Tertullian And The Church:

Tertullian and the Church David Rankin,1995-08-17 Was Tertullian of Cathage a schismatic How did he view the church and its bishops How did he understand the exercise of authority within the church In this study David Rankin sets the writings of Tertullian in the context of the early third century church and the developments it was undergoing in relation to both its structures and its self understanding He then discusses Tertullian s own theology of the church his imagery and his perception of church office and ministry Tertullian maintained throughout his career a high view of the church and this in part constituted the motivation for his vitriolic attacks on the church s hierarchy after he had joined the New Prophecy movement His contribution to the development of the church has often been misunderstood and this thorough exploration provides a timely reassessment of its nature and importance

Disciplinary, Moral, and Ascetical Works Tertullian,1959
The Writings of Tertullian - Volume I Tertullian,2017-10-24 This first book in a four part series includes the writings of one of the first true theologians This first volume is more of a treaty on Apologetics the defense of the Christian faith and brings to view the idea of the apology the use and end results of idols along with many other pieces of theology that we in the church should be making a part of our theology even in today s world Even though the writings are nearly two thousand years old the relevance is becoming more and more clear in today s world where false teaching is flourishing and thriving

Tertullian Tertullian,Daniel J. Clausen,2012-12-09 The following work is the second book of a larger whole by Tertullian which deals with the subject of modesty in female dress The idea presented is one that is indisputably Christian in nature but the application of that idea in the mind of the earliest believers in Christ may seem very foreign to the modern reader However one must consider the nearness of the apostolic teaching to those presented here and wonder did this teaching migrate more in the first 150 years or the next nearly 2000 years Upon reading the comments of others about it in the present day some have found Tertullian s explanation hard to understand others have called it ascetic or outright legalism I for one profoundly disagree with these assessments When the apostle Paul says women should adorn themselves in respectable apparel with modesty and self control not with braided hair and gold or pearls or costly attire but with what is proper for women who profess godliness with good works 1 Tim 2 9 10 what else is meant except that it is right for a woman to do exactly as stated Are we living now in a day when obeying a commandment is considered legalism Yet the logic of Tertullian is sharp and astute simply providing the explanation of the doctrine and its reasoning behind it Rather than a case for legalism Tertullian uses the issue as an apt means to show the motives and conditions of the heart A tree is known by its fruit Matt 12 33 said the Master Should not a modest woman dress modestly Should a woman who is not vain not revel in vanity And yet in many churches the women of God dress no differently with no less vanity or frivolity than those that do not know God Some may want to show how blessed they are with their finery still others want to show excellence in all they do so they come in their Sunday Best Though I understand such logic it still defies the repeated Scriptural command as well as the

unified view of the early church the former of which ought to be our uncompromising guide in all manners of life While simply dressing with conscience is no means of salvation on its own it ought to adorn those whose hearts have been made tender through the conviction and sanctifying power of the Holy Spirit What is being presented is not a work but the fruit of a changed life This topic probably considered minor by many is unique in its ability to expose the tension between faith and works that so many seem to struggle with However the Bible is clear works on their own or as a means to impress God or earn His love are entirely without value However works are the natural and inevitable product of a living and vibrant faith The one produces the other Likewise dressing modestly gains nothing for one who is already separated from God it does not bring them one inch closer but for one who has been bought with a price it ought to be their natural desire to be pleasing to their Master not begrudgingly but as an act of love and thankfulness Walking with Christ is not a fake it until you make it endeavor One does not want to be as the pharisees who outwardly were as whited sepulchers but inside full of dead men s bones Matt 23 27 Looking the part outwardly is just another deception if it is not first found inwardly In the same manner though let what is found inside be manifest on the outside May the Lord use this work of gravity and pointed insight in a day where its message is much needed

Tertullian - Against Hermogenes Quintus Tertullianus, 2015-11-19 The doctrine of Hermogenes has this taint of novelty He is in short a man living in the world at the present time by his very nature a heretic and turbulent withal who mistakes loquacity for eloquence and supposes impudence to be firmness and judges it to be the duty of a good conscience to speak ill of individuals Moreover he despises God s law in his painting maintaining repeated marriages alleges the law of God in defense of lust and yet despises it in respect of his art He falsifies by a twofold process with his cauter and his pen He is a thorough adulterer both doctrinally and carnally since he is rank indeed with the contagion of your marriage hacks and has also failed in cleaving to the rule of faith as much as the apostle s own Hermogenes However never mind the man when it is his doctrine which I question He does not appear to acknowledge any other Christ as Lord though he holds Him in a different way but by this difference in his faith he really makes Him another being nay he takes from Him everything which is God since he will not have it that He made all things of nothing For turning away from Christians to the philosophers from the Church to the Academy and the Porch he learned there from the Stoics how to place Matter on the same level with the Lord just as if it too had existed ever both unborn and unmade having no beginning at all nor end out of which according to him the Lord afterwards created all things

