The Heritage Of Modern Criminology:

The Heritage of Modern Criminology Sawyer F. Sylvester, 1972 *The Heritage of Modern Criminology* Sawyer F. Sylvester, 1972 **A History of Modern American Criminal Justice** Joseph F. Spillane, David B. Wolcott, 2013 This text focuses on the modern aspects of the history of criminal justice from 1900 to the present A unique thematic approach rather than a chronological approach sets this book apart from comparable books on the subject with chapters organized around themes such as policing courts due process and prison and punishment Making connections between history and contemporary criminal justice systems structures and processes this text offers the latest in historical scholarship made relevant to the needs of current and future practitioners in the field P 4 of cover Companion to the History of Modern Science G N Cantor, G.N. Cantor, J.R.R. Christie, M.J.S. Hodge, R.C. Olby, 2020-10-07 The 67 chapters of this book describe and analyse the development of Western science from 1500 to the present day Divided into two major sections The Study of the History of Science and Selected Writings in the History of Science the volume describes the methods and problems of research in the field and then applies these techniques to a wide range of fields Areas covered include the Copernican Revolution Genetics Science and Imperialism the History of Anthropology Science and Religion Magic and Science The companion is an indispensable resource for students and professionals in History Philosophy Sociology and the Sciences as well as the History of Science It will also appeal to the general reader interested in an introduction to the subject

Encyclopedia of Race and Crime Helen Taylor Greene, Shaun L. Gabbidon, 2009-04-14 The organization of the reader's guide especially the groupings of landmark cases race riots and criminology theories is impressive Other related titles lack the breadth detail and accessibility of this work Recommended for all libraries essential for comprehensive social studies collections Library Journal As seen almost daily on local and national news race historically and presently figures prominently in crime and justice reporting within the United States in the areas of hate crimes racial profiling sentencing disparities wrongful convictions felon disenfranchisement political prisoners juveniles and the death penalty and culturally specific delinquency prevention programs The Encyclopedia of Race and Crime covers issues in both historical and contemporary context with information on race and ethnicity and their impact on crime and the administration of justice These two volumes offer a greater appreciation for the similar historical experiences of varied racial and ethnic groups and illustrate how race and ethnicity has mattered and continues to matter in the administration of American criminal justice Key Features Covers a number of broad thematic areas basic concepts and theories of criminal justice the police courts and corrections juvenile justice public policy the media organizations specific groups and populations and specific cases and biographies Addresses such topics as gender hate bias crimes immigrant experiences international and cross cultural issues race and gangs and race and law Presents experiences of all major racial and ethnic groups in the U S including Asians Blacks Latinos Native Americans and Ethnic Whites as well as religious minorities such as Muslims Includes coverage of recent incidents like the

alleged rape of a black female North Carolina Central University student by white male members of the Duke University Lacrosse Team the Jena 6 incident the Tulia Texas drug arrests the Rodney King beating the O J Simpson trials in the 1990s and more recent racial profiling incidents Two appendices provide information on locating and interpreting statistical data on race and crime as well as detailed instructions on how to access statistical data on the web for such specific areas as arrests drugs gang membership hate crimes homicide trends juvenile justice prison populations racial profiling the death penalty and victimization Because the topic of race and crime is of wide interest and relevance entries in this Encyclopedia are written in an accessible style to appeal to a broad audience making it a welcome addition to academic and public libraries alike

Feminism and Global Justice Kerry Carrington, 2014-10-17 In this book Kerry Carrington takes a bold critical and reflexive approach to understanding the global divisions and inequalities that shape distinctive patterns of gender and crime The book argues that in order for feminist criminology to enhance its conceptual and political relevance in the twenty first century bold new directions in scholarship on gender crime and global justice are required that also take into account global divisions and inequalities Issues explored in the book include the forced marriage of child brides female genital mutilation femicide honour crimes rape and domestic violence and the systemic denial of female rights justified by religion custom or culture It also explores rising rates of violence recorded for women offenders globally and their increasing participation in terrorism as well as troubling male on male violence in anomic spaces cultivated by globalising forces Feminism and Global Justice argues that the world needs feminism more than ever to address systemic culturally shaped and diverse forms of injustice experienced by females across the globe many of them children It will be essential reading for international and national human rights organisations as well as academics and students engaged in the study of criminology development studies sociology politics and gender studies
