encompassing story Max Ophuls memorable life ends violently in Los Angeles in 1993 when he is murdered by his Muslim driver Noman Sher Noman also known as Shalimar the Clown At first the crime seems to be politically motivated Ophuls was previously ambassador to India and later US counterterrorism chief but it is much more Ophuls is a giant an architect of the modern world a Resistance hero and best selling author brilliant economist and clandestine US intelligence official But it is as Ambassador to India that the seeds of his demise are planted thanks to another of his great roles irresistible lover Visiting the Kashmiri village of Pachigam Ophuls lures an impossibly beautiful dancer the ambitious and willing Boonyi Kaul away from her husband and installs her as his mistress in Delhi But their affair cannot be kept secret and when Boonyi returns home disgraced and obese it seems that all she has waiting for her is the inevitable revenge of her husband Noman Sher Noman Shalimar the Clown He was an acrobat and tightrope walker in their village s traditional theatrical troupe but soon Shalimar is trained as a militant in Kashmir s increasingly brutal insurrection and eventually becomes a terrorist with a global remit and a deeply personal mission of vengeance In this stunningly rich book everything is connected and everyone is a part of everyone else A powerful love story intensely political and historically informed Shalimar the Clown is also profoundly human an involving story of people s lives desires and crises as well as in typical Rushdie fashion a magical tale where the dead speak and the future can be foreseen
