About THE HANDMAIDEN OF DEATH Sixteen year old Amber Marsden must fight for survival after a botched drug deal leaves her orphaned on the frozen streets of Detroit With nowhere to turn Amber takes shelter among the ruins only to discover that she s not alone in the dark In praise of THE HANDMAIDEN OF DEATH Compellingly written character driven story that follows the life of a wayward teen from the wrong side of the tracks who finds herself the guest of a wealthy man who turns out to be someone she never expected Dialogue is incredibly naturalistic and flows to create scenes rather than relying heavily on narrative description to set the stage Unique and fresh perspective on the vampire genre and full of deep symbolic prose reminiscent of Anne Rice s works I highly recommend this up and coming author and look forward to the next installment in the series Bethann Rodgers The Bookish Maven A Literary Blog
