The Healing Power of Combining Hands on Healing with Angelic Energy and Aromatherapy Antonia Brasted PhD CGC RA, 2022-10-20 they shall lay hands on the sick and they shall recover Mark 16 18 KJV anointed many sick people with oil and healed them Mark 6 13 KJV Hopefully this book will be a humble reminder to all of those involved in healing work which combines two healing techniques that are as powerful today as they were in the Biblical times Anointing with essential oil was commonly practiced throughout the Scriptures for many different purposes The New Testament mentions it specifically in connection with praying for the sick Today s Aromatherapy is practiced in many different settings and variations but a common denominator among all aroma therapists is the sense of reverence towards the miracle of nature in the form of essential oils They know that fragrance can affect the mood calm relax and release emotions Today s energy work also comes in a variety of methods but what all of them have in common is the unconditional love and the spiritual meaning of healing

The Straight Path of the Spirit Richard Katz, 1999-04-01 The inspiring story of one man s exploration of indigenous healing in a culture fighting to preserve its spiritual health A firsthand account of a little known healing tradition A dramatic story of self transformation by a well respected Harvard educated anthropologist In the late 1970s Richard Katz a clinical psychologist trained in anthropology spent two years living in a remote island community in Fiji hoping to record the practices of its healers At the foundation of their healing he discovered was the concept of the straight path a journey through life whose truth is revealed only to the extent that it is searched for with honesty and faith It is a way of healing that in its very essence is a way of living a path that emphasizes the spiritual dimensions of health and the relevance of these to the community But while interviewing healers at work Katz was drawn into an increasingly suspenseful drama Unexplained deaths rumors and suspicions and the intrusion of a zealous evangelist rocked the village and soon revealed to the author the dangerous alternative to the straight path the misuse of power that some call witchcraft The Straight Path of the Spirit is an engrossing story of indigenous healers and a dramatic account of cultures in collision Through the story of his own self transformation Katz reveals not only those aspects of life essential for the Fijians as they

struggle to hold onto their identity but also what is of importance to all of us who seek to retain our humanity *Magic and Stone* Teresa Howard,2025-03-10 On Tobar magic is dying and the living Stones are magic One by one they are ceasing to exist Something is causing their magic to die and not even the wisest of the Stones know why Jaida a young Stone tries to understand what is happening to her people They have lived on Tobar for centuries Once their magic was powerful but now it is failing Thus begins an epic tale of two remarkable women and the magical Stone that guides them Jaida reaches out to the only other source of magic on her world the short lived people who inhabit the surface of Tobar Her first attempt to contact these people goes horribly wrong The men do not understand her voice and destroy many of the Stones Jaida discovers that not all people possess magic and they are killing their people with the gift Soon they will destroy all magic on Tobar even the Stones She finds Llari a young girl with powerful magic who can hear Jaida s voice But can Jaida trust her The elder Stones say no Jaida has no other choice They must work together to save magic *Spiritual Healing* Jack Angleo,2016-01-28 Spiritual healing is an ancient art which has been practised for thousands of years in many different cultures Today healers are working more closely with doctors as spiritual healing effectively complements orthodox medicine But spiritual healing extends to other levels of our being to discover the causes of illness and heal body mind and spirit This practical guide outlines what spiritual healing is how healing relates to human energy system how spiritual healing can work for you how and where to find a healer how to use self healing techniques *The Healer* Dani Collins,2017-08-01 Are they each other s downfall Or salvation Athadia is a Healer possibly the last of her dwindling race Vaun is the warrior who rescues her then refuses to let her go She knows by his first touch he is a Latent a half blood and potential mate but he s also her mortal enemy She needs to escape hopefully with his unborn child in her womb Athadia keeps Vaun s soldiers alive on their perilous journey back to Kerfdom but once there Vaun is ordered by his brother the King to kill her Keeping her is viewed as treason but she offers him a type of healing that has eluded him all his life It can t be love though Athadia is forbidden to take a life mate As conspiracies are revealed and war threatens can they unite their people against a common foe Or will she cause Vaun to be revealed as one of her own ensuring they re both killed and all hope of a future lost *Women and Demons* Gerda Sengers,2021-10-11 This rich ethnographic study describes the nearly impossible challenge of the daily existence of women in the poor neighbourhoods of Cairo When these women fall ill they often put the blame on beings from an invisible world that invaded their body possession and they seek the help of traditional healers in the Zar ceremony or Koran healing This book examines in detail the links between cosmology power and gender It tackles questions such as what is possession what is being said with it and what does society have to do with it The author who lived a long time in various poor areas of Cairo attended many sessions of Koran healing and participated in the Zar ceremony She observed and interviewed many possessed women as well as healers and other demon specialists **Indian Women in Fiji** Kuldip Gill,2010 Dr Kuldip Gill was a remarkable lady She entered anthropology as a mature student and pursued her Ph D in the University of British
