Making the Revolution Global

Theo Williams, 2022-10-18 How black radicals reshaped the British left Making the Revolution Global shows how black radicals transformed socialist politics in Britain in the years before decolonisation African and Caribbean activist intellectuals such as Amy Ashwood Garvey C L R James Jomo Kenyatta Kwame Nkrumah and George Padmore came to Britain during the 1930s and 1940s and intervened in debates about capitalism imperialism fascism and war They consistently argued that any path towards international socialism must have colonial liberation at its heart Although their ideas were met with opposition from many on the British Left they convinced significant sections of the movement of the revolutionary potential of colonised peoples By centring the entanglements between black radicals and the wider British socialist movement Theo Williams casts new light on responses to the 1935 Italian invasion of Ethiopia the 1945 Fifth Pan African Congress and a wealth of other

events and phenomena In doing so he showcases a revolutionary tradition that as illustrated by the global Black Lives Matter demonstrations of 2020 is still relevant today

At Home and Abroad in the Empire Robin Hackett, Freda Hauser, Gay Wachman, 2009 This book builds upon critical reevaluations of modernism and British literature of the 1930s with a simultaneous focus on discourses of race gender and empire The essays direct attention to the complications and ambivalence accumulating around the meanings of Englishness They reject analyses of texts as chronicles of personal psychological development in favor of analyses that assume texts are shaped by their authors public intellectual involvement In addition they offer detailed specific explorations of ways in which British women in the 1930s narrativize empire and war Thus they will resonate with significance for readers in the early twenty first century for whom empire and war as well as terror and security are part of the discourse of everyday life Robin Hackett is an Associate Professor of English at the University of New Hampshire Freda S Hauser is an independent scholar Gay Wachman is retired from the State University of New York Old Westbury

Holy War Ian Campbell, 2022-05-01 In 1935 Fascist Italy invaded the sovereign state of Ethiopia a war of conquest that triggered a chain of events culminating in the Second World War In this stunning and highly original tale of two Churches historian Ian Campbell brings a whole new perspective to the story revealing that bishops of the Italian Catholic Church facilitated the invasion by sanctifying it as a crusade against the world's second oldest national Church Cardinals and archbishops rallied the support of Catholic Italy for Il Duce's invading armies by denouncing Ethiopian Christians as heretics and schismatics and announcing that the onslaught was an assignment from God Campbell marshals evidence from three decades of research to expose the martyrdom of thousands of clergy of the venerable Ethiopian Church the burning and looting of hundreds of Ethiopia's ancient monasteries and churches and the instigation and arming of a jihad against Ethiopian Christendom the likes of which had not been seen since the Middle Ages Finally Holy War traces how after Italy's surrender to the Allies the horrors of this pogrom were swept under the carpet of history and the leading culprits put on the road to sainthood

The Addis Ababa Massacre Ian Campbell, 2017-08-15 In February 1937 Italy's Fascist occupying forces murdered 19 000 Ethiopians In a brilliant piece of forensic historical reconstruction Ian Campbell rescues from obscurity this episode of colonial mass extermination

for the Horn of Africa's Unity and Justice for Ethiopia by Kidane Alemayehu My Journey with the United Nations and Quest for the Horn of Africa's Unity and Justice for Ethiopia is a landmark in the annals of Ethiopian literature and history It gives a huge assignment to the present and future generations of Ethiopians namely that justice must be done if not today then tomorrow and if not tomorrow then the day after tomorrow The Catholic Church as the Universal Church cannot remain mum in the face of such horrendous accusations supported by evidence It is our fervent hope that as Vicar of Jesus His Holiness Pope Francis who is already well known for his humility and steadfast stand for justice will address this outstanding issue of apology to the Ethiopian people

Narrating War and Peace in Africa Solimar Otero, 2010 Narrating War and Peace in Africa interrogates conventional representations of Africa and African culture mainly in the twentieth and early twenty first centuries with an emphasis on portrayals of conflict and peace While Africa has experienced political and social turbulence throughout its history more recent conflicts seem to reinforce the myth of barbarism across the continent in Nigeria Rwanda Somalia Sierra Leone Uganda Kenya Mozambique Chad South Africa Zimbabwe and Sudan The essays in this volume address reductive and stereotypical assumptions of postcolonial violence as tribal in nature and offer instead various perspectives across disciplinary boundaries that foster a less fetishized more contextualized understanding of African war peace and memory Through their geographical historical and cultural scope and diversity the chapters in Narrating War and Peace in Africa aim to challenge negative stereotypes that abound in relation to Africa in general and to its wars and conflicts in particular encouraging a shift to more balanced and nuanced representations of the continent and its political and social climates Contributors Ann Albuyeh Zermarie Deacon Alicia C Decker Am na Mo nfar Kayode Omoniyi Ogunfolabi Sabrina Parent Susan Rasmussen Michael Sharp Cheryl Sterling Hetty ter Haar Melissa Tully Pamela Wadende Metasebia Woldemariam Jonathan Zilberg Toyin Falola is the Jacob and Frances Sanger Mossiker Chair in the Humanities and University Distinguished Teaching Professor at the University of Texas at Austin Hetty ter Haar is an independent researcher in England

Ethiopia at Bay John H. Spencer, 2006-07 what people are saying about this book A marvelous recounting of Ethiopian and world history during those years Mandatory reading for anyone interested in Third World relations and certainly for anyone who seeks to understand contemporary Ethiopian or Horn of Africa affairs Foreign Service Journal A significant primary source in its first hand account by a meticulously observant insider Foreign Affairs Commands attention and respect John Spencer's personal candid and basically reliable record will have an honored place in the contemporary annals of that tortured country Times Literary Supplement Spencer is one of the very few living people in a position to describe Ethiopia's efforts to survive during those years Library Journal

Spencer was privy to many important decisions Of particular interest is his account of Haile Sellassie s disenchantment with the U S Publisher s Weekly After the hard fate which befell the Emperor and his notables Spencer is maybe the only one of the old regime s key persons still alive There is hardly a single page one would want to miss Sture Linner in Svenska Dagbladet I found Ethiopia at Bay intensely interesting sad and even tragic in the Greek mode What a series of missed opportunities anachronistic colonial arrogances and western shortsightedness The book would be enormously instructive to students of international relations generally Lincoln Gordon former President Johns Hopkins University Valuable indeed Especially significant is Spencer s cogent analysis of the Emperor himself Recommended for college university and larger public libraries Choice

Everything Is Possible Joseph Fronczak, 2023-01-24 The fascinating history of how the antifascist movement of the 1930s created the left as we know it today In the middle years of the Great Depression the antifascist movement became a global political force powerfully uniting people from across divisions of ideology geography race language and nationality Joseph Fronczak shows how socialists liberals communists anarchists and others achieved a semblance of unity in the fight against fascism Depression era antifascists were populist militant and internationalist They understood fascism in global terms and they were determined to fight it on local terms In the United States antifascists fought against fascism on the streets of cities such as Chicago and New York and they connected their own fights to the ones raging in Germany Italy and Spain As he traces the global trajectory of the antifascist movement Fronczak argues that its most significant legacy is its creation of the left as we know it today an international conglomeration of people committed to a shared politics of solidarity
