Charles Anthony Swainson,1859     **A Theology of Testament in the Young Luther: The Lectures on Hebrews** Kenneth Hagen,2022-07-04     *The Lost Revelation* Ira Messenger,2007-12 Providing us with the only known revelation of the Gospel according to substitution a new and exciting interpretation of biblical truth Ira Messenger is probably the most controversial theologian of our day Author of the books *The Wrong Turn* *The Fourth Dimension* and *The Indictment* Messenger is also a radio and television talk show host *The Lost Revelation* offers answers to questions that his listening audience has submitted What makes Messenger so controversial is his attack on the mantra of present day Christianity Messenger brings a different perspective to biblical interpretation one in which God takes the initiative in His relationship with humankind rather than simply observing and judging its actions Do yourself a favor and add the revelation of the Gospel of Substitution to your religious perspective You may find yourself questioning much of what you believed to be true about Christianity     The Gospel Truth Patrick T. Rhoads,2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of the apostles Who do you say that I am     The Law in Galatians In-Gyu Hong,1993-03-01 An investigation of Paul s theology of the law in Galatians in the light of recent hermeneutical developments Part I analyses the structure of the letter the theological perspective of Paul and the argument and identity of the opponents On the basis of these three preliminary considerations Part II treats Paul s view of the law in Galatians The thrust of the author s argument is that the term *nomos* refers to the Mosaic law imposed upon Israel at Mount Sinai and that this law functions on three distinctive levels as the obligation of the Sinai covenant as an enslaving power and as an expression of love     *Leading Cases in the Law of Scotland* George Ross,1849     **A Library of Fathers of the Holy Catholic Church, Anterior to the Division of the East and West: (See v.24) ,**1850     **The Civil Law in Its Natural**

**The First Century Aramaic Bible in Plain English (The Torah-The Five Books of Moses)** Rev. David Bauscher, 2014-03-08 This is a prose English and very literal translation of the first five books of the Old Testament. The Torah, Aramaic, was the language of Jesus and of 1st century Israel. The Peshitta Bible is the world's first entire Christian Bible. The Peshitta Old Testament is itself a translation of the Hebrew Bible, completed in the 1st century AD according to the available evidence. No Peshitta scholar places the Peshitta OT later than the 2nd century AD. As such, it gives an early look at the state of the Hebrew Bible at that time, since Aramaic and Hebrew are sister Semitic languages and about as close to each other as any two languages can be, sharing the same alphabet, writing, grammar, much vocabulary, and even similar pronunciation of many words. Some of the original Old Testament is Aramaic, such as Daniel chapters 2 through 7 inclusive and Ezra 4 through much of 7. It even appears in a verse of Genesis 31 and one verse in Jeremiah 10:11. 228 pages, hardback.
