Texas Bound Kay Cattarulla, 1998 This second anthology of Texas Bound contains stories by turns poignant hip fantastical tragic and uproarious Among the authors are literary pacesetters Sandra Cisneros national best sellers James Lee Burke recent prize winners Lisa Sandlin Dagoberto Gilb long recognized Texas talents Miles Wilson Annette Sanford Carolyn Osborn and a big helping of new discoveries Like the first volume of Texas Bound this is both a companion book to the audio editions and an outstanding collection of what the New York Times has described as stories about people coming to terms with love race myths time and honor in towns that transcend Texas even as they evoke it Here s new proof that Texans who prize the storytelling tradition excel at creating short fiction Stories from the History of Texas Willard Frances Scarborough, 1929 John Graves, Writer Mark Busby, Terrell Dixon, 2009-12-03 Runner up Violet Crown Award Writer s League of Texas 2008 Renowned for Goodbye to a River his now classic meditation on the natural and human history of Texas as well as for his masterful ability as a prose stylist John Graves has become the dean of Texas letters for a legion of admiring readers and fellow writers Yet apart from his own largely autobiographical works including Hard Scrabble From a Limestone Ledge and Myself and Strangers surprisingly little has been written about Graves s life or his work John Graves Writer seeks to fill that gap with interviews appreciations and critical essays that offer many new insights into the man himself as well as the themes and concerns that animate his writing The volume opens with the transcript of a revealing often humorous symposium session in which Graves responds to comments and stories from his old friend Sam Hynes his former student and contemporary art critic Dave Hickey and co editor Mark Busby Following this is a more formal interview of Graves by Dave Hamrick who draws the author out on issues relating to each of his major works John Graves s friends Bill Wittliff Rick Bass Bill Broyles John R Erickson Bill Harvey and James Ward Lee speak to the powerful influence that Graves has had on fellow writers In addition to these personal observations nine scholars analyze essential aspects of Graves s work These include the place of Goodbye to a River within environmental literature and how its writing was a rite of passage for its author Graves as a prose stylist and a literary rather than polemical writer the ways in which Graves s major works present different aspects of a single narrative about our relationship to the land the question of gender in Graves s work and Graves s sometimes contentious relationship with Texas Monthly magazine Mark Busby introduces the volume with a critical overview of Graves s life and work and Don Graham concludes it with a discussion of Graves s reception and literary reputation A bibliography of works by and about Graves rounds out the book John Graves Writer confirms Graves s stature not only within Texas letters but also within American environmental writing where Graves deserves to be more widely known Let's Hear It Sylvia Ann Grider, Lou Halsell Rodenberger, 2003 A collection of 22 stories by Texas women writers that weave a story of their own the story of women s writing in the Lone Star State from 1865 to the present Authors include Berverly Lowry Carolyn Osborn Annette Sanford Denise Chavez Katherine Anne Porter Judy Alter and Joyce Gibson Roach **Short Story Index** , 2004

Houston Bound Tyina L. Steptoe, 2015-11-03 Beginning after World War I Houston was transformed from a black and white frontier town into one of the most ethnically and racially diverse urban areas in the United States *Houston Bound* draws on social and cultural history to show how despite Anglo attempts to fix racial categories through Jim Crow laws converging migrations particularly those of Mexicans and Creoles complicated ideas of blackness and whiteness and introduced different understandings about race This migration history also uses music and sound to examine these racial complexities tracing the emergence of Houston's blues and jazz scenes in the 1920s as well as the hybrid forms of these genres that arose when migrants forged shared social space and carved out new communities and politics This interdisciplinary book provides both an innovative historiography about migration and immigration in the twentieth century and a critical examination of a city located in the former Confederacy

Angels Prostate Fall Marshall Terry, 2001 Professor Stanley Morris's orderly world of teaching scholarship and committee meetings is shaken when he gets the surprise so many men of his age dread a diagnosis of prostate cancer In his struggle to keep his sense of humor his identity and his dignity Stanley emerges as a sort of Everyman as he stoically makes his way through his physical and spiritual ordeal Stanley's spirit his loyalty to his wife and family and students and to his place in his university community are at the heart of this small gem of an impressionistic novel

Texas South Plains War Stories Larry A. Williams, Katherine McLamore, 2021-07-21 Every veteran has a story to tell often ones they have not told their own families But as one vet in this collection of original interviews succinctly said of his combat experiences Some things are better left unsaid Documenting recollections from survivors of World War II Korea Vietnam and other conflicts all residents of the Texas Panhandle this book presents narratives from men and women whose young lives for good or ill were defined by their participation in warfare in service to their country

Slavery and Freedom in Texas Jason A. Gillmer, 2017 In these absorbing accounts of five court cases Jason A. Gillmer offers intimate glimpses into Texas society in the time of slavery Each story unfolds along boundaries between men and women slave and free black and white rich and poor old and young as rigid social orders are upset in ways that drive people into the courtroom One case involves a settler in a rural county along the Colorado River his thirty year relationship with an enslaved woman and the claims of their children as heirs A case in East Texas arose after an owner refused to pay an overseer who had shot one of her slaves Another case details how a free family of color carved out a life in

the sparsely populated marshland of Southeast Texas only to lose it all as waves of new settlers civilized the county An enslaved woman in Galveston who was set free in her owner's will and who got an uncommon level of support from her attorneys is the subject of another case In a Central Texas community as another case recounts citizens forced a Choctaw native into court in an effort to gain freedom for his slave a woman who easily passed as white The cases considered here include *Gaines v Thomas* *Clark v Honey Brady* *v Price* and *Webster v Heard* All of them pitted communal attitudes and values against the exigencies of daily life in an often harsh place Here are real people in their own words as gathered from trial records various legal documents and many other sources People of many colors from diverse backgrounds weave their way in and out of the narratives We come to know what mattered most to them and where those personal concerns stood before the law

A Home in the Heart Virginia Brackett, 2005 The only daughter in a family of seven children Sandra Cisneros learned early on how to claim the space and solitude she desired and to rely on her imagination to take her to worlds other than the one around her She grew up between two cultures living in Chicago but traveling regularly to Mexico to visit family This childhood spent navigating different

languages landscapes and customs left Cisneros longing for a place that felt like home She began writing stories and poems in high school continued at Loyola University and went on to graduate school at the prestigious Writers Workshop at the University of Iowa After a few years struggling to define herself as a writer one success has followed another and today Sandra Cisneros is one of the most widely read and admired writers of her generation A committed activist for Mexican American causes she now lives in San Antonio Texas a city famed for its embrace of Mexican culture in a purple house that she calls home *A Home in the Heart* The Story of Sandra Cisneros introduces young adult readers to the groundbreaking author of *Caramelo* *Woman Hollering Creek* and *The House on Mango Street* and relays the compelling story of her life Book jacket *Vanished Texas Coast, The: Lost Port Towns, Mysterious Shipwrecks and Other True Tales* Mark Lardas, 2021

People may associate Texas with cattle drives and oil derricks but the sea has shaped the state s history as dramatically as it has delineated its coastline Some of that history has vanished into the Gulf whether it is an abandoned port town or a gale tossed treasure fleet Revisit the shipwreck that put Texas on the map Add La Salle s lost colony the Texas Navy s forgotten steamship and Galveston s overlooked 1915 hurricane to the navigational charts From the submarines of Seawolf Park to the concrete tanker beached off Pelican Island author Mark Lardas scours the coast to salvage the secrets of its sunken heritage
