The book cover features a central collage of biblical illustrations. At the top, three small panels show an elderly man with a long white beard, a woman in a white headscarf, and a man in a dark robe. Below these, a larger panel shows a man in a crown and armor holding a staff. The main title is set against a dark grey background. Below the title, a row of smaller panels depicts various scenes: a man in a hat, a man in a white robe, a man in a dark robe, a landscape with a large moon, and a hand holding a hammer. The bottom half of the cover is dominated by a large, irregularly shaped illustration showing three men in ancient attire standing in a field, with a fourth man kneeling in the foreground. In the background, there are ruins of stone structures. To the right of this large illustration, there are more panels showing a group of people and a hand holding a scroll.

Times Jan Van Tuyl, 2012 This book brings solutions to a very great list of hitherto unsolved chronological and synchronisation problems The reason why those solutions could be found lies in the extensive research the author made in old and often rare texts instead of limiting himself to the near exclusive source of the Bible Ample use has been made of information that is available in works like the Books of Enoch The Apocrypha The Legends of the Jews The Seder Olam the Book of Jasher and many more as well as in the texts from known historians like Herodotus and the famous Jewish historian and priest Flavius Josephus Just a few of the many special findings are The real reason why Joseph was so popular with the Pharaoh Sarah was not Abraham s half sister Moses was uncircumcised and even forbade the ritual for 40 years Terah was not 70 years old when he begat Abraham The exact period of the Judges when they started and when they ended A solution for the verse of the about 450 years of Paul s speech Why did the Lord God give form and then blew life into Adam Eve was not made out of Adam s rib but from another body part A solution to the impossible synchronism of Judah and his sons Enoch made not one but 4 trips to Heaven The definitive answer why did King Josiah attack Necho II Why did King Ahab not fight at Qarqar And many more The book has a unique style It has nothing of the study book difficult to understand texts The subject is serious well researched and treated with respect But that does not mean that it cannot be presented at a fast moving pace in easy to read style with here and there even a bit of humour The purpose of the book is to prove that the promise that the Lord God made to Adam was kept It held that there would be exactly 5500 years between the arrival of Adam in this world and the arrival of Christ Every person who was of importance in that timespan has been visited For every single one there are his years of birth and death or the years of his rule Every person has a short story about some important part of his life his actions or the influence he had on the history of the Hebrew people that lived in that period *Understanding the End Times* Rich Chasse, 2022-09-02 People are fascinated and sometimes terrified by the subject of the End Times and the book of Revelation The topic can be disturbing For some people it can even be scary There s a lot of misinformation out there There are many teachers playing on the insecurities of people with End Times updates that stir up curiosity or fear taking advantage of many as a result To understand how to approach the study of End Times events we need to ask an important question Are current events pointing to a soon return of Jesus How we answer this question will influence how we view the rest of prophecy It s important to understand what goes into answering this question correctly When you turn on the news and watch events unfold do you sense the tension When you flip through your social media or the internet and look at all the

things that are happening does it cause you heartburn or maybe heartache Would you say we are in a unique time in world history So how do you answer the question We ll answer that and more in Understanding the End Times Are Current Events Pointing to a Soon Return of Jesus A Treatise of Testaments and Last Wills ...