Tertullian, First Theologian of the West Eric Osborn, 2003-12-04 Tertullian was the first western Christian to write theology defending Christians against the hostility of the Roman state as well as arguing against Marcion Praxeas and theosophical fantasy A complex thinker Tertullian has in the modern era been rejected by both liberal Christianity and its secular critics But his ideas have become more accessible in our century which has seen the destruction of Enlightenment beliefs that reason should lead to a quasi mathematical system The work of G del Wittgenstein Rorty and so many others has opened up the way for an understanding

of Tertullian's passion for opposites contingency and rational argument For a long time misquoted and misused Tertullian now calls for sustained analysis and interpretation This book offers a major reappraisal of his theology and its influence on the shape of the western Christian tradition **A Treatise on the Soul** Tertullian,2020 Tertullian a native of Carthage in North Africa was an Early Church writer who lived between 155 and 240 A D A Treatise on the Soul is a fascinating philosophical work which reads much like Plato or Greek philosophers of antiquity **Tertullian - on Exhortation to Chastity** Quintus Tertullianus,2016-01-29 No one deserves favor by availing himself of the indulgence but by rendering a prompt obedience to the will of his master The will of God is our sanctification for He wishes His image us to become likewise His likeness that we may be holy just as Himself is holy That good sanctification I mean I distribute into several species that in some one of those species we may be found The first species is virginity from one's birth the second virginity from one's second birth that is from the font which second virginity either in the marriage state keeps its subject pure by mutual compact or else perseveres in widowhood from choice a third grade remains monogamy when after the interception of a marriage once contracted there is thereafter a renunciation of sexual connection The first virginity is the virginity of happiness and consists in total ignorance of that from which you will afterwards wish to be freed the second of virtue and consists in contemning that the power of which you know full well the remaining species that of marrying no more after the disjunction of matrimony by death besides being the glory of virtue is the glory of moderation likewise for moderation is the not regretting a thing which has been taken away and taken away by the Lord God without whose will neither does a leaf glide down from a tree nor a sparrow of one farthing's worth fall to the earth **Fathers of the Church** Frederick Adam Wright,1928 **On Baptism** Tertullian,2018-08-17 Happy is our sacrament of water in that by washing away the sins of our early blindness we are set free and admitted into eternal life A treatise on this matter will not be superfluous instructing not only such as are just becoming formed in the faith but them who content with having simply believed without full examination of the grounds of the traditions carry in mind through ignorance an untried though probable faith The consequence is that a viper of the Cainite heresy lately conversant in this quarter has carried away a great number with her most venomous doctrine making it her first aim to destroy baptism Which is quite in accordance with nature for vipers and asps and basilisks themselves generally do affect arid and waterless places But we little fishes after the example of our Jesus Christ are born in water nor have we safety in any other way than by permanently abiding in water so that most monstrous creature who had no right to teach even sound doctrine knew full well how to kill the little fishes by taking them away from the water **Tertullian - on Modesty** Quintus Tertullianus,2016-02-05 Modesty the flower of manners the honor of our bodies the grace of the sexes the integrity of the blood the guarantee of our race the basis of sanctity the pre indication of every good disposition rare though it is and not easily perfected and scarce ever retained in perpetuity will yet up to a certain point linger in the world if nature shall have laid the preliminary groundwork of it discipline persuaded to it censorial rigor

curbed its excesses on the hypothesis that is that every mental good quality is the result either of birth or else of training or else of external compulsion But as the conquering power of things evil is on the increase which is the characteristic of the last times things good are now not allowed either to be born so corrupted are the seminal principles or to be trained so deserted are studies nor to be enforced so disarmed are the laws In fact the modesty of which we are now beginning to treat is by this time grown so obsolete that it is not the abjuration but the moderation of the appetites which modesty is believed to be and he is held to be chaste enough who has not been too chaste But let the world s modesty see to itself together with the world itself together with its inherent nature if it was wont to originate in birth its study if in training its servitude if in compulsion except that it had been even more unhappy if it had remained only to prove fruitless in that it had not been in God s household that its activities had been exercised The Ecclesiastical History of the Second and Third Centuries: Illustrated from the Writings of Tertullian John Kaye,2024-04-28 Reprint of the original first published in 1845

