[Soap Making Business \(2 Books in 1\)](#) Kelly Soapy, 2021-09-16. Are you looking to start using making your own homemade soap that is free from chemicals that may be harmful to you and the environment while at the same time saving some cash in the process? If you've answered YES, keep reading. You are about to learn how to make your own organic and natural soap from scratch like a professional and turn your baths and showers into a sweet, safe, and satisfying experience that you deserve. You know how harmful and disadvantageous store-bought soaps are. I'm sure you've heard about some of their base chemicals being carcinogenic at the least and have been thinking of making your own soap. Unfortunately, you've never started because you've been wondering: What does it take to make my own soap? What ingredients and equipment do I need? What is the process like? Is it safe? How do I get started without mistakes? If that's you, then you just landed yourself the perfect guide. You are looking at a 2 in 1 book that not only contains the answers to these and similar questions but the ins and outs of soap making enough to turn you into a skilled soap maker in no time. More precisely, you'll learn: The basics of making soap and an overview of how soap is made. The different types of soap making. How to make your own organic soap safely. The different techniques you can use to make your soap. Why it's important to use natural and organic soaps. What you need to consider when choosing homemade soap recipes. How to be more creative with soap making. How to use fragrance and essential oils in soap making. How to make soap molds and use them in making your own custom-made soap. How to make soap using the cold and hot process soap making techniques. What bath bombs are and why you need them. How you can use bath bombs in the shower or bath. How you can package and store your bath bombs safely. Common mistakes you need to avoid in making bath bombs. The best natural bath bomb recipes to get you started. And much more. There's no better feeling than knowing that your body and skin is well protected and improved each time you bath or shower with organic homemade soap. Believe me, the feeling even gets better when you know you've saved yourself some cash, learned a useful skill, and saved your environment from harmful synthetic material. If your top goal is to keep yourself and your family protected and enjoy the nourishing benefits of organic soap, you've made the right decision choosing to make
