Notebook Sermons Loretta Ellen Edwards, 2021-01-27 Notebook Sermons By Loretta Ellen Edwards Loretta Ellen Edwards not her real name of course does not want to be connected to her stories Not because she is ashamed she wishes for her theories to sink or swim based on the truth rather than her personality the way she dresses or any other mortal opinion For a long time Edwards has thought Christians have been following a well worn path without any thought of where they were going or why When their religion does not make sense they shrug their shoulders and think It must be true Everyone believes this way Notebook Sermons are short easy to read stories that will challenge readers thoughts and beliefs Edwards asks that you do not believe her but rather think for yourself The kingdom of heaven is within you Find the answers that will make you a true believer This thought provoking work is a great way to fill time between activities and can be used in a study group to discuss among others You may just find answers to questions you had never thought to ask
