The Time Line New Testament Leonard R. Hoffman,2023-01-17 The New Testament is so much more than you ve been taught Are you ready to discover the truth Through a lifetime of research Dr Leonard Hoffman is able to reveal the true order and sequence of events in the New Testament in the letters of Paul and the Gospels The Time Line New Testament presents an historically accurate timeline of the events of the entire New Testament Go beyond the Christian owner s manual view of the New Testament as you follow Christ and His disciples through the years of His ministry on earth Discover new insights and truths long obscured throughout the letters of Paul as you travel with him on his journeys among the early churches Your eyes will be opened as you see the New Testament in a new light and discover deeper truths that reveal the answers to questions such as What did Paul really teach about persecution and how can it help you today What can you learn from First Century believers What were the true foundational teachings of the First Century Church and how can you bring those teachings to life in your life How did Gentile churches survive those early years and what lessons can the Modern Church learn from them What are the real issues the Early Church faced and how should we deal with those same issues today Let the New Testament come to life in you as your faith is strengthened and your eyes opened to the true stories of conflict grace struggle and overcoming through The Time Line New Testament **The New Testament** Gerd Theissen,2003-10-09 This non technical introduction to the New Testament describes how the various Christian writings were composed over a period of about a century It explains who the authors were when they wrote who they wrote for and why some early Christian writings were canonized as holy scripture and others were not Three Testaments Brian A. Brown,2014-01-02 From

disagreement over an Islamic Center in New York to clashes between Christians and Muslims in Egypt tension between the three Abrahamic faiths often runs high Yet for all their differences these three traditions Judaism Islam and Christianity share much in common Three Testaments brings together for the first time the text of the Torah the New Testament and the Quran so that readers can explore for themselves the connections as well as the points of departure between the three faiths Notable religion scholars provide accessible introductions to each tradition and commentary from editor Brian Arthur Brown explores how the three faiths may draw similarities from the ancient Zoroastrian tradition This powerful book provides a much needed interfaith perspective on key sacred texts
