Swedroe,Jared Kizer,2010-05-13 The rewards of carefully chosen alternative investments can be great But many investors don t know enough about unfamiliar investments to make wise choices For that reason financial advisers Larry Swedroe and Jared Kizer designed this book to bring investors up to speed on the twenty most popular alternative investments Real estate Inflation protected securities Commodities International equities Fixed annuities Stable value funds High yield junk bonds Private equity venture capital Covered calls Socially responsible mutual funds Precious metals equities Preferred stocks Convertible bonds Emerging market bonds Hedge funds Leveraged buyouts Variable annuities Equity indexed annuities Structured investment products Leveraged funds The authors describe how the investments work the pros and cons of each which to consider which to avoid and how to get started Swedroe and Kizer evaluate each investment in terms of Expected returns Volatility Distribution of returns Diversification potential Fees Trading and operating expenses Liquidity Tax efficiency Account location Role in an asset allocation program Any investor who is considering or just curious about investment opportunities outside the traditional world of stocks bonds and bank certificates of deposit would be well advised to read this book      *The Savvy Investor's Guide to Avoiding Pitfalls, Frauds, and Scams* H. Kent Baker,John R. Nofsinger,Vesa Puttonen,2020-01-21 There are two important things you must do to be a savvy investor make good investment decisions and avoid costly mistakes In the second book in The Savvy Investor s Guide series investing experts H Kent Baker John R Nofsinger and Vesa Puttonen come together to offer an insightful guide on avoiding those detrimental missteps      *The Successful Investor Today* Larry E. Swedroe,2007-04-01 What does it take to achieve superior performance and become a successful investor Rather than great stock pricing or market timing skills it is far better for you to understand how the markets work and how to make them work best for you Larry E Swedroe argues that the right strategy never changes no matter whether the bull is stampeding or the bear has emerged from hibernation The Successful Investor Today was written during one of the greatest bear markets of the post World War II era a bear market that was a result of the inevitable bursting of the technology led bubble of the late 1990s what Federal Reserve Chairman Alan Greenspan called irrational exuberance Although millions of investors unnecessarily incurred trillions of dollars in losses neither this bubble nor the ensuing devastating losses were anything new Despite all the horrible investment experiences that have been reported those investors who followed the fourteen simple truths outlined in this book including the building of globally diversified portfolios did not suffer the devastating losses experienced by many others The fourteen simple truths withstand the tests of logic and time in the way the stock market really works rather than the way Wall Street and the media would have you believe it works Since it is generally held that those who fail to plan plan to fail an investor must begin with an investment plan Your plan should be tailored to conform to your unique ability willingness and need to take risk In The

Successful Investor Today you will learn how to build write implement and manage your investment plan over time This book will help you become a better and more informed investor and it will help you achieve your financial goals by gradually increasing your wealth Apart from offering an up to date winning strategy The Successful Investor Today presents an efficient and proven way to avoid the most common and costly mistakes investors continue to make
