Alice Tallmadge,2025-07-30 In the 1980s and 1990s a mind boggling social panic over child sex abuse swept through the country landing childcare workers in prison and leading hundreds of women to begin recalling episodes of satanic ritual abuse and childhood abuse by family members *Now I Can See the Moon A Story of a Social Panic False Memories and a Life Cut Short* is a deeply personal account of the devastating impact the panic had on one family In trying to understand the suicide of her twenty three year old niece a victim of the panic the author discovers that what she thought was an isolated tragedy was in fact part of a much larger social phenomenon that sucked in individuals from all walks of life convincing them to believe the unbelievable and embrace the most aberrant claims as truth *Abused by Therapy* Katharine

Mair,2013-10-01 *Abused by Therapy* debunks an enduring myth dating back to Freud that certain conditions are nearly always caused by childhood trauma Therapists believing this will use recovered memory therapy to search for this hidden cause behind current problems They may find it but what exactly are they finding When their clients recover memories of horrifying trauma often involving sexual abuse by their parents does this reveal what really happened or does it merely reflect the therapist s assumptions This unique book gives an inside view of the process by which people are persuaded to rewrite their past history so that loving parents become seen as abusers who must be rejected The new memories may be completely false yet they can shatter the lives of all concerned not just the clients and their accused families but also the

therapists themselves who become trapped into upholding increasingly implausible and distressing beliefs An international campaign is now promoting the view that dissociative disorders such as multiple personality disorder are caused by severe early trauma It is argued that there is no scientific basis for this claim and that the recommended treatment has not been shown to confer any benefits that outweigh its heavy cost

Journey of the Soul...Cracked Pots and Broken Vessels Dr. Phyllis Davis & Rev. Carrol Davis, 2014-03 Discover your story learn how to tell it and watch God perform miracles in your life as you fall more in love with your Abba Father God uses cracked pots and broken vessels to tell His story And they overcame by the power of the blood of the lamb and the word of their testimony Revelation 12:11 KJV God doesn't waste anything or anyone He takes the scars and pain of your life and turns you into the vessel of His glory you were created to be Nothing surprises God He has a plan to redeem you save you and let His light shine through you Many Christians walk in bondage for failure to know and follow the Word of God The Bible is Christ's love letter to you an instruction book to guide you through all of life's difficulties Who better to direct you through uncertain times than the one who knows of the best plans for your life Yet Christ says his people are destroyed for lack of knowledge God's Word rightly applied to the strongholds in your life can help you live the abundant life Christ died to give you and set the captives free It is not just a matter of salvation but rather growth in Christ the sanctification process that leads you to the rich and abundant life Christ died to give you What is your testimony It isn't just your story of salvation Tell of your journey and how the Lord allowed the Scriptures to come alive in your life Tell of the living Jesus
