Terrible Times:

The Bad Times George A. Birmingham, 1908 *Good Neighbors, Bad Times Revisited* Mimi Schwartz, 2021-03 Mimi Schwartz's father was born Jewish in a tiny German village thirty years before the advent of Hitler when as he'd tell her "We all got along." In her original memoir *Good Neighbors, Bad Times* Schwartz explored how human decency fared among Christian and Jewish neighbors before, during, and after Nazi times. Ten years after its publication, a letter arrived from a man named Max Sayer in South Australia. Sayer it turns out grew up Catholic in the village during the Third Reich and in 1937 moved into an abandoned Jewish home five houses away from where the family of Schwartz's father had lived for generations before fleeing to America a few months earlier. The two families had never met. Sayer wrote an unpublished memoir about his childhood memories and in Schwartz's new edition *Good Neighbors, Bad Times Revisited* the two memoirs talk to each other. Weaving excerpts from Sayer's memoir and from a yearlong correspondence with him into her book, Schwartz revisits village history from a new perspective, deepening our understanding of decency and demonization. Given the rise of xenophobia, white supremacy, and anti-Semitism in the world today, this exploration seems more urgent than ever. **The Prophecy Collection: The End Times Survival Guide, the Coming Apostasy, Russia Rising** Mark Hitchcock, 2021-10 Three popular books now collected for the first time in one special edition. We live in a world that seems to be on the verge of coming apart. Shootings. Killer viruses. The threat of nuclear war. All of it is just too real. What is happening in our world today is moving Christians to return to the foundations of our spiritual existence. Believers everywhere must get back to what matters most. We must always remember our battle at its most basic level is spiritual. In *The Prophecy Collection*, popular Bible teacher Mark Hitchcock helps you discover spiritual insight and spiritual tools to understand what's happening and to prepare for the future through three important works: *The End Times Survival Guide*, *The Coming Apostasy* (coauthored with Jeff Kinley), and *Russia Rising*. As we prepare for the Lord's coming, it's time to understand the biblical truths you need to know in order to face an increasingly decaying, darkening world. No matter what the future holds, anchor your spiritual health and welfare on the immovable rock of God's Word. *Bad Theology in a Time of COVID* Leah Robinson, 2024-12-17 In this book Leah E. Robinson discusses the COVID-19 pandemic as it was viewed in the theological community, both professionally and politically. Robinson explores the ways in which the misuse of various Christian theological doctrines has led to and perpetuated social ills. She begins by first defining her criteria for bad versus good theology and then investigates the ways in which the handling of the COVID pandemic has provided damaging examples of bad theology. The book gives a voice to those who are trying to guide people towards scientific logic and good health while simultaneously using the lens of Christian leadership. **The Time of Our Lives** Peggy Noonan, 2024-09-24 The New York Times bestseller. An examination of the soul of a politics and a culture from the Pulitzer Prize winner for Commentary and conservative icon. *The Time of Our Lives* travels the path of Peggy Noonan's remarkable and influential career, beginning with a revealing essay
