*The Smallest Minority* Kevin D.

Williamson, 2019-07-23 The most profane hilarious and insightful book I've read in quite a while BEN SHAPIRO Kevin

Williamson's gonzo merger of polemic autobiography and batshit craziness is totally brilliant JOHN PODHORETZ

Commentary Ideological minorities including the smallest minority the individual can get trampled by the unity stampede as my friend Kevin Williamson masterfully elucidates in his new book *The Smallest Minority* JONAH GOLDBERG *The Smallest Minority* is the perfect antidote to our heedless age of populist politics It is a book unafraid to tell the people that they're awful NATIONAL REVIEW Williamson is blistering and irreverent stepping without doubt on more than a few toes but then again that's kind of the point THE NEW CRITERION Stylish unrestrained and straight from the mind of a pissed off genius THE WASHINGTON FREE BEACON Kevin Williamson is shocking and brutal RUTH MARCUS Washington Post a total jack s WILL SALETAN Slate and totally reprehensible PAUL KRUGMAN New York Times Reader beware Kevin D Williamson the lively literary firebrand from National Review who was too hot for The Atlantic to handle comes to bury democracy not to praise it With electrifying honesty and spirit Williamson takes a flamethrower to mob politics the beast with many heads that haunts social media and what currently passes for real life It's destroying our capacity for individualism and dragging us down the Road to Smurfdom the place where the deracinated demos of the Twitter age finds itself feeling small and blue *The Smallest Minority* is by no means a memoir though Williamson does reflect on that tawdry little episode with The Atlantic in which he became all too intimately acquainted with mob outrage and the forces of tribalism Rather this book is a dizzying

tour through a world you ll be horrified to recognize as your own With biting appraisals of social media an economy of Willy Lomans political hustlers that certain kind of man or woman who will kiss the collective ass of the mob journalists a contemptible union of neediness and arrogance and identity politics identity is more accessible than policy which requires effort The Smallest Minority is a defiant funny and terrifyingly insightful book about what we human beings have done to ourselves
