented perturbations set in motion by this celestial rescue of the planet Problems are rife the revolt of Pan and the Nature Spirits the continuing dark interference by humanity's ghostly forebears the resurgence of Babylon and its imperious agenda and the planet's dangerous drift towards becoming flattened like a hockey puck But the opportunities are fabulous too as the planet enters an era of unceasing Light and beatific conditions The return of the domes lays bare the true history of the Earth how it diminished from perfection the benign superintendents of this bold experiment and who its earliest inhabitants were and the massive problems they created which still affect us today It is a genuinely apocalyptic moment as the Earth reveals its original bright pattern of energy and consciousness and starts at last to fulfill its destiny A Christian Pilgrim in India Harry Oldmeadow, 2007-11-28 This book provides a biographical account of the remarkable Benedictine monk Henri Le Saux 1910-1973 who spent the last two and a half decades of his life in India where he immersed himself in Hindu spirituality It traces the central themes of his prolific writings on religious and mystical topics **Forthcoming Books** Rose Army, 1997 **AB Bookman's Weekly**, 1986 **Religious Books and Serials in Print 1978-1979** R.R.
