Terry Waite, Man with a Mission Trevor Barnes,1987 *Luis Palau W. Terry Whalin,Terry Whalin,1996* During the past 28 years Dr Luis Palau has preached the Good News to more than 11 million people in 63 nations resulting in some 600 000 decisions for Christ Out of Palau s spiritual journey has grown a worldwide ministry that each year reaches thousands through crusades and rallies and millions more through his daily radio programs

Faith in Unions David Isiorho,2022-09-07 Faith in Unions is a personal account representing a critique of Whiteness and Black marginality in the Faith Workers Trade Union In short it is a Black theology critique of the way Muslim and Hindu faith workers have been treated in the British Labour movement This book clearly has things to say about discriminatory practices which puts the discussion about Englishness and Britishness into a wider context I am suggesting a political agenda associated with English ethnicity as the mode of involvement to explain policies that are likely to result in racialised religious exclusion Faith in Unions gives focus to Muslim and Hindu workplace groupings within the Faith Workers Branch and the opposition to their formation from Anglican and Methodist Christian members I am concerned with the struggle for faith recognition within a discriminatory and institutionally racist union structure This book offers an explicit exploration of what I mean by the racialised other in the context of the British Labour movement In this we need to understand the ways historical Christianity has defined Black identities My conclusion hopefully will start a wider discussion of Englishness and English exclusivity

The Poetry of Faith Stephen F. Dill,2013-05-01 The ministry of the Rev Stephen F Dill was forged in the turbulent civil rights years when he stood for social justice and spoke against racial segregation In this collection of sermons many from his 20 years as pastor of Dauphin Way United Methodist Church in Mobile Alabama Dill reflects on the implications of his faith for the lives of individuals and for the life of the world Robin Wilson one of Dill s successors at Dauphin Way praises the bold humility of his message and author Frye Gaillard in the book s introduction offers this description of Dill and his sermons Almost inevitably the poetry of his preaching caught the quick of my imagination and quietly inevitably made me think Appropriately the publication of *The Poetry of Faith* coincides with the 100th anniversary of Dauphin Way But these challenging and reassuring sermons resonate far beyond those walls As Methodist educator Gorman Houston put it this is the Christian faith at its finest for Stephen Dill has always been one of those ministers able to see the church as it should be and not as it was

be salt and light in the twenty first century and is intended as inspiration to break out of the isolation and retreat that can easily result in the face of our highly secular modern societies

George Bush United States. President (1989-1993 : Bush),1992 Christian Home Educators' Curriculum Manual Cathy Duffy,1997-11 *I'm Confused about Prayer* John Cowart,2005 John Cowart World s Foremost Authority on unanswered prayer says I ve prayed for more things and didn t get them than anyone else I know But many other people also wonder why their prayers seem to get nowhere So John s amusing book addresses such issues as Is Anybody out there to answer prayers If God is able to answer then why doesn t he Is God as mean as a snake Is there something wrong with my faith my sins my breath If God did speak to me during prayer would I hear him If I don t have a whole lot of faith will God answer me anyhow Am I praying or just wishing And as John worries such questions he presents his famous Skunk Proof for the existence of a loving God He dedicates the book to his wife with the words I prayed 35 years ago to get over loving you I m so glad that God did not answer my prayer NOTE This book was previously published as *Why Don t I Get What I Pray For* IVP 1993 *Epistles from Perpetua* Catherine Halsall,2025-08-08 Who doesn t sometimes encounter problems in their prayer life Who doesn t find it difficult to set aside time to pray regularly Who has difficulty finding the right words to express their needs How can our God answer so many prayers from Christians all over the world reaching out continuously over time *Epistles from Perpetua* attempts to answer some of these queries using examples of people throughout history who have wrestled with their close communication with a heavenly Father Praise and gratitude will bring all to the foot of the Cross to seek and find the healing gifts of comfort consolation and compassion Apocalypse Now? Duncan B. Forrester,2017-03-02 How may people of faith respond wisely constructively and courageously to the challenges of a time of terror How might religious reasons in public debate be a force for reconciliation rather than violence and hatred In a world in which religious arguments and religious motivations play such a huge public role there is an urgent responsibility for interpreting what is happening and engaging with religious views which are commonly regarded as alien threatening or dangerous In *Apocalypse Now* Duncan Forrester argues that disorders and atrocities which include the Gulag the Holocaust 9 11 the Afghanistan and Iraq wars and the Tsunami disaster have shown us that we stand not at the end of history but in the midst of an apocalyptic age of terror which has striking similarities to the time in which Christianity was born Moving between two times of terror the early Centuries of Christianity and today Forrester asks how religious motivations can play a positive role in the midst of conflicts and disasters Reading the signs of the times to try to understand what is happening in today s age of terror Forrester argues that there are huge resources in the Christian tradition that can be productively deployed for a more constructive and faithful response We are at a turning point this is a book which should be read *Dead Men Don't Eat Lunch* Geoffrey Gilson,2014-05-01 *Dead Men Don t Eat Lunch* paints a devastating picture of how British Governments have been corrupted for 30 years by huge bribes from the international arms trade and how that corruption may even now be tainting the Liberal Conservative Coalition Government of

David Cameron and Nick Clegg Special emphasis is given in *Dead Men* to the role of Al Yamamah the notorious 150 billion arms contract between Great Britain and Saudi Arabia which still generates 300 million in kickbacks every year The author sets out in gripping detail his own discovery that the mysterious death of his close colleague and former rising British political star Hugh Simmonds CBE was the direct consequence of his deadly role as British Prime Minister Margaret Thatcher s personal arms dealer money launderer and assassin
