Terror In The Name Of God Why Religious Militants Kill:

Terror in the Name of God Jessica Stern,2003-08-19 For four years Jessica Stern interviewed extremist members of three religions around the world Christians Jews and Muslims Traveling extensively to refugee camps in Lebanon to religious schools in Pakistan to prisons in Amman Asqelon and Pensacola she discovered that the Islamic jihadi in the mountains of Pakistan and the Christian fundamentalist bomber in Oklahoma have much in common Based on her vast research Stern lucidly explains how terrorist organizations are formed by opportunistic leaders who using religion as both motivation and justification recruit the disenfranchised She depicts how moral fervor is transformed into sophisticated organizations that strive for money power and attention Jessica Stern s extensive interaction with the faces behind the terror provide unprecedented insight into acts of inexplicable horror and enable her to suggest how terrorism can most effectively be countered A crucial book on terrorism **Terror in the Name of God** is a brilliant and thought provoking work **Comparative**

Philosophy and Religion in Times of Terror Douglas Allen,2006-01-01 Comparative philosophy and religion can help us to understand the violence and terror that often dominate our world These new creative studies ranging in scope from ancient Biblical Greek Indian and Chinese formulations to recent religious and philosophical positions broaden and deepen our understanding of terror and present new possibilities for greater nonviolence peace and true security **Sacred Terror**

Daniel E. Price,2012-07-19 This book places the current wave of religion based terrorism in a historical perspective explaining why religion is associated with terrorism comparing religion based terrorism to other forms of terrorism and documenting how religion based terrorism is a product of powerful political socioeconomic and psychological forces Religion based terrorism is perceived as one of the most significant threats to U S homeland security in the 21st century **Sacred Terror** How Faith Becomes Lethal makes the central argument that religion based violence and terrorism is primarily a result of political socioeconomic and psychological forces thereby demystifying religion based terrorism and revealing its inherent similarity to other forms of terrorism and war Daniel Price examines religious texts and traditions in Judaism Christianity and Islam looks at the history of religion based terrorism and explores why religion facilitates violence He builds upon this foundation to explain how religion as an ideological force that motivates violence is not as powerful as commonly believed and that religious fervor is not unlike other non religious ideologies such as Marxism nationalism and anarchism The work also presents in depth analysis of the political socioeconomic and psychological forces that are behind religion based violence and discusses case studies from multiple religions that illustrate the author s argument **Essentials of Terrorism** Gus

Discourses and Practices of Terrorism Bob Brecher, Mark Devenney, Aaron Winter, 2010-02-25 This interdisciplinary book investigates the consequences of the language of terror for our lives in democratic societies The approach of this book is in direct contrast with those that either view terrorism simplistically as a clear reality threatening democratic society and thus requiring certain sorts of response or argue equally simplistically that the invocation of terror is merely the ideological veil for continued capitalist exploitation While closer in spirit to the second of these this work does not simply dismiss the discourse on terror but rather investigates the consequences of this discourse for the organisation of life in democratic societies In interrogating the discourse of terror from a variety of viewpoints this interdisciplinary text builds upon the understanding of the importance of the language of terror from a new perspective the interconnections between discourses of terror the material realities they at once reflect and help produce and the specificities of particular historical circumstances In offering an integrated approach of this sort and founded on a base of applied philosophy broadly conceived the contributors offer a new contribution to both public and academic debate and at the same time initiate a series of further interventions in Critical Terrorism Studies This book will be of interest to students of critical terrorism studies terrorism studies security studies philosophy and discourse theory Bob Brecher is Director of the Centre for Applied Philosophy Politics Ethics at Brighton University He has published widely in moral political and applied philosophy and the politics of higher education Mark Devenney is Academic Programme Leader in Humanities at the University of Brighton He has published in the areas of critical theory post Marxism and post Colonial politics Aaron Winter is Lecturer in Sociology at the University of Abertay Dundee His research focuses on terrorism and the concept of extremism whiteness masculinity and violence and the extreme right organised racism and the religious right in the United States

Perspectives on Violence and Violent Death Robert Stevenson, Gerry Cox, 2017-03-02 This book examines violence It looks at the nature and types of violence the causes of violence and the emotional wake left by violent episodes In the twentieth century the world experienced two world wars

and countless other wars Many millions died violent deaths from murder death squads purges riots revolutions ethnic cleansing rape robbery domestic violence suicide gang violence terrorist acts genocide and in many other ways As we entered the twenty first century we experienced 9 11 the Red Lake School deaths suicide bombers and more mass death brought about by the actions of governments revolutionaries terrorists and still more wars The need to better understand violence both lethal and non lethal to become aware of the many forms of violence and to learn how to survive in the aftermath of violent death are the focus of Perspectives on Violence and Violent Death

Towards the Dignity of Difference? Mojtaba Mahdavi, 2016-02-24 The rise of popular social movements throughout the Middle East North Africa Europe and North America in 2011 challenged two hegemonic discourses of the post Cold War era Francis Fukuyama's The End of History and Samuel Huntington's The Clash of Civilizations The quest for genuine democracy and social justice and the backlash against the neoliberal order is a common theme in the global mass protests in the West and the East This is no less than a discursive paradigm shift a new beginning to the history a move towards new alternatives to the status quo This book is about difference and dialogue it embraces The Dignity of Difference and promotes dialogue However it also demonstrates the limits of dialogue as a useful and universal approach for resolving conflicts particularly in cases involving asymmetric and unequal power relations The distinguished group of authors suggests in this volume that there is a third way of addressing global tensions one that rejects the extremes of both universalism and particularism This third way is a radical call for an epistemic shift in our understanding of us other and good evil a radical approach toward accommodating difference as well as embracing the plural concept of the good The authors strengthen their alternative approach with a practical policy guide by challenging existing policies that either exclude or assimilate other cultures that wage the constructed global war on terror and that impose a western neo liberal discourse on non western societies This important book will be essential reading for all those studying civilizations globalization foreign policy peace and security studies multiculturalism and ethnicity regionalism global governance and international political economy
