Stone Motel Morris Ardoin,2020-04-15 In the summers of the early 1970s Morris Ardoin and his siblings helped run their family s roadside motel in a hot buggy bayou town in Cajun Louisiana The stifling sticky heat inspired them to find creative ways to stay cool and out of trouble When they were not doing their chores handling a colorful cast of customers scrubbing motel room toilets plucking chicken bones and used condoms from under the beds they played canasta an old ladies game that provided them with a refuge from the sun and helped them avoid their violent troubled father Morris was successful at occupying his time with his siblings and the children of families staying in the motel s kitchenette apartments but was not so successful at keeping clear of his father a man unable to shake the horrors he had experienced as a child and later as a soldier The preteen would learn as he matured that his father had reserved his most ferocious attacks for him because of an inability to accept a gay or to his mind broken son It became his dad s mission to fix his son and Morris s mission to resist and survive intact He was aided in his struggle immeasurably by the love and encouragement of a selfless and generous grandmother who provides his story with much of its warmth wisdom and humor

Against the Country Ben Metcalf, 2018-08-21 NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY VULTURE AND ONE OF THE BEST BOOKS OF THE YEAR BY NPR Against the Country is a gift for fans of Southern Gothic and metafiction alike Set in the Virginia pines

and overrun with failed parents racist sex offenders cast off priests and suicidal chickens this novel challenges literary convention even as it attacks our national myth that the rural naturally engenders good while the urban breeds an inevitable sin In a voice both perfectly American and utterly new Ben Metcalf introduces the reader to Goochland County Virginia a land of stubborn soil voracious insects lackluster farms and horrifying trees and details one family's pitiful struggle to survive there Eventually it becomes clear that Goochland is not merely the author's setting it is a growing throbbing menace that warps and scars every one of his characters lives Equal parts fiery criticism and icy farce *Against the Country* is the most hilarious sermon one is likely to hear on the subject of our native soil and the starkest celebration of the language our land produced The result is a literary tour de force that raises the question Was there ever a narrator in all our literature so precise so far reaching so eloquently misanthropic as the one encountered here Praise for *Against the Country* Iconoclastic *Against the Country* has obvious affinities to Southern Gothic both in its voice and in the delight it takes in rural ignorance and grotesqueries A country cousin of David Foster Wallace The New York Times Book Review Exceptional in its verbal brilliance and conscientiousness *Against the Country* involves us in a family's anguished and hilarious struggle against the strange dooms that seem peculiar to white rural America This is a savage and gladdening novel Joseph O'Neill author of *Netherland* and The Dog Metcalf's unnamed narrator dazzles with his Puritan deadpan and capacious intellect not to mention his double barreled blasts of dark humor and wicked satire There are so many brilliant turns of phrase in *Against the Country* that it's hard to choose favorites but Metcalf is at his sharpest and most seductive when his antihero does more than blast and blame when he steps outside his sermons to say something real Every note in every solo is sounded with exquisite perfection Slate Faulknerian eccentric magnificent Southern Gothic metafiction Vanity Fair Ben Metcalf is a brilliant writer and *Against the Country* is an ingenious and hilarious novel a glittering bitter celebration of how the lousiness of life can be redeemed in the hands and mouth of a top shelf teller of life's stories Sam Lipsyte author of *The Ask and The Fun Parts* A daring conglomeration of every trick swindle and gimmick possible using only ink and paper a pulpwood imagination machine so finely and expertly wrought that it can take on Jefferson Thoreau the church patriotism race relations sexual identity J.D. Salinger the myth of America and a thousand other targets *Against the Country* is absolutely and completely worth all investment of time and effort because it is an undeniably beautiful object sharp as a new razor NPR One of the more necessary and most eloquent expressions of a distinctly American provincial rage in some years Flavorwire [The Actor and the Housewife](#) Shannon Hale,2010-06-14 This magical story explores what could happen when one woman's not so secret celebrity crush walks right into real life and changes everything **The Virgin's Wedding Night** Sara Craven,2008-01-01 A bride for the taking Harriet Flint must marry before she's twenty five if she is to claim her inheritance She turns to sexy Roan Zandros who agrees to a marriage in name only Their marriage vows exchanged Roan reveals he is a billionaire whose every demand is granted Harriet realizes that Roan has every intention of claiming his inexperienced bride

Dragon Kindred and the Worshipers of Gyr Marshall Drews, 2022-05-04 Humans beasts and dragons Some might claim there was little difference in nature between the three with rule and order being the fine line between tranquility and peace as opposed to mindless viciousness with a thirst for pure unadulterated destruction Many advocates against this cynical mentality would argue rather counterproductively that it was the same order and rule with a healthy mix of morals that led men to hold fast to what was right in a way beasts and kindreds alike were incapable of These beasts or monsters written in legend were often observed to be mindless in nature and destructive by law No sympathy lingered behind their piercing gazes neither did intelligence nor base desire Dragons and scaled kindreds alike were said to hold much the same virtues but one could not simply say they lacked conviction or desire Within them lay greed for things others might perceive to be useless Like a newborn duckling imprinting on some large protective looking object a dragon would instill value on anything that caught their eye in so much that they would defend it until death Within this land there existed such a dragon one posing as a nuisance and a menace to those around In the dark hours of the night a band of men were brought together by the same strong morals rules and order to seek out that which caused destruction and unrest however minor it might have been

J. Smale, 2018-02-20 Revenge Well it seems the cleaning fairys been here he whispered in her ear Stella nodded and moved slowly toward the door itching to get to her bedroom where she left her gun She didn't like feeling at a disadvantage George stayed close by her side as they made their way to her bedroom He kept his shield around her as she cautiously walked over to the chair by her closet and watched her quickly pull on her shoulder harness that cradled her gun Feeling more secure now that she was armed Stella turned narrowing her eyes searching the room At first glance nothing seemed to be disturbed But when she looked at the mirror over the vanity her eyes widened Words were written on the mirror with her favorite lipstick How does it feel knowing I can take from you like you took from me I will have my revenge Secrets Over the last year Stella was forced to face the fact that indeed she was different One blow after another continually hit her from her heritage almost destroying her mental health If it weren't for George Smale coming into her life at that time she knew she might have been stuck in a psychiatric ward somewhere for the insane Of course he would say it was her own inner strength that kept her balanced precariously on the thin line of sanity Whatever the reason for her keeping her sanity intact she was tremendously grateful for it She accepted not only her heritage now but also the fact that she was a direct descendant of Queen Ravena and Prince Gareg She now considered this fact a gift Even though she had royal blood flowing

through her and was considered the most powerful being in the human world Stella insisted on dealing with problems the normal human way As a private investigator she relied on facts and procedures the same way she relied on them when she was a lieutenant on the police force Now the most important thing was to keep what they were a secret from the rest of the world Magic must always be kept a secret
