10 Temptations of Church John Flowers, Karen Vannoy, 2012-04-01 Church after church faces eventual death while helplessly lamenting its fate What perversity is at work that causes those who sincerely love the church to become obstacles to growth Like the apostle Paul churches don't always do the things they want but instead they do the very thing they hate Why While the theological answer is sin at work in us the organizational answer may just be that members of dying churches unconsciously find a payoff in the church's decline They are tempted by church *Temptations of the Single Girl* Nina Atwood, 2007-12 Atwood takes readers on an inspiring journey of self discovery and relationship recovery in this thoroughly modern fable Through Kelly's story readers can pinpoint which temptations they must learn to resist in order to claim the happiness and the man they deserve *Semper Fi Marines* Melissa Schroeder, 2016 **Great God A'mighty!** J. Jerome Zolten, 2022 In Great God A Mighty The Dixie Hummingbirds author Jerry Zolten portrays one of the most influential gospel groups of the 20th century from 1920s South Carolina to 1940s New York through the Civil Rights era and beyond

Before Elvis Larry Birnbaum, 2013 An essential work for rock fans and scholars Before Elvis The Prehistory of Rock n Roll surveys the origins of rock n roll from the minstrel era to the emergence of Bill Haley and Elvis Presley Unlike other histories of rock Before Elvis offers a far broader and deeper analysis of the influences on rock music Dispelling common misconceptions it examines rock's origins in hokum songs and big band boogies as well as Delta blues detailing the embrace by white artists of African American styles long before rock n roll appeared This unique study ranges far and wide highlighting not only the contributions of obscure but key precursors like Hardrock Gunter and Sam Theard but also the influence of celebrity performers like Gene Autry and Ella Fitzgerald Too often rock historians treat the genesis of rock n roll as a bolt from the blue an overnight revolution provoked by the bland pop music that immediately preceded it and created through the white appropriation of music till then played only by and for black audiences In Before Elvis Birnbaum daringly argues a more complicated history of rock's evolution from a heady mix of ragtime boogie woogie swing country music mainstream pop and rhythm and blues a melange that influenced one another along the way from the absorption of blues and boogies into jazz and pop to the integration of country and Caribbean music into rhythm and blues Written in an easy style Before Elvis presents a bold argument about rock's origins and required reading for fans and scholars of rock n roll history

If you like this book, write a review. *Clowns and Rats Scare Me* Cary Clack, 2012-08-31. San Antonians love Cary Clack for the sparkle of wit and wisdom he brings to them in his column in the San Antonio Express-News. But his style and sensibility make his work equally popular far beyond that city. He offers pithy, probing coverage of national issues such as terrorism, racism and child abuse, but his keen sense of humor often turns to the stuff of everyday life, such as the inexplicable power of Krispy Kreme doughnuts and his terror of clowns. The columns collected here sample the best of 13 years' worth of Clack's amusing and thoughtful commentaries and begin with an enlightening foreword by noted poet Naomi Shihab Nye. *No Strings Attached* Jimmy Nowoc, 2022-06-01. *No Strings Attached: My Life Growing Up with the Birth of Rock and Roll* offers a nostalgic look at life growing up in the fifties and sixties. The narrative provides a bird's-eye view as seen through the eyes of a young devotee of music as it is changing from ballroom to bandstand and from pop to rock. Learn what song the FBI deemed most dangerous record ever played. Consider who may have been the inspiration for the movie classic *The Sandlot*. Tune in to the Rock Anthem that became the only song embraced by both pro-war and anti-war supporters embraced by groups who either supported or condemned the Vietnam War. Find out what teen idol hit ranked number one as it ushered out the 50s and welcomed in the 60s. Which rock star refused to sign an autograph for a veteran on Veteran's Day? Experience with the author what it was like to first hear the earliest hits of our greatest rock legends and his impressions of the same encountering them five and six decades later. Relive appearances by Frank Sinatra, Elvis Presley and twenty-nine-year-old Elton John as they thrill sold-out audiences performing while in their prime. Travel to Fort Knox, Kentucky, Fort Gordon

Georgia and Vietnam as the author recalls the music that our veterans were listening to when they served our nation as they participated in a very unpopular war Learn how rock affected their service Feel the respect and admiration our GIs extended to Bob Hope for his dedication to our servicemen serving in harm s way by someone who attended his Christmas Day performance in 1966 Dispensing firsthand stories told to him by many of the principals present in 1959 the author shares his expertise telling the story that inspired Don McLean s epic lyrical poem American Pie The story will allow you to secure a look from a front row position at the world s most prestigious sixties concert held at one of the most honored venues the Surf Ballroom

Scandalizing Jesus? Darren J. N. Middleton, 2005-11-03 2005 marks the fiftieth anniversary of Nikos Kazantzakis The Last Temptation of Christ Since Kazantzakis ranks as one of the twentieth century s most important European writers and given that this particular work of his has garnered so much publicity this collection of essays reassesses the novel though not forgetting the movie in light of one half century s worth of criticism and reception history Clergy and laity alike have denounced this novel When it first appeared the Greek Orthodox Church condemned it the Vatican placed it on its Index of Forbidden Texts and conservative evangelicals around the world protested its allegedly blasphemous portrayal of a human struggling Messiah who succumbs to the devil s final snare while on the Cross the temptation to happiness Assuredly the sentiments surrounding this novel at least in the first thirty years or so were very strong When Martin Scorsese decided in the early 1980s to adapt the novel for the silver screen even stronger feelings were expressed Even today his works are seldom studied in Greece largely because the Greek government is unable or unwilling to anthologize his material for the national curriculum After fifty years however the time seems right to re examine the novel the man and the film locating Kazantzakis and his work within an important debate about the relationship between religion and art literary and cinematic Until now a book length assessment of Kazantzakis novel and the film it inspired has not appeared No such volume is planned to commemorate the fiftieth anniversary of the novel s publication For those who work in Kazantzakis studies a focused anthology like this one is missing from library collections The volume contains original essays by Martin Scorsese the film critic Peter Chattaway and Kazantzakis translator Peter A Bien
