TANAK Marvin A. Sweeney, 2011-11-01 Though biblical theology has long been considered a strictly Christian enterprise Marvin A Sweeney here proposes a Jewish theology of the Hebrew Bible based on the importance of Tanak as the foundation of Judaism and organized around the major components Torah Nevi'im Prophets and Ketuvim Writings Sweeney finds the structuring themes of Jewish life the constitution of the nation Israel in relation to God the disruption of that ideal documented by the Prophets and the reconstitution of the nation around the Second Temple in the Writings Throughout he is attentive to tensions within and among the texts and the dialogical character of Israel's sacred heritage Publisher description

Introduction to Reading the Pentateuch Jean Louis Ska, 2006 When Jean Louis Ska's *Introduzione alla lettura del Pentateuco* was first published in Italy it was quickly hailed as the most attractive and usable introduction to the Pentateuch to appear in modern times Because of its strengths it was soon translated into French The English translation published by Eisenbrauns has been completely reviewed and updated including the bibliography by Ska Among the book's many strengths are its close attention to the ways in which modern cultural history has affected Pentateuchal interpretation attention to providing the kinds of examples that are helpful to students presentation of a good balance between the history of interpretation and the data of the text and the clarity of Ska's writing For both students and scholars many consider this book the best contemporary introduction to the Pentateuch Reading the Wife/Sister Narratives in Genesis Hwagu Kang, 2018-10-31 The book of Genesis introduces three similar wife sister narratives commonly thought to be originating

from different sources because of their repetitive entries This research explores the wife sister narratives in Genesis Gen 12 10 13 1 20 1 18 and 26 1 11 and it aims to provide an understanding of the three stories as a whole by uncovering its context by textlinguistic and literary type scene analysis Textlinguistic analysis helps us to see how each wife sister narrative functions in its context while type scene analysis emphasizes how the three narratives develop and contribute to the patriarchal narratives through their similarities and variations Although the traditional type scene analysis studies recurrent fixed motives in texts this study focuses much more on literary aspects such as characterization theme and plot Through this study the three wife sister stories will elaborate that the patriarchal narratives are not results of different authors but the well developed products of a single author The three wife sister stories work together to highlight God s faithfulness to his promises Gen 12 1 3

Scripture and Metaphysics Matthew Levering, 2008-04-15 This book makes a major contribution to contemporary theological and philosophical debates bridging scriptural and metaphysical approaches to the triune God Bridges the gap between scriptural and metaphysical approaches to biblical narratives Retrieves Aquinas s understanding of theology as contemplative wisdom Structured around Aquinas s treatise on the triune God in his Summa Theologiae Argues that intellectual contemplation is part of a broader spiritual journey towards a better understanding of God Contributes to the current resurgence of Thomistic theology in both Protestant and Catholic circles

Reverberations of the Exodus in Scripture R. Michael Fox, 2014-05-12 Inner biblical studies is a blossoming field Within this growing specialization Reverberations of the Exodus in Scripture is a unique and refreshing contribution Unlike most studies in this area focusing either solely on how Old Testament passages interact with other Old Testament texts or on the use of the Old Testament in the New Testament this volume examines how a central and paradigmatic biblical event the exodus from Egypt resurfaces time and again in both testaments Furthermore the collaborative nature of this project has allowed specialists to construct each chapter Readers of Reverberations of the Exodus in Scripture will gain a better understanding of the role of the exodus throughout the biblical canon and a deeper appreciation for its place in biblical theology

The Genesis of Good and Evil Mark S. Smith, 2019-01-01 For centuries the Garden of Eden story has been a cornerstone for the Christian doctrine of the Fall and original sin In recent years many scholars have disputed this understanding of Genesis 3 because it has no words for sin transgression disobedience or punishment Instead it is about how the human condition came about Yet the picture is not so simple The Genesis of Good and Evil examines how the idea of the Fall developed in Jewish tradition on the eve of Christianity In the end the Garden of Eden is a rich study of humans in relation to God that leaves open many questions One such question is Does Genesis 3 4 and 6 taken together support the Christian doctrine of original sin Smiths well informed close reading of these chapters concludes

that it does In this book he addresses the many mysterious matters of the Garden story and invites readers to explore questions of their own Echoes of Exodus Bryan D. Desmond Alexander,2022-04-12 This accessibly written textbook has been a popular introduction to the Pentateuch for over twenty five years It identifies the

Loken,2008-05 Provides a discussion of introductory matters such as authorship date historical background purpose structure and outline of the historical books of the Old Testament Out of Eden Beverly J. Stratton,1995-12-01 Out of Eden contributes towards conversations about interpreting scripture Rather than adopting traditional views creation and fall or growth this study integrates literary critical theories and feminist scholarship to read the Genesis narrative in relation to concerns of contemporary communities The question of how we might engage the interpretative process and the rhetorical power of texts as we live our lives out of Eden is addressed Stratton argues that the interpretation of Genesis 2-3 matters that there are consequences for the actions we take on the basis of our interpretations and that we should enter the interpretative process only with care **Torah As Teacher** Kent Aaron Reynolds,2010 Despite extensive study of the poetic features of Psalm 119 the conceptions it advocates and its contribution to developing Judaism have not been well understood indeed some scholars have dismissed the psalm as containing little more than wearisome repetition Reynolds distinguishes between the psalmist and the speaker within the psalm The psalmist portrays the speaker as an exemplary Torah student and thereby promotes the contemplation of Torah as a facet of ethical instruction Using this new perspective Reynolds contributes a fresh and coherent understanding of the ideas in Psalm 119 He explains the function of its length and highlights its emphasis on Torah study that became axiomatic in Rabbinic Judaism Publisher's website
