Passions 1848-1945 Theodore Zeldin, 1993 No QB copy **Canaan and Israel in Antiquity: A Textbook on History and Religion** K. L. Noll, 2013-03-14 This comprehensive classic textbook represents the most recent approaches to the biblical world by surveying Palestine s social political economic religious and ecological changes from Palaeolithic to Roman eras Designed for beginners with little knowledge of the ancient world and with copious illustrations and charts it explains how and why academic study of the past is undertaken as well as the differences between historical and theological scholarship and the differences between ancient and modern genres of history writing Classroom tested chapters emphasize the authenticity of the Bible as a product of an ancient culture and the many problems with the biblical narrative as a historical source Neither maximalist nor minimalist it is sufficiently general to avoid confusion and to allow the assignment of supplementary readings such as biblical narratives and ancient Near Eastern texts This new edition has been fully revised incorporating new graphics and English translations of Near Eastern inscriptions New material on the religiously diverse environment of Ancient Israel taking into account the latest archaeological discussions brings this book right up to date
