Книга для чтения на английском языке* Джозеф Джейкобс, 2018-08-31 1854 1916 XI **More Celtic Fairy Tales** Various, 2019-11-21 More Celtic Fairy Tales is a captivating anthology that delves into the rich tradition of Celtic folklore offering readers a curated selection of enchanting stories that celebrate the mystical elements of Irish Scottish Welsh and Breton narratives The book features a blend of prose and poetry that highlights the unique literary style of the Celtic oral

tradition with lush imagery rhythmic language and vivid characterizations that will transport readers to the verdant landscapes of the Celtic lands Each tale intertwines themes of the supernatural nature and the human experience providing deep insights into the cultural ethos and belief systems of the Celts The compilation is primarily attributed to various contributors with influences spanning generations of storytellers These authors have been inspired by their own rich cultural heritage and their personal experiences and scholarly backgrounds contribute to a nuanced representation of Celtic myths and legends The work emerges from a renewed interest in folk traditions serving as both a homage to ancestral narratives and an invitation for modern readers to explore their magical aspects This enchanting anthology is highly recommended for anyone intrigued by folklore mythology and the Celtic imagination It serves as an excellent introduction for those unfamiliar with Celtic fairy tales while also providing delightful rediscoveries for seasoned readers

**More Celtic Fairy Tales** John D. Batten, 2024-11-24 This book like the others of this series has only been rendered possible by the courtesy and complaisance of the various collectors from whom I have culled my treasures In particular I have to thank Mr Larminie and Mr Eliot Stock for permission to include that fine tale Morraha from the former s West Irish Folk tales the chief addition to the Celtic store since the appearance of my last volume I have again to thank Dr Hyde for permission to use another tale from his delightful collection Mr Curtin has been good enough to place at my disposal another of the tales collected by him in Connaught and my colleague Mr Duncan has translated for me a droll from the Erse Above all I have to thank Mr Alfred Nutt for constant supervision over my selection and over my comments upon it Mr Nutt by his own researches and by the encouragement and aid he has given to the researches of others on Celtic folk lore has done much to replace the otherwise irreparable loss of Campbell With this volume I part at any rate for a time from the pleasant task which has engaged my attention for the last four years For the English folk lore district I have attempted to do what the brothers Grimm did for Germany so far as that was possible at this late day But for the Celtic area I can claim no such high function here the materials are so rich that it would tax the resources of a whole clan of Grimms to exhaust the field and those Celtic Grimms must be Celts themselves or at any rate fully familiar with the Gaelic Here then is a task for the newly revived local patriotism of Ireland and the Highlands I have done little more than spy the land and bring back some specimen bunches from the Celtic vine It must be for others Celts themselves to enter in and possess the promised land

JOSEPH JACOBS **The Monthly Chronicle of North-country Lore and Legend** ,1888 **Celtic Myths & Tales** ,2018-12-15 Curated new Myths and Tales The mythic invasions of Ireland the mystical kingdoms warriors giants creatures of the underworld and magic these are the fantastic ingredients of Celtic legend Because they told their own stories in the ancient way by word of mouth we understand the traditions of these proud people through the records of their mortal enemies the Romans but still they thrive so bright and strong today The latest title in Flame Tree s beautiful comprehensive series of Gothic Fantasy titles concentrates on the ancient epic origins of modern fantasy