Apologetical Works: Octavius Tertullian,Minucius Felix,2008-09 No description available To His Wife Tertullian,2018-08-19 We do not indeed forbid the union of man and woman blest by God as the seminary of the human race and devised for the replenishment of the earth and the furnishing of the world and therefore permitted yet singly For Adam was the one husband of Eve and Eve his one wife one woman one rib Tertullian in To His Wife discusses Christian marriage between a man and woman The need for the institution to procreate and to find comfort And in support of the apostle Paul that it is better to marry than to burn He looks at the spiritual significance of marriage and what our eternal relationship is to our spouse Tertullian provides various recommendations regarding marriage **Tertullian - on the Apparel of Women** Quintus Tertullianus,2016-01-13 Female habit carries with it a twofold idea dress and ornament By dress we mean what they call womanly gracing by ornament what it is suitable should be called womanly disgracing The former is accounted to consist in gold and silver and gems and garments the latter in care of the hair and of the skin and of those parts of the body which attract the eye Against the one we lay the charge of ambition against the other of prostitution so that even from this early stage of our discussion you may look forward and see what out of all these is suitable handmaid of God to your discipline inasmuch as you are assessed on different principles from other women those namely of humility and chastity **On Prayer** Tertullian,2015-11-27 Quintus Septimius Florens Tertullianus commonly referred to as Tertullian c 160 c 220 AD was raised in Carthage He was thought to be the son of a Roman centurion a trained lawyer and an ordained priest These assertions rely on the accounts of Eusebius of Caesarea Church History and St Jerome s De viris illustribus On famous men Tertullian is the first Christian author to produce an extensive corpus of Latin Christian literature He also was a notable early Christian apologist and a polemicist against heresy Tertullian has been called the father of Latin Christianityand the founder of Western theology Though conservative he did originate and advance new theology to the early Church He is perhaps most famous for being the oldest extant Latin writer to use the term Trinity Latin trinitas and giving the oldest extant formal

exposition of a Trinitarian theology Other Latin formulations that first appear in his work are three Persons one Substance as the Latin *tres Personae una Substantia* He wrote his trinitarian formula after becoming a Montanist his ideas were at first rejected as heresy by the church at large but later accepted as Christian orthodoxy Scant reliable evidence exists to inform us about Tertullian's life Most history about him comes from passing references in his own writings *Tertullian - on Baptism* Quintus Tertullianus, 2015-12-29 Happy is our sacrament of water in that by washing away the sins of our early blindness we are set free and admitted into eternal life A treatise on this matter will not be superfluous instructing not only such as are just becoming formed in the faith but them who content with having simply believed without full examination of the grounds of the traditions carry in mind through ignorance an untried though probable faith The consequence is that a viper of the Cainite heresy lately conversant in this quarter has carried away a great number with her most venomous doctrine making it her first aim to destroy baptism Which is quite in accordance with nature for vipers and asps and basilisks themselves generally do affect arid and waterless places But we little fishes after the example of our Jesus Christ are born in water nor have we safety in any other way than by permanently abiding in water so that most monstrous creature who had no right to teach even sound doctrine knew full well how to kill the little fishes by taking them away from the water *Apologetic and Practical Treatises* Tertullian, Aeterna Press, OF the life of Tertullian little is known except what is contained in the brief account of St Jerome Tertullian a presbyter the first Latin writer after Victor and Apollonius was a native of the province of Africa and city of Carthage the son of a proconsular centurion he was a man of a sharp and vehement temper flourished under Severus and Antoninus Caracalla and wrote numerous works which as they are generally known I think it unnecessary to particularize I saw at Concordia in Italy an old man named Paulus He said that when young he had met at Rome with an aged amanuensis of the blessed Cyprian who told him that Cyprian never passed a day without reading some portion of Tertullian's works and used frequently to say Give me my master meaning Tertullian After remaining a presbyter of the Church until he had attained the middle age of life Tertullian was by the envy and contumelious treatment of the Roman clergy driven to embrace the opinions of Montanus which he has mentioned in several of his works under the title of the New Prophecy but he composed expressly against the Church the *Treatises de Pudicitia de Persecutione de Jejuniis de Monogamia* and six books *de Ecstasi* to which he added a seventh against Apollonius Aeterna Press **Tertullian - de Fuga in Persecutione** Quintus Tertullianus, 2016-02-10 As persecutions in increasing number threaten us so the more are we called on to give earnest thought to the question of how faith ought to receive them and the duty of carefully considering it concerns you no less who no doubt by not accepting the Comforter the guide to all truth have as was natural opposed us hitherto in regard to other questions also We have therefore applied a methodical treatment too to your inquiry as we see that we must first come to a decision as to how the matter stands in regard to persecution itself whether it comes on us from God or from the devil that with the less difficulty we may get on firm ground as to our duty to meet it for of everything one s

knowledge is clearer when it is known from whom it has its origin It is enough indeed to lay it down in bar of all besides that nothing happens without the will of God But lest we be diverted from the point before us we shall not by this deliverance at once give occasion to the other discussions if one make answer Therefore evil and sin are both from God the devil henceforth and even we ourselves are entirely free The question in hand is persecution With respect to this let me in the meantime say that nothing happens without God s will on the ground that persecution is especially worthy of God and so to speak requisite for the approving to wit or if you will the rejection of His professing servants For what is the issue of persecution what other result comes of it but the approving and rejecting of faith in regard to which the Lord will certainly sift His people

Tertullian - to Scapula (Modern US English Translation) Quintus Tertullianus, 2015-08-13 This is a letter to Scapula Proconsul of Africa who had begun persecuting Christians during 212 AD an eclipse visible in Utica is referred to Tertullian exhorts the Proconsul to remember the fate that befell other persecutors of the Church not as a threat but because Christians love those who persecute them and do not wish to see the judgment of God be unleashed on even the most devout haters of the faith
