**The Hebrew and Other Creations** Gerald Massey, 1987      **The Hebrew and Other Creations Fundamentally Explained** Gerald Massey, 1888      *The Songs of Creation* Rita Marè, Engelize de Lange, 2012-01-04 There is no available information at this time      Plato and the Creation of the Hebrew Bible Russell E. Gmirkin, 2016-08-12 Plato and the Creation of the Hebrew Bible for the first time compares the ancient law collections of the Ancient Near East the Greeks and the Pentateuch to determine the legal antecedents for the biblical laws Following on from his 2006 work *Berosus and Genesis* Manetho and Exodus Gmirkin takes up his theory that the Pentateuch was written around 270 BCE using Greek sources found at the Great Library of Alexandria and applies this to an examination of the biblical law codes A striking number of legal parallels are found between the Pentateuch and Athenian laws and specifically with those found in Plato's *Laws* of ca 350 BCE Constitutional features in biblical law Athenian law and Plato's *Laws* also contain close correspondences Several genres of biblical law including the Decalogue are shown to have striking parallels with Greek legal collections and the synthesis of narrative and legal content is shown to be compatible with Greek literature All this evidence points to direct influence from Greek writings especially Plato's *Laws* on the biblical legal tradition Finally it is argued that the creation of the Hebrew Bible took place according to the program found in Plato's *Laws* for creating a legally authorized national ethical literature reinforcing the importance of this specific Greek text to the authors of the Torah and Hebrew Bible in the early Hellenistic Era This study offers a fascinating analysis of the background to the Pentateuch and will be of interest not only to biblical scholars but also to students of Plato ancient law and Hellenistic literary traditions      The Social Meanings of Sacrifice in the Hebrew Bible David Janzen, 2012-08-09 This work uses anthropological theory and field studies to investigate the social function and meaning of sacrifice All rituals including sacrifice communicate social beliefs and morality but these cannot be determined outside of a study of the social context Thus there is no single explanation for sacrifice such as those advanced by Ren Girard or Walter Burkert or late 19th and early 20th century scholars The book then examines four different writings in the Hebrew Bible the Priestly Writing the Deuteronomistic History Ezra Nehemiah and Chronicles to demonstrate how different social origins result in different social meanings of sacrifice      **The Narration of Creation** R.E. Franzen M.Div. BCC, 2025-01-26 Imagine sitting at the feet of Jesus with Him telling you His very own story of how He created you Who better to tell God's story about you than God Himself How do we hear the purity of that story The Narration of Creation shares a progression through God's revelation of the Genesis creation in a fresh inspirational way It describes two lenses in which we interpret through and the contrast between the two God intended His story to unfold from His perspective a top down perspective rather than from the usual ground up viewpoints This study reveals the very person and nature of God Himself and in doing so offers new contributions to our understanding of God's creation story Hearing the purity of the creation narrative allows you to discover your true identity find security and belonging and feel valued and loved

beyond measure Uplifting and enlightening this devotional style study invites you to view the creation story through the lens of God's attributes and nature

*Gospel Christianity* Thomas Alfred Davies, 1896

Reconsidering Creation Ex Nihilo in Genesis 1 Nathan J. Chambers, 2020-11-15 There is a broad consensus among biblical scholars that creation ex nihilo from nothing is a late Hellenistic concept with little inherent connection to Genesis 1 and other biblical creation texts In this book Nathan J Chambers forces us to reconsider the question arguing in favor of reading this chapter of the Bible in terms of ex nihilo creation and demonstrating that there is a sound basis for the early Christian development of the doctrine Drawing on the theology of Augustine of Hippo and Thomas Aquinas Chambers considers what the ex nihilo doctrine means and does in classical Christian dogma He examines ancient Near Eastern cosmological texts that provide a potential context for reading Genesis 1 Recognizing the distance between the possible historical and theological frameworks for interpreting the text he illuminates how this doctrine developed within early Christian thought as a consequence of the church's commitment to reading Genesis 1 as part of Christian Scripture Through original close readings of the chapter that engage critically with the work of Jon Levenson Hermann Gunkel and Brevard Childs Chambers demonstrates that far from precluding interpretive possibilities reading Genesis 1 in terms of creation from nothing opens up a variety of interpretive

avenues that have largely been overlooked in contemporary biblical scholarship Timely and innovative this book makes the case for a new or recovered framework for reading Genesis 1 that will appeal to biblical studies scholars and seminarians

**Critical Spatiality in Genesis 1-11** Zhenshuai Jiang, 2018-09-10 Space in the Hebrew Bible is increasingly studied from the perspective of critical spatiality emphasizing the social and cultural dimension of space how people experience space and their creativity in constructing space Zhenshuai Jiang investigates the discourses on space in Gen 1 11 and discusses the connection between social space and spatial narrative He deals with various questions in different spatial terms with a detailed textual analysis of Gen 1 11 How is space constructed in Gen 1 11 To what extent and how is this construction influenced by social and cultural elements The author describes specifically how space in Gen 1 11 is constructed rhetorically taking into account historical and social circumstances in which the texts were written

[Creation and the Persistence of Evil](#) Jon D. Levenson, 1994-12-19 This paperback edition brings to a wide audience one of the most innovative and meaningful models of God for this post Auschwitz era In a thought provoking return to the original Hebrew conception of God which questions accepted conceptions of divine omnipotence Jon Levenson defines God's authorship of the world as a consequence

of his victory in his struggle with evil He traces a flexible conception of God to the earliest Hebrew sources arguing for example that Genesis 1 does not describe the banishment of evil but the attempt to contain the menace of evil in the world a struggle that continues today

**Creation Rediscovered** Jeffery M. Leonard, 2021-10-05 Creation Rediscovered by Jeffery M Leonard guides readers through a contextual reading of the Bible's creation stories Over the last two centuries few subjects have generated as much controversy for Christians as has creation The whethers whens and hows of creation have often become a battlefield in which the pitched forces of competing sides Darwinists and creationists young earthers and old figurativists and literalists have struggled for the upper hand Like most battles this fight has tended to inflict a fair amount of collateral damage along the way This is especially true for those put in the terrible position of feeling they have had to choose between the Bible they have fallen in love with and the science they have studied In this book Jeffery Leonard writes to fellow travelers in the faith who want to take the biblical text seriously while at the same time appreciate science's exploration of what we consider to be God's creation It is his contention that setting the Bible's creation texts back within their ancient context allows us to do both of these things Indeed Leonard believes that when we reread what the Bible has to say about creation in its original setting we find meaning in the text far more profound than what we have previously imagined Key points and features Written by a Bible scholar Unique timely and fresh interpretation Helps readers see the Bible's creation stories as vessels of healing and hope in God's larger plan for humanity Attempts to redirect Christians to read the ancient creation stories within the context in which they were written

**Tradition, Transmission, and Transformation from Second Temple Literature through Judaism and Christianity in Late Antiquity** Menahem Kister, Hillel Newman, Michael Segal, Ruth Clements, 2015-10-05 Many types of tradition and interpretation found in later Jewish and Christian writings trace their origins to the Second Temple period but their transmission and transformation followed different paths within the two religious communities For example while Christians often translated and transmitted discrete Second Temple texts rabbinic Judaism generally preserved earlier traditions integrated into new literary frameworks In both cases ancient traditions were often transformed to serve new purposes but continued to bear witness to their ancient roots Later compositions may even provide the key to clarifying obscurities in earlier texts The contributions in this volume explore the dynamics by which earlier texts and traditions were transmitted and transformed in these later bodies of literature and their attendant cultural contexts
