Rowe, Diane P. Levine, 2022-12-30 Now in its sixth edition A Concise Introduction to Linguistics provides students with a detailed introduction to the core concepts of language as it relates to culture The textbook includes a focus on linguistic anthropology unpacking the main contributions of linguistics to the study of human communication and culture Aimed at the general education student the textbook also provides anthropology linguistics and English majors with the resources needed to pursue advanced courses in this area Written in an accessible manner that does not assume previous knowledge of linguistics this new edition contains expanded discussions on linguistic anthropology sociolinguistics including an expanded section on trans and nonbinary language and pragmatics. The textbook incorporates a robust set of pedagogical features including marginal definitions a substantial glossary chapter summaries and learning exercises Brand new to this edition are a full International Phonetic Alphabet chart new exercises with languages other than English and new illustrations The Politics of Football Christos Kassimeris, 2023-08-21 This book examines the deep connections between football and politics and explains what those relationships can tell us about sport and wider society With the game occupying a preeminent place on the world sporting stage this book argues that the political significance of football has never been greater The book explores the politics of football governance and the international organisations that

run the game as well as the interaction of footballing authorities with government at all levels It shows how football clubs and supporter groups have leaned left such as FC Sankt Pauli or right such as SS Lazio and have been significant voices in secessionist debates and the promotion of religious identities and ethno centrism It also addresses how fascist and communist regimes have used football to project political ideology. The book also considers key contemporary political issues in football such as surveillance discrimination and human rights This is fascinating reading for anybody with an interest in football in the politics or sociology of sport in international relations government or political ideology or in the intersection of politics and culture Hidden Religion Micah Issitt, Carlyn Main, 2014-09-16 Covering secret societies mysterious ancient traditions and the often mistaken history of the world's religious symbols this book takes readers on a tour through the fascinating world of religious symbolism and reveals the most mysterious and misunderstood facets of religion Hidden Religion The Greatest Mysteries and Symbols of the World's Religious Beliefs not only explores the history and origins of widely recognizable symbols like the Christian cross and the Star of David but also introduces readers to more obscure symbols from religious traditions around the world even defunct ones like those of the ancient Aztec and Mayan societies In addition the book discusses the religious secrets found in the major religions including secret societies of Christianity Judaism Islam and Buddhism Containing more than 170 entries the encyclopedia is organized by religious category such as Abrahamic East Asian and African Diasporic religions then alphabetically within each category Each entry is prefaced with a short introduction that explains where and when the religious tradition originated and describes the religion today This information is followed by an analysis of the historical development and use of symbols along with an explanation of connections between symbols used by different religions such as shared astrological symbolism in the form of moon sun or star motifs The Tapestry of Culture Abraham Rosman, professor emeritus, Banard College, Columbia University, Paula G. Rubel, professor emerita, Barnard College, Columbia University, Maxine Weisgrau, Barnard College, Columbia University, 2017-01-12 Tapestry of Culture provides students with the tools needed to encounter different cultures one of the most exciting elements of anthropology The tenth edition incorporates new material throughout such as ethnographic examples in every chapter strengthened discussions of gender transnationalism and globalization and more **Religion** Robert S.
