Sitting on a Keg of Dynamite John Neal Phillips,2022-09-08 On April 16 1947 the French vessel SS Grandcamp carrying ammonium nitrate fertilizer

exploded in the port of Texas City just north of Galveston Texas Nearly 600 people died instantly and property damage reached catastrophic proportions The Texas City disaster remains to date the worst industrial accident in U S history Among those killed was William Roach a Roman Catholic priest known affectionately as Father Bill Sitting on a Keg of Dynamite by historian John Neal Phillips tells the remarkable story of Father Bill s life and premature death against the backdrop of the rapid growth and near destruction of an American industrial city Through extensive archival research and oral interviews Phillips pieces together previously unknown details of Father Bill s story to present a well rounded portrait of the man who is today revered as a hero Born in Philadelphia Roach attended seminary in Arkansas before he went on to serve as parish priest for St Mary of the Miraculous Medal in Texas City Restless energetic and beloved for his humor tolerance and empathy Father Bill was an outspoken advocate for poor and working class citizens fair wages and workplace safety One evening as Phillips vividly recounts Roach sat on the church steps looking out at the strange orange yellow light created by hydrocarbon gas flares emerging from nearby oil refineries I feel like I m sitting on a keg of dynamite he told parishioners who were passing by His premonition proved prophetic When a fire erupted onboard the Grandcamp Father Bill hurried to the docks to lend assistance It was then that the ship detonated There is still much to be learned from the Texas City disaster and from the legacy of Father Bill an early crusader for social justice in America Descendants of the disaster victims received financial reparations and yet as Phillips cautions safety and environmental regulations barely exist in Texas today particularly when it comes to the petrochemical industry Sitting on a Keg of Dynamite serves as a cautionary tale for Texans and all Americans as environmental accidents continue to threaten our safety *Sporting Magazine* ,1821 **Learning from Burnout** Tim Casserley,David Megginson,2009 Examines the nature causes and symptoms of burnout the role of dysfunctional organisations in contributing to burnout and how coaches HR professionals and bosses can support people experiencing burnout
