

The background of the entire cover is a vibrant underwater photograph. A large sea turtle, likely a Hawksbill, is swimming towards the right in the center of the frame. It has a patterned brown and white shell and a yellowish head. Surrounding the turtle are numerous small, bright orange fish, possibly Surge wrasse, swimming in various directions. The water is a deep, clear blue, and the bottom of the frame shows a glimpse of a coral reef with some white and brown coral structures.
