groups events movements key figures and dogmas that have influenced contemporary Islamic fundamentalism A chronology spanning 600 years graphs of complex Islamic group associations and alliances and an Arabic to English glossary have all been included to facilitate a complete understanding of the nuances and generalities that have shaped this movement This second edition of Historical Dictionary of Islamic Fundamentalism also contains an introduction appendixes an extensive bibliography and more than 700 cross referenced entries on ideologies people events and movements of the 20th and 21st centuries

**Precision in the Global War on Terror** Sherifa Zuhur, 2008 Never before have Americans paid so much attention to Islam and Muslim ideology Although efforts have been made to separate mainstream views from extremist principles Muslims feel that many of their basic beliefs are under attack in the ongoing war of ideas The author explores why surveying a broad swath of accusations and efforts to change Muslim and Islamist ideas and institutions

Policing Criminality and Insurgency in Africa Dawud Muhammad Dawud, Usman A. Tar, 2022-11-14 Policing Criminality and Insurgency in Africa Perspectives on the Changing Wave of Law Enforcement provides critical insights into the trends and patterns of crime and insurgency in contemporary African society In Africa criminals and insurgents are becoming more resourceful smart and connected as criminal syndicates are increasingly deploying modern technologies to commit crimes in ways and manners that are profoundly daring and on a transnational and global scale Meanwhile the capacity of local state and security forces to stem the tide of crimes and insurgencies is decimated by dwindling resources on the part of the state due to official corruption down sizing of public institutions and a fierce competition for resources between security and other developmental agencies In this volume the contributors who are expert academics in policing and security in Africa as well as security practitioners provide detailed explanations of the new wave of crime characterized by cyber insecurity terror financing the proliferation of small arms and light weapons and transnational networking among criminal syndicates The volume forensically explores how these complex waves and emerging trends of criminality and insurgency impact on the socio economic and political development of Africa Editors Usman A Tar and Dawud Muhammad Dawud highlight how these factors affect and shape policing and law enforcement in an era of smart crimes and insurgency within the continent

**From Environmental Action to Ecoterrorism?** Gerry Nagtzaam, 2017-01-27 This book scrutinizes the growth of the eco terrorism movement operating on a global scale focusing on the main groups and their more radical offshoots both historically and those currently active These include Earth First the Earth Liberation Front the Animal Liberation Front and the Sea Shepherd Conservation Society It critically examines how these groups form and how they have evolved their key personnel their strategies and tactics principles motivating philosophies and attitudes to violence Specifically the book seeks to understand whether such groups inevitably evolve from activists to militants to terrorists as the literature suggests Lastly it considers the future of such groups asking whether they will become more prominent as more people become ecologically aware and as global environmental conditions deteriorate or whether such groups have peaked as a force for environmental

change      **Lone Wolf Terror and the Rise of Leaderless Resistance** George Michael,2021-04-30 On July 22 2011 Anders Behring Breivik detonated a car bomb in downtown Oslo Norway He didn't stop there traveling several hours from the city to ambush a youth camp while the rest of Norway was distracted by his earlier attack That's where the facts end But what motivated him Did he have help staging the attacks The evidence suggests a startling truth that this was the work of one man pursuing a mission he was convinced was just If Breivik did indeed act alone he wouldn't be the first Timothy McVeigh bombed a federal building in Oklahoma City based essentially on his own motivations Eric Robert Rudolph embarked on a campaign of terror over several years including the Centennial Park bombing at the 1996 Olympics Ted Kaczynski was revealed to be the Unabomber that same year And these are only the most notable examples As George Michael demonstrates in *Lone Wolf Terror and the Rise of Leaderless Resistance* they are not isolated cases Rather they represent the new way warfare will be conducted in the twenty first century *Lone Wolf Terror* investigates the motivations of numerous political and ideological elements such as right wing individuals ecoextremists foreign jihadists and even quasi governmental entities In all these cases those carrying out destructive acts operate as lone wolves and small cells with little or no connection to formal organizations Ultimately Michael suggests that leaderless resistance has become the most common tactical approach of political terrorists in the West and elsewhere      *Encyclopedia of Police Science* Jack Raymond Greene,2006-10-23 In 1996 Garland published the second edition of the *Encyclopedia of Police Science* edited by the late William G Bailey The work covered all the major sectors of policing in the US Since then much research has been done on policing issues and there have been significant changes in techniques and in the American police system Technological advances have refined and generated methods of investigation Political events such as the terrorist attacks of September 11 2001 in the United States have created new policing needs while affecting public opinion about law enforcement These developments appear in the third expanded edition of the *Encyclopedia of Police Science* 380 entries examine the theoretical and practical aspects of law enforcement discussing past and present practices The added coverage makes the *Encyclopedia* more comprehensive with a greater focus on today's policing issues Also added are themes such as accountability the culture of police and the legal framework that affects police decision New topics discuss recent issues such as Internet and crime international terrorism airport safety or racial profiling Entries are contributed by scholars as well as experts working in police departments crime labs and various fields of policing      **Eradicating Terrorism from the Middle East** Alexander R. Dawoody,2016-08-22 This book analyzes the contributing factors responsible for the emergence of terrorism in the Middle East with specific case studies based on empirical data that anchors the analyses in real life observation and posits unbiased bipartisan solutions Terrorists are targeting civilian populations around the world and increasing pressure on civil liberties public policy and democratic institutions With the defeat of one terrorist organization several more take its place This book includes case studies in public administration initiatives from various Middle Eastern countries and investigates regulation

public information monetary and financial responsibilities security and civic infrastructure as possible solutions to this ever worsening problem With terrorism emerging as a major global policy issue this book speaks to global security and public policy and administrative issues in the Middle East and will be of interest to researchers in terrorism and security in the Middle East public administration international relations political economy and to government officials security analysts and investors     Counter-Terrorism, Human Rights and the Rule of Law Aniceto Masferrer, Clive Walker, 2013-09-30 A deep and thoughtful exploration of counter terrorism written by leading commentators from around the globe This book poses critical questions about the definition of terrorism the role of human rights and the push by many governments for more secu
