Colección Testimonios del exilio, 1983 **Memory, War, and Dictatorship in Recent Spanish Fiction by Women**

Sarah Leggott, 2015-06-10 *Memory War and Dictatorship in Recent Spanish Fiction by Women* analyzes five novels by women writers that present women's experiences during and after the Spanish Civil War and Franco dictatorship highlighting the struggles of female protagonists of different ages to confront an unresolved individual and collective past. It discusses the different narrative models and strategies used in these works and the ways in which they engage with their political and historical context particularly in the light of campaigns for the so-called recovery of historical memory in Spain, the memory boom, and in the broader context of memory and trauma studies. The novels that are examined in this book are *Dulce Chacón's La voz dormida* 2002, *Rosa Reg's Luna lunera* 1999, *Josefina Aldecoa's La fuerza del destino* 1997, *Carme Riera's La mitad del alma* 2005, and *Almudena Grandes's El corazón helado* 2007. These works all highlight the multiple nature of memories and histories and demonstrate the complex ways in which the past impacts on the present. This book also considers the extent to which the memories represented in these five novels are inflected by gender and informed by the gender politics of twentieth-century and contemporary Spain.

Flight from Chile Thomas Wright, Rody Oñate, 2023-08-15 2023 marks the fiftieth anniversary of General Pinochet's coup on September 11, 1973. During the wave of mass arrests, torture, and executions that followed, people began fleeing Chile. Over the next fifteen years, some two hundred thousand Chileans sought exile in countries around the world. Out of their anguish and anger come these moving and powerful testimonies of their fractured lives, the first oral history of the Chilean diaspora, now revised and updated. Many who fled had been tortured, and they clung to the principle that the dictatorship was an evil that had to be destroyed. But their zeal and solidarity with other refugees often failed to sustain families. Many marriages collapsed, and children lost interest in their native land and culture. After civilian rule returned in 1990, many returning exiles felt estranged from a homeland forever changed. This timely update of the 1998 collection continues to remind us of the fracturing legacy and enduring oppression of usurpation and authoritarian rule long after its time has passed.

Transnational Cinema Solidarity José Miguel Palacios, 2025 After the 1973 coup that put an end to the socialist government of Salvador Allende, most Chilean filmmakers went into exile. Dispersed all over the world, they made more than two hundred fiction films, documentaries, animations, videos, and works for television. José Miguel Palacios builds upon extensive archival research to trace a transnational history of this radical cinema, beginning with its emergence out of global solidarity networks in the 1970s. Chronicling the dangerous efforts to smuggle film reels out of Chile, the discourses of political cinema, these films inspired as they traveled between film festivals, and these film prints, an unfinished process of return to Chilean archives and museums over the last two decades, *Transnational Cinema Solidarity* offers a politicized understanding of world and transnational cinema that emphasizes geopolitical relations and cinematic

Unamuno, 2020-04-15 A partir de los ejes centrales memoria y violencia el libro traza un recorrido por los textos literarios y testimoniales publicados por exmilitantes del movimiento armado socialista en México desde fines de la década de los setenta hasta nuestros días. Pese a la amplia producción escrituraria y prácticas de memoria estas difícilmente han sido reconocidas en su doble estatuto político y estético. El libro analiza la dinámica de formación y disputas por la fijación de una memoria emblemática como las coyunturas políticas y marcos interpretativos que las atravesaron abordando la literatura carcelaria así como los debates en torno a la rectificación versus la afirmación y continuidad de la lucha armada la denuncia de la tortura la reemergencia de la memoria en el marco de la alternancia partidista y las nuevas agencias como el testimonio de familiares de desaparecidos y de las mujeres que participaron de la lucha armada **Mirrors and Echoes** Emilie L. Se trata de una discusión no zanjada que ocasiona revuelo crítico hasta la década de los noventa y que luego quedó en un plano secundario. El único punto de consenso fue la constatación de lo difícil que resultaba definirlo. En este libro que reúne las investigaciones de diversas académicas se plantea la necesidad de actualizar la definición del testimonio.
