## **Testimony Of The 20th Century:**

**A Twentieth Century Testimony** Malcolm Muggeridge, 1978 A collection of the author's thoughts about faith God and age

**Testimony and Witnessing in Psychoanalysis** Zibi Rosenberg Schipper, 2023-12-01 In this fascinating volume Zibi Rosenberg Schipper approaches the fundamental topic of testimony seeking to recognize its value as a distinct and vital function in psychoanalytic work separate from its inherited importance to work on trauma Rosenberg Schipper introduces a revivifying philosophical linguistic and psychoanalytic approach to the act of testimony focusing on the role of witnessing in daily life and the importance it has as a therapeutic tool in psychoanalytic and psychological therapy Throughout she pinpoints three key psychoanalytic theories on patient testimony She begins by looking at Freud's foundational work on testimony as a means of concealing the unconscious and the questions of credibility in the consulting room this creates before looking at Winnicottian and Kohutian theories whereby therapists take everything the patient says as a definitive truth She concludes by looking at the Intersubjective and Relational schools of thought where the therapist assumes the role of witness By providing a comprehensive overview of the conflicting theories on the topic Rosenberg Schipper equips practicing psychoanalysts and analysts in training with the tools necessary to utilize this vital therapeutic device and engage with it in treatment for all patients

America in the Twentieth Century Marshall Cavendish Corporation, 2002-10 A thirteen volume set that presents an overview of all aspects of twentieth century America and two volumes of primary sources

*Prosecuting Slobodan Milošević* Nevenka Tromp, 2016-04-14 This book offers a comprehensive analysis of the trial of former Serbian leader Slobodan Milošević at the International Criminal Tribunal for the former Yugoslavia ICTY With the premature death of Milošević in March 2006 his trial was left unfinished Although the traditional objectives of criminal law such as retribution justice for victims and deterrence were not achieved the Milošević trial archive is a significant historical resource for researchers from various fields This book extracts details from the collection of documentary and transcript evidence that makes up the trial record sources which would be almost impossible to extricate without an insider's guiding hand to allow readers to trace the threads of several historical narratives The value of this methodology is particularly evident in the Milošević case as acting as his own defence counsel he responded to and interacted with almost all witnesses and evidence presented against him By providing snapshots of the behaviour displayed by Milošević in court while conducting his defence in combination with passages of carefully selected evidence from an immense archive familiar to few scholars this volume reveals how these trial records and trial records in general are a truly invaluable historical source The book underlines the premise that any record of a mass atrocities trial whether finished or unfinished establishes a record of past events contributes to interpretations of a historical period and influences the shaping of collective memory This book will be of much interest to students of the Former Yugoslavia war crimes international law human rights international relations and European politics

The Phenomenology of Testimony , 2025-03-20 Testimony is a central topic in contemporary philosophy

with a vast array of disciplines from epistemology to testimonial literature demonstrating considerable interest in it Among these approaches phenomenology and hermeneutics offer exemplary ways of capturing essential dimensions of testimony that are often overlooked This volume explores the fundamental issues at stake in such a hermeneutical phenomenology by developing new insights into the defining role testimony holds in shaping personal identity and human reality in general By examining how testimony is engaged in the creation of a common world that includes singular experiences the eleven essays collected here provide thought provoking questions for other concerned disciplines including history sociology and ecology

How I Know God Answers Prayer: The Personal Testimony of One Life-Time Rosalind Goforth,2019-11-21 In *How I Know God Answers Prayer The Personal Testimony of One Life Time* Rosalind Goforth presents a deeply introspective narrative that intertwines personal anecdotes and spiritual reflections The book is structured around poignant moments of her life illustrating how prayer served as a sustaining force through trials and triumphs Goforth s literary style is characterized by sincerity and simplicity infused with a didactic tone that beckons readers to examine their own faith journeys This work finds its context within the early 20th century evangelical thought echoing the spiritual fervor of the time while offering profound insights into the transformative power of prayer Rosalind Goforth a prominent missionary and author draws heavily from her rich experiences in China alongside her husband Jonathan Goforth Her endeavors in missionary work undoubtedly shaped her understanding of prayer revealing it as both a personal lifeline and a communal bond among believers Goforth s life and writings reflect a deep commitment to her faith illustrating the lived realities of a woman navigating both joy and hardship in the service of her beliefs This book is highly recommended for anyone seeking a deeper understanding of prayer s role in their spiritual life as well as for those interested in early 20th century missionary experiences Goforth s testimony is not just a personal chronicle but a universal invitation for readers to explore how prayer can be a source of divine connection and assurance in their own lives
